

## Legacy Heart of Ohio Council Wood Badge History – Course Directors

The legacy Firelands Area Council hosted its first course at Camp Firelands in 1972. This was the last of the Region 4 (R4) courses. Another was held three years later, but no more were held until 1992 when the FAC Wood Badge Association (founded in 1988) agitated for it.

The legacy Johnny Appleseed Council hosted three courses, but names of several course directors are lost. To our knowledge, the legacy Harding Area Council never hosted a course.

The legacy Heart of Ohio Council, established in 1994, hosted seven courses, initially alternating between Firelands Scout Reservation and the former Camp Avery Hand.
