

WOMEN IN ASHRAE

Joint Ballast Point Networking Event!

The ASHRAE chapters of SoCal, Orange Empire and Tri-County are excited to present the first annual Women in ASHRAE networking event! The Event will be held at Ballast Point brewery in Long beach, and will include appetizers and drink tickets

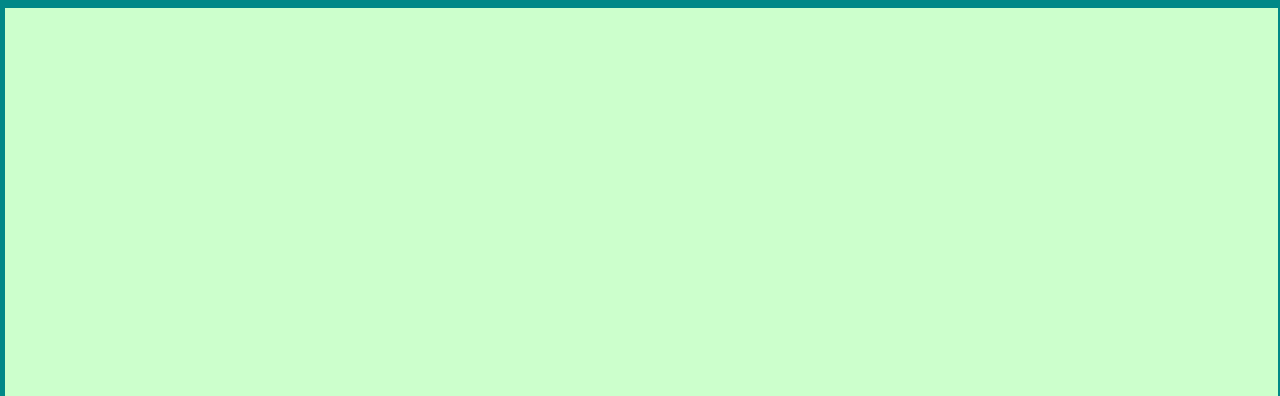

The event will consist of lighthearted ice breakers and conversations about what it means to be a woman in an HVAC related field. Men are invited to attend and participate as well.

Space is reserved to 50 people so make sure to RSVP!

A space for dinner will be reserved for those who want to continue socializing after the event. The dinner will be at Malainey Grille and Irish Pub (1 min walking distance from Ballast Point). Individuals will be responsible for paying for their own dinner. Please RSVP for the dinner if you think you might attend.
