Recent News

BSA National High Adventure Bases are processing 2025 reservations on individual websites and are expected to begin accepting reservations for 2026 as described below.

- [Northern Tier](#) High Adventure with bases in Ely, Minnesota; Atikokan, Ontario; and Bissett, Manitoba is accepting reservations online on a first-come, first served basis for the winter of 2024-2025 and summer of 2025. Go [here](#) for registration information for any remaining treks. 2026 trek reservations will be accepted starting at 8 am CST on 15 January 2025. There are a limited number of treks available on each date, so having backup dates when making a reservation is essential. Upon completing the online reservation process, you will know immediately if your request is available and must pay a deposit.
- [Philmont](#) Scout Ranch accepted requests for treks during the summer of 2026 in an online lottery between 1 October 2024 and 16 October 2024. Lottery selections are made randomly by computer (i.e., reservations are not assigned in the order that requests were made). Units may enter the Philmont lottery in consecutive years. For more information by email on 2026 Philmont reservations, click [here](#). For more information by email on 2025 Philmont reservations, click [here](#).
- [Sea Base](#) used a first-come, first-served basis to accept reservations online for the summer of 2025. To find out what reservations for the summer of 2025 are available,
