Thursday, November 14, 6 p.m.
TaxSlayer Center, 1201 River Drive, Moline IL

Performing in their final world tour under the banner "The Final Campaign," the chart-topping, Grammy-winning thrash-metal musicians of Slayer land at Moline's TaxSlayer Center on November 14, playing from a nearly four-decade repertoire that includes the top-10 Billboard smashes Divine Intervention, Christ Illusion, and Repentless.

Originally based in Huntington Park,

In my apparently endless need to publicly prove I have no life, I caught eight films at four different venues between Thursday and Saturday. Some titles are worth more words than I've given them; a couple are undoubtedly worth less. Regardless, the following are listed in order of preference

09:00

River Cities' Re@der

Eight Is Enough: "Jojo Rabbit," "Parasite," "Pain & Glory," "Doctor Sleep," "Back from the Brink: Saved from Extinction,"

By Mike Schulz

NOV 10, 2019

10:15

Breaker of Chains, Mother of Dragons: "She Kills Monsters," at Augustana College through November 17

By Pamela Briggs

NOV 12, 2019

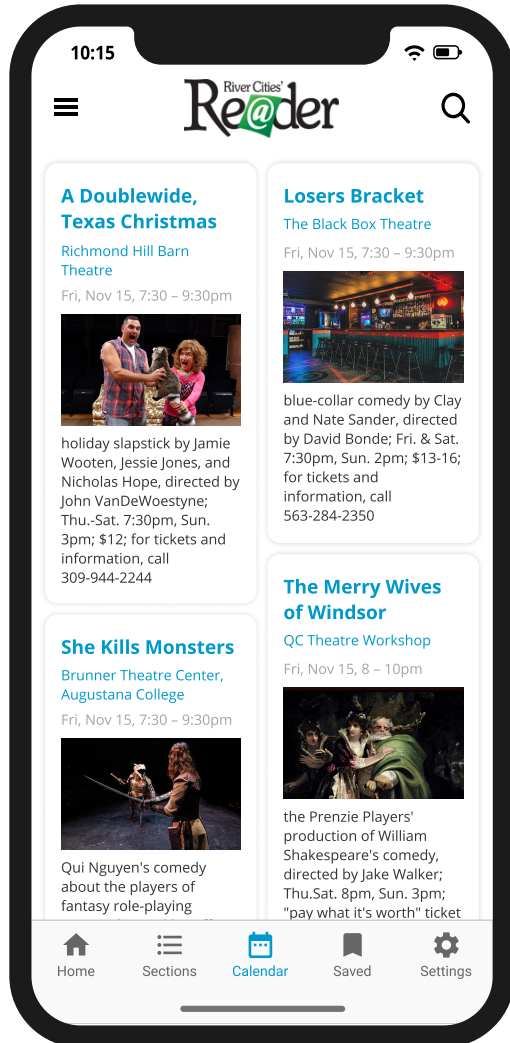

Elise Campbell and Jacqueline Isaacson in She Kills Monsters at Augustana College

I was fortunate to attend Tuesday's rehearsal of Augustana College's current offering She Kills Monsters by playwright Qui Nguyen. Director Jeff Coussens and

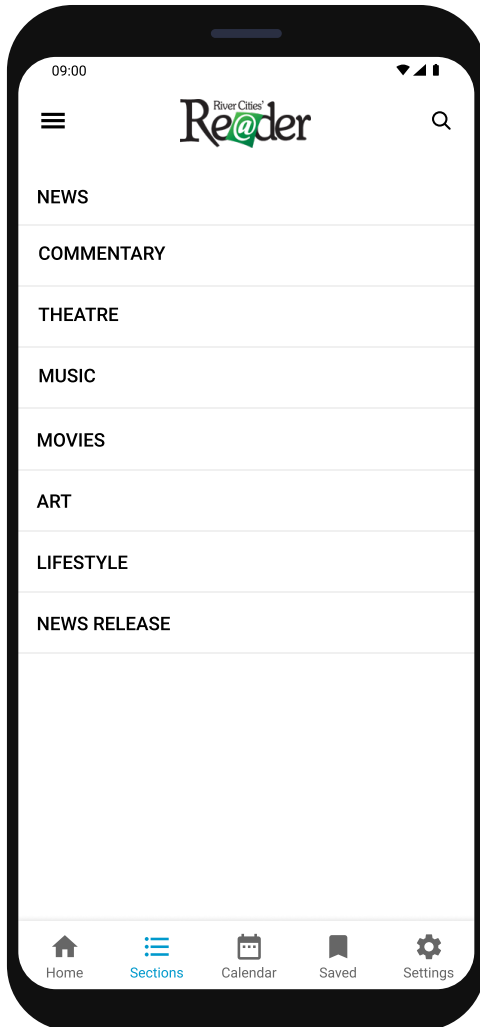

Content

The same design from your website, available to your app users

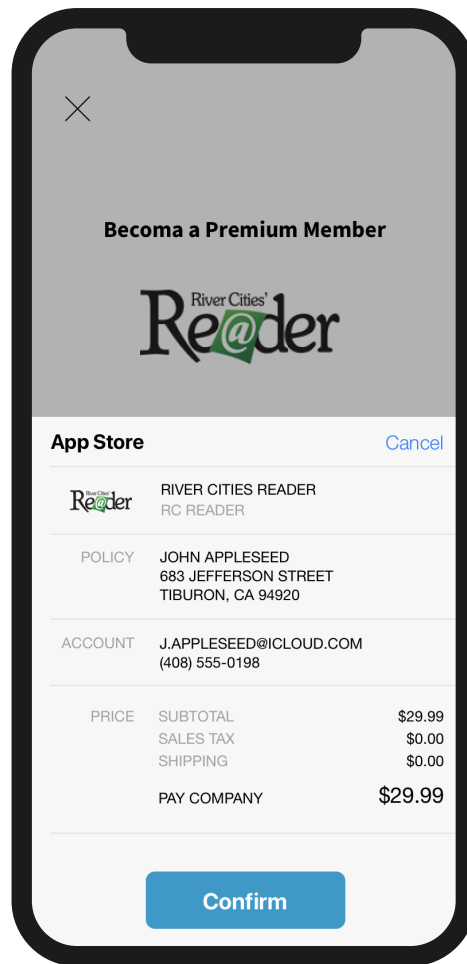

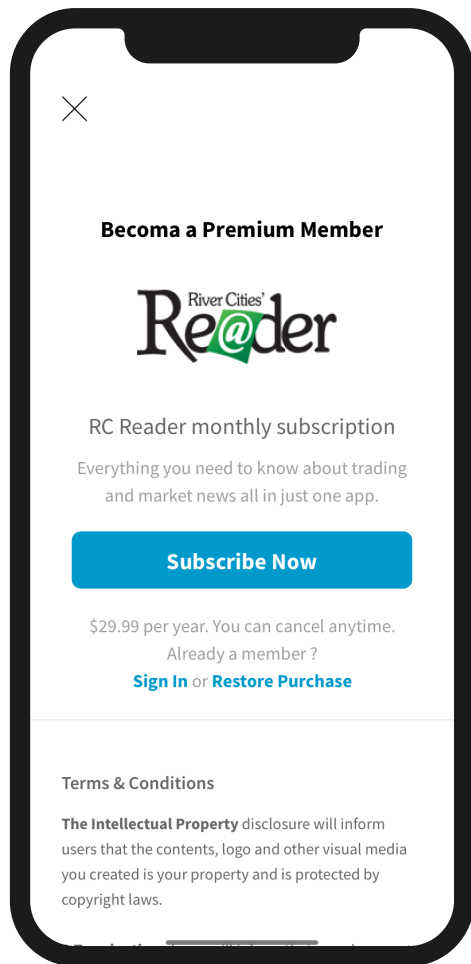

Calendar

Users will be able to access your podcast and play the content on their device using the same interface used on your site.

Sections

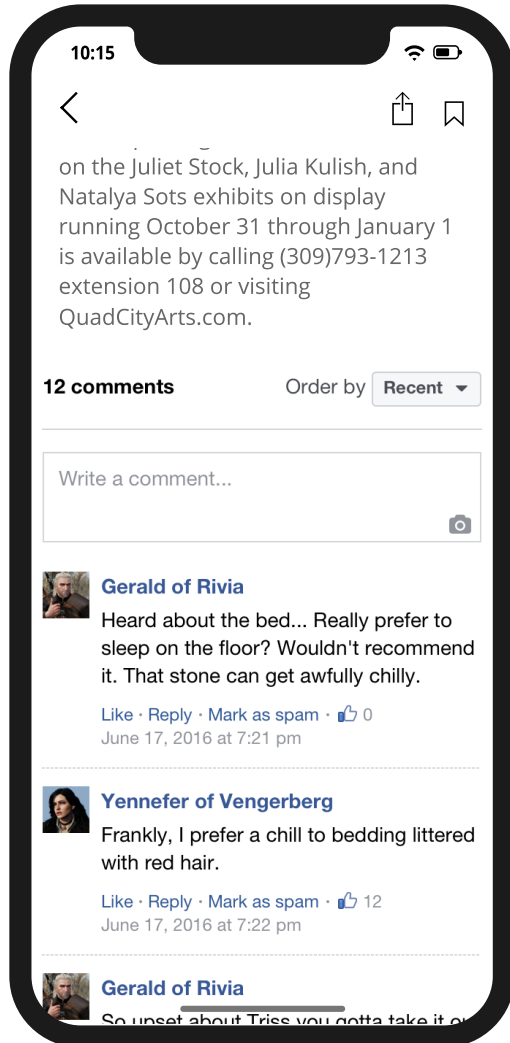

The Sections screen provides access to a customizable menu that gives readers a quick way to reach all pages and categories in the app.

Subscriptions

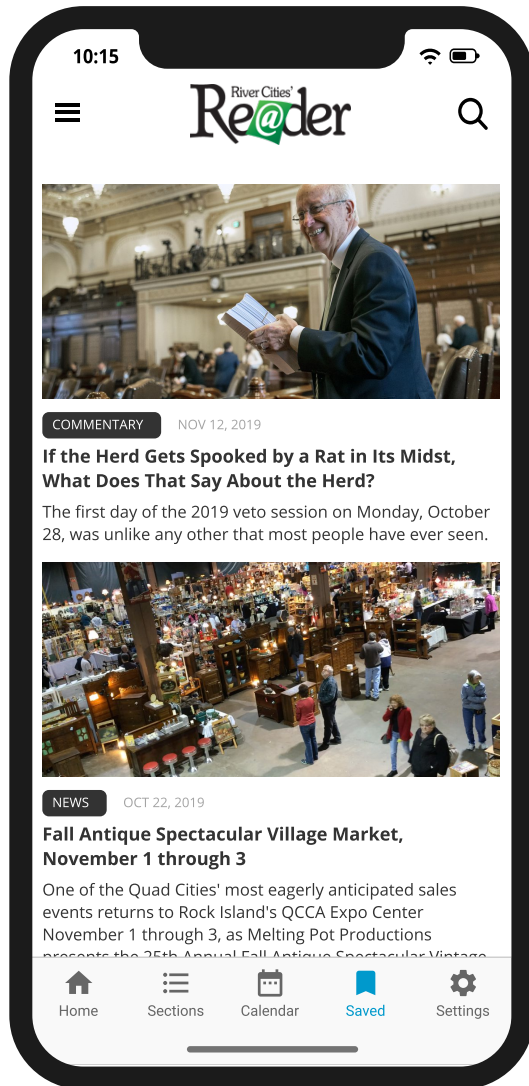

Sell subscriptions to access premium content or to remove advertising. It's easy to add a recurring revenue stream with your app.

* Subscriptions require our Custom plan & integration work

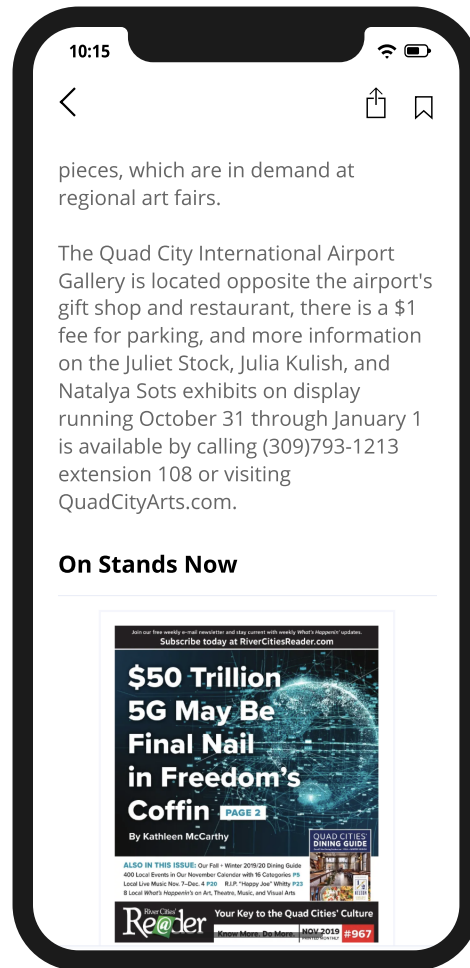

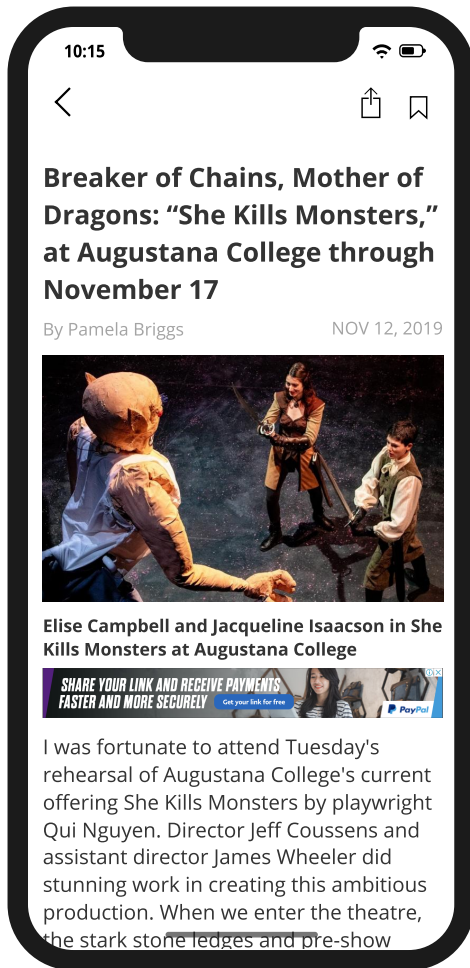

Comments

Allow users to interact with other like minded people through comments. Create a community.

Saved

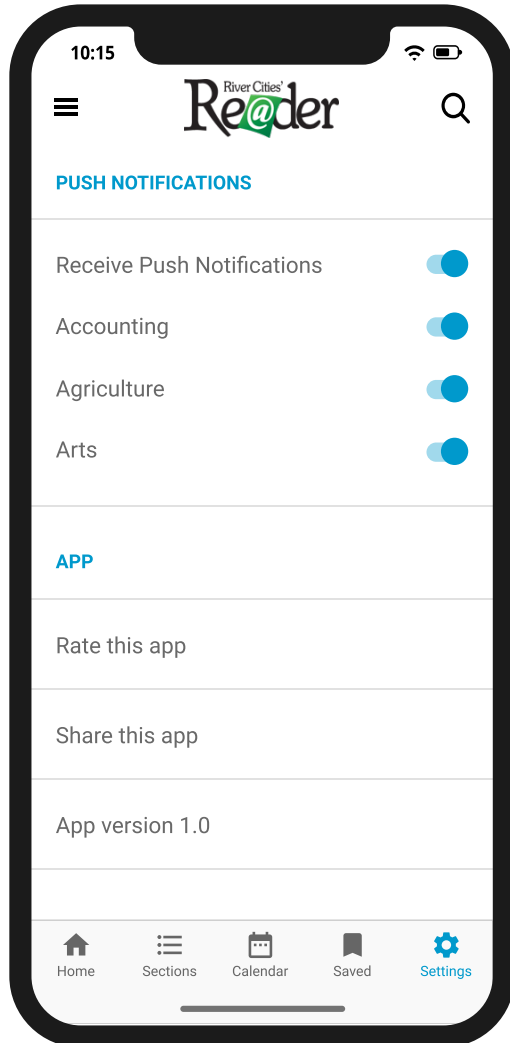

We'll integrate video playback widgets and create a dedicated tab for Video content.

Advertising

We'll integrate your ads within the lists and content making it easy to monetize traffic in the apps.

No additional tools or configuration, you can use your existing tools.

Settings

From the settings page users can customize their push notification preferences and access links to privacy policy, terms, contact, help pages, and more
