Chair's Chat – July 2024

Summer has arrived! School is out and it's time for a little rest and relaxation, not to mention summer camp and high adventure!

As we take some time to regroup after a busy spring scouting season, units should take some time for annual planning, to hit the ground running in the fall. We just held the District's Program Launch at the June Roundtable to help units get started with activity planning for the coming year. There are lots of resources included in the Round Table slides and the minutes to help your units get off to a great start in the fall, as well as the information included in this newsletter! Be sure to consider the "Summer Camp in a Day" Fall Camporee at Camp Rock Enon on October 18-20 for your unit's schedule.

Program is important, and at the same time units are planning all the activities that make scouting fun and memorable, please consider how you'll attract new Cubs and Scouts to join your unit in the fall! NCAC has resources here to help: [Unit Resources - National Capital Area Council \(ncacbsa.org\)](https://www.ncacbsa.org). When setting up your unit's Join Scouting Night, consider signing up for geofencing to boost the visibility of your event. Need yard signs and copies of flyers? Let us know and we can help with that too.

If you need to do some fundraising to support your program, consider popcorn sales! Preparation for Trails End Popcorn sales has already started. Please check out the resources on the NCAC Popcorn website at [Popcorn Program - National Capital Area Council \(ncacbsa.org\)](https://www.ncacbsa.org) for more details. Training for units is available now—check the website for dates.

I would also like to extend a warm welcome to the incoming units from McLean and from the former Old Dominion District and look forward to working with you.

We will be taking a break in July from our monthly District Roundtable and District Committee meetings but will be back in August. Have a great summer!

Yours in Scouting,

Traci Yates – Wolf Trap District Chair

Testimonial from Pack 493

"Making Scouting accessible to all regardless of family income is a core value in Pack 493. One of our goals is to afford our families a dues-free Scouting experience by funding the entire program year through fundraising. For 2023-24, through the popcorn fundraiser, this goal was exceeded and powered by popcorn!... Through the Council's annual popcorn fundraiser, our Scouts learned about perseverance, public speaking, teamwork, and most importantly the Cub Scout Motto, "Do Your Best.""

NCAC Wood Badge 2024

Fall Course

September 13-15 & October 5-6, 2024

Course Director: MJ Uribe Email: mjuribebesa@gmail.com

The Course will be \$300.

Wood Badge is the Boy Scouts of America's ultimate leadership training designed to meet the advanced leadership needs of Scouters in all aspects of the BSA, whether unit, district, or council level – from assistant den leaders to Scoutmasters, from Cubmasters to Venturing Advisors, from committee members to commissioners. It is a fun, energetic and inspiring course guaranteed to infuse your unit with fun and meaning – all designed to fulfill the mission of the BSA, and ensure our youth is getting everything they are promised from the program.

Reflecting the best of nearly a century of Scouting experience, Wood Badge draws upon the most current leadership models used by corporate America, academic circles and successful organizations throughout the country. Participants can expect to develop skills in many areas, including leadership theory, team building, problem-solving, communication, project planning and more. These skills can be taken back to packs, troops, crews and ships to help leaders guide youth in dynamic Scouting programs. Scouters will find these skills invaluable in their business and personal lives as well.

Wood Badge consists of two parts:

The first five full days is the initial group training, usually held over two weekends – the first weekend Friday through Sunday, and the second Saturday and Sunday (**Both weekends must be attended**).

The second part requires participants to apply the skills they learned by completing a 5-part plan (called a "ticket") over the following 18 months, leading towards the individual participant's vision of a better Scouting future.

Requirements for attending Wood Badge:

1. Be registered members of the Boy Scouts of America and age 18 or older.
2. Have completed the basic position-specific training courses for their Scouting role.
3. Be capable of functioning safely in an outdoor environment. All participants are required to complete the Annual Health and Medical Record. Parts A, B, and C are required which includes a physical. Part C is required for everyone, including people who are not present for more than 72 hours.

A minimum (non-refundable) deposit is due with registration, and then full payment is due 45 days before the start of the course. Each Wood Badge course is limited to 48 participants. Per national guidelines, any course not having 30 fully paid participants 30 days prior to the start of the course is subject to cancellation.
