Dear Friend,

Welcome to camp! Thank you for choosing to spend time with us at one of our two picturesque properties in the new Lake Erie Council. Whether you're here for a day or for multiple nights,

I want you to know how much it means to us that you've chosen us for your group's adventure!

We are working hard to provide you and your group with the best facilities and an exceptional customer experience during your stay. To that end, your Camp Host is here to ensure that your visit is fantastic. They are a resource for not only logistics of the property, but also to offer exciting programs as well. We hope you can take advantage of the skills they offer to make your time with us even more enjoyable!

Your feedback is incredibly important. It is our goal to exceed your expectations from the time you make your reservation until you're back home in your own bed. If there is anything we can do to improve any aspect of our interaction, please don't hesitate to speak with your host or reach out to me directly.

Thanks again for supporting camp and for all that you do for Scouting!

Yours in service to youth and families,

Marc J. Ryan
Scout Executive, Lake Erie Council
