

2023 MIPS Value Pathway (MVP) Registration is Open

The Merit-based Incentive Payment System (MIPS) Value Pathways (MVPs) registration window is open for the 2023 performance year. MVP Registration is open **until November 30, 2023 at 8 p.m. ET.**

What is MVP?

For the 2023 performance year, MVPs are a new, voluntary way to meet MIPS reporting requirements. Each MVP includes a subset of measures and activities that are related to a specialty or medical condition to offer more meaningful participation in MIPS.

- Whether you want to be evaluated on an outcomes-based administrative claims quality measure, if it's a quality measure option in your selected MVP.
- The population health measure you would like evaluated:
