Cheltenham, Maryland 20623
Cost \$15

This event is open to Scouts BSA, Venturers and Arrow
of Light Scouts attending with a host troop.

Updated August 2022

We invite you to our Skilloree, a Celebration of Traditional Scout Skills. Let us help you learn new skills or brush up on old skills in preparation for our Klondike Patrol Competition in February 2023

Without your support, there can be no camp-o-ree. Help is needed for all phases of the camp-o-ree, including set up, check-in, traffic control, opening ceremonies, training activities, patrol games, individual sports, campsite inspections, campfire ceremony, campfire building, and Interfaith Service.

Each Unit is asked to host one or more patrol games and/or activity stations. Adult leaders are required to supervise the station, but units are encouraged to enlist senior Boy Scouts and Venturers to staff the station. Our goal is for each station to teach and reinforce one of the common Scout Skills required on the path to First Class Rank.

Ideas for station plans can be obtained from the Skilloree staff. We also have some Equipment available to lend for use at stations.

All games/stations must be designed to meet the following objectives:

- Test Basic Scoutcraft skills or teach new ones
- Challenge physical fitness,
- creativity, teamwork or problem solving
- Adhere to Safe Scouting Guidelines
- Incorporate the Camp-o-ree theme.
- Establish clear rules and requirements
- Establish objective scoring criteria.

Please RSVP for a station by sending an email to Patuxentactivities@yahoo.com
