HONORING OUR HEROES

At Glide Revitalization, we believe in showing our deepest respect to our veterans by closing our doors on Veterans Day. This simple act serves as a heartfelt expression of gratitude for their sacrifices. On Thanksgiving, we take another pause to emphasize the importance of spending time with loved ones, as we reflect on the values of family and community that are so dear to us. We're committed to honoring our heroes and fostering the connections that make our community strong.

LITTLE LOGGERS PLAYSCHOOL

Little Loggers Playschool is excited to announce its tentative open date of January 8th, marking the beginning of an enriching educational journey for young learners. The playschool's schedule will offer flexibility, with operation hours from 3 p.m. to 6 p.m. from Monday to Thursday and 8 a.m. to 3 p.m. on Fridays. As for rates, the school is planning to implement a sliding scale tuition system, with a tentative full-time rate that aligns with the current hours of operation, a distinct Monday through Thursday rate, and a separate rate for those interested in attending only on Fridays. These rates will ensure families have options that suit their specific needs and schedules. Additionally, LLP is currently searching for a qualified Assistant Director, Head Teacher, and Assistant Teacher to help us bring our Love, Learn, & Discover creative curriculum to life. If you're enthusiastic about fostering social skills, emotional well-being, physical activity, and cognitive development in our young learners, we want to hear from you. Please email your resume to our director at susan@littleloggersplayschool.com or visit the QR code below to apply today and be a crucial part of our Little Loggers Playschool family.

VOLUNTEER

Experience the fulfillment that comes from being a part of a community-driven initiative. Glide Revitalization offers diverse and rewarding volunteering options for everyone, whether you have a few hours to spare or want to commit more of your time we can help find the best fit for you. FIRE MITIGATION PROGRAM

Glide Revitalization is excited to announce our Umpqua Fire-adapted Landscapes and Safe Homes (FLASH) program! Visit the QR code below to visit our website for more information and the application! Additional questions? Contact us at disasterinfo@gliderev.com.

HAUNTED HOUSE

The Glide Revitalization Haunted House, held on the evenings of October 27th and 28th, was a resounding success that brought the community together for a thrilling and enjoyable experience. With affordable admissions set at just \$5, and delicious refreshments available for a mere \$1, it was an event accessible to all. What truly made this event shine was the unwavering support of over 20 dedicated volunteers from the community and local Glide High School who worked tirelessly to bring the haunted house to life for both nights. A heartfelt shoutout goes to our amazing volunteers, without whom this event wouldn't have been possible. The turnout was remarkable, with over 250 community members eagerly participating in the haunted house experience. In addition, alongside the haunted house, a public trunk-or-treat event provided younger children with free face painting and a sweet bounty of candies, making it a memorable and inclusive community gathering that catered to all age groups. We hope to see you next year for another unforgettable experience!

SUPPORT REPORT

Each month our Program Director puts together a snapshot of the previous months accomplishments and community output. Visit the QR Code for the September report and to stay up to date on community progress!
