

Assessed in the last year, do I need to reassess?

Reassess if you do not have access to Clarity/HMIS or if any of the following conditions are met

1

Major life changes or events have occurred since the last assessment was conducted

2

Household composition has changed since the last assessment was conducted

3

It has been 1 YEAR or LONGER since the last assessment was conducted

4

New assessment tools have been approved and it has been at least 3 months since the last assessment was conducted
