

## Don't Mix the Two

Luke 5. 33-39

Bad things happen when we mix up or mix together two things that don't go together – the Old Covenant and the New Covenant.

### Mixing Up or Mixing Together the OC and the NC

**Error:** use verses from the OC to teach that God promised us \_\_\_\_\_ and \_\_\_\_\_.

**Damage caused:** We would be surprised by suffering. We could become disillusioned with God and Christianity because God didn't meet our \_\_\_\_\_.

**Error:** Measure our goodness or progress in sanctification by how consistently we keep some \_\_\_\_\_ of the Law.

**Damage caused:** perpetual feelings of guilt/shame. We might conclude the Christianity doesn't work or God is never pleased with us. We might \_\_\_\_\_ up.

OR self-righteousness. We \_\_\_\_\_ the Law and keep the parts we feel are most important to obey. We \_\_\_\_\_ ourselves with others and think we're OK. We would fail to see our need for \_\_\_\_\_.

**Error:** use rules-based methods to produce life-change. Rely on \_\_\_\_\_ and rules rather than on the HS and grace.

**Damage caused:** No \_\_\_\_\_ of the Spirit. No love, no joy, no peace, no true inner goodness.
