PhD**
Epidemiologist and
Evaluator for RIDOH
Asthma Program
Brown University School
of Public Health
Associate Professor of
Epidemiology Practice
Hassenfeld Child Health
Innovation Institute
Affiliated Scholar

Practices

Pediatric Associates
East Providence, RI 02914

Sunshine Pediatrics
Providence, RI 02904

Barrington Pediatric Associates
Barrington, RI 02806

Blackstone Valley Pediatrics
Cumberland, RI 02864

What do you hope to get out of this learning collaborative?

School Nurses

Tracey Bradley, RN
Kent Heights School

Partnered with Barrington Pediatrics

Alexandra Doty, BSN, RN-BC
Myron J Francis Elementary School

Partnered with Pediatric Associates

Colleen O'Donnell, BSN, RN
George J West Elementary

Partnered with Sunshine Pediatrics

Jennifer Castano
RISE Prep Mayoral Academy

School nurse – consultant to Asthma QI project

What do you hope to get out of this learning collaborative?

ADVANCING INTEGRATED HEALTHCARE

Asthma QI Kick-Off Meeting - Pediatric Practices partnering with Schools

Presentation by Greg Fox, MD

Questions?

Milestone for Providers

CTC-RI Asthma Quality Improvement Initiative - Milestones Summary for Primary Care Practice*
