

## The Lesson of the Loaves

Mark 6.30-52; 8.16-21

It's possible for \_\_\_\_\_ (people to whom Jesus revealed his identity and authority) to begin to act like \_\_\_\_\_ (people who never believed).

Application: \_\_\_\_\_ **the lesson of the loaves.**

- What is your "lesson of the loaves?" What was the lesson about Jesus you could/should \_\_\_\_\_ from what God recently did in your presence?

Just like a little yeast affects the entire batch of dough, a little \_\_\_\_\_ of the heart will affect all of your conclusions about Jesus and your ability to perceive the truth Jesus reveals.

Application: \_\_\_\_\_ **of the permeating power of closing your mind to the evidence about Jesus.**

God doesn't need \_\_\_\_\_. He can exist just fine without them. Believers know they need God.

Jesus \_\_\_\_\_ their faith for their benefit.

Application: **Think about the times when God proactively \_\_\_\_\_ your faith. Be amazed by God's grace.**
