

SAVE THE DATE

FOR THE

ANNUAL WORLD COMA DAY

The Neurocritical Care Society (NCS) invites you to join us for the 4th annual World Coma Day, taking place on March 22, 2024!

World Coma Day will feature:

Stories of Hope

from coma care and recovery

Coma science

presented by medical experts

"Shout-out" videos

from providers, patients, families, researchers around the world

Educational sessions

for patients, families, and providers who have been impacted by coma
