Cub Scouts & Scouts BSA Roundtable Discussion

Internet Recharter 2.0

1. Based on your experience from using IR 2.0 last year, are there any issues you had that are not covered by the updates noted? If so, please list in as much detail as possible and forward to Mike Weber at mfweber112@comcast.net.

2. When reviewing the recharter timeline in the 3-phase template, what action can you take now to prepare for completing each of these steps within the timeline so that the charter can be completed and turned in prior to the deadline with no defects?

3. Use your remaining breakout time to click on either of these URLs:

   scouting.org/commissioners/internet-rechartering

   scouting.org/resources/internet-rechartering

   Then, review each of the recharter references so that you are familiar with each one and be comfortably prepared to begin the recharter process.
