

2022 JAMBOREE ON THE AIR/JAMBOREE ON THE INTERNET AND 2023 NATIONAL JAMBOREE

October 14-16, 2022

“JOTA-JOTI (Jamboree-on-the-Air-Jamboree-on-the-Internet) is the world’s largest digital Scout event taking place on the Internet and over the airwaves. Held every year in October, the event connects millions of young people around the world for a full weekend of online activities that promote friendship and global citizenship. JOTA-JOTI enables young people and volunteers to participate in fun and engaging group activities over the Internet and amateur radio focused on developing 21st century skills through Scouting.

In 2022, JOTA-JOTI takes place from 14 to 16 October. The dynamic programme comprised a variety of non-formal education activities, including webinars, global campfires, talent shows, live shows, fun challenges and more through an interactive 3D campsite. JOTA-JOTI aims to support young people of all ages to learn about communications technology, the values of global citizenship, and their role in creating a better world.”

“Jamboree is more than a destination. It’s the adventure of lifetime. And there is simply nothing else like it on the planet.

What’s a Jamboree? It’s not camp. National Jamboree is 360-degrees of fun, friends and fellowship with hands-on adventure that takes you places you never thought you’d go and challenge you to try things you never thought you could.

It’s the beginning of your own heroes’ journey that will challenge you to go farther than you ever thought possible. You’ll reach deeper and lift yourself higher to become the best version of yourself.”
