University of Notre Dame	March 17, 2025	April 11-13, 2025

*Registration deadlines are 11:59 p.m. in the time zone the competition takes place.

Important Reminders

1. Competition registration comes in 2 parts: Skater registration via EMS & team registration (roster & entry fee submission) via the [Intercollegiate Series Payment Form](#).
2. Registration via EMS will open 2 weeks prior to the posted registration deadline. The only exception will be the MIT competition, which will open on December 1, 2024 to avoid winter break conflicts.
3. Registration via the [Intercollegiate Series Payment Form](#) will open no later than September 23, 2024 and will remain open the entire season until the final registration deadline.
4. Intercollegiate Conferences have changed for the 2024-2025 season. Please refer to the updated [24-25 Intercollegiate Conference Map](#) to determine which conference your team is authorized to compete in.
5. Registration deadlines are as of 11:59 p.m. in the time zone the competition takes place.
6. Student enrollment verification is required to be submitted for EVERY competition. These verification forms must be valid for the semester/term during the competition your team is registering for. Teams CANNOT submit the same form for both Fall & Spring competitions. If your roster changes between competitions, new enrollment forms are needed. If your roster does NOT change between competitions during a given semester/term, you may use the same form. Please utilize the Registrar Form sheet found within the Intercollegiate Competition Roster File. Enrollment verification forms must be submitted by the Monday before the start of the competition.
7. All athletes competing in the Intercollegiate Series are required to be full-time students at the institution they are representing (exception: athletes who are in their final semester may be enrolled part-time).
