Making spirits bright

Tis' the season to give back!

We enjoyed partnering with the North Umpqua Holiday Gift Program to bring spiral hams and gifts to community members in need this month. This long standing tradition is a beautiful way to connect with those in your community and to give back, we were grateful to participate!

December was Glide Rev's highest financial output to the community thus far! This in part, is due to partnering with UCAN which provides an additional source of funding that is being distributed rapidly to those who are rebuilding from the Archie Fire.

As we look ahead to 2023 we hope to keep this stride and get funding into the hands of those still rebuilding their lives. Case work will continue through June of 2023, at which point any remaining fire needs will be handled as "Community Member" requests and funded with any remaining unrestricted funds.

Glide Revitalization is in a unique position. We operate as a non-profit that can obtain grant funding for a wide variety of programs and community based assistance. We also house Douglas County's Long-Term Recovery Group (LTRG). This is a committee of individuals that are governed by a Board of Directors and are fiscally sponsored by a 501(c)(3) organization. All funding that is allocated to this local group of individuals is provided specifically to wildfire impacted community members.

We also partner with many other non-profit organizations to maximize efforts. Often, cases are presented to many community business partners to ensure the client receives the most amount of assistance available to them.

PARTNERSHIP HIGHLIGHT

Greater Douglas United Way

United Way has sat on the unmet needs committee of Glide Revitalization since the fires in 2020. They have been a constant source of support with not only funding but mentorship and encouragement as well. They have provided thousands of dollars to fire survivors and continue to ask "What else can we help with?" Way to go United Way!!!!
