

## DECISION NOTICE - INFRASTRUCTURE CHARGES

**Decision Date:** As stated on the Decision Notice for the development application 11754/2024/MCU

Council gives this infrastructure charges notice pursuant to section 119 of the *Planning Act 2016*.

### Appeal Rights

You have appeal rights in relation to this notice. An appeal may be made against an infrastructure charges notice on one (1) or more of the following grounds:

- (a) the notice involved an error relating to:
  - (i) the application of the relevant adopted charge; or

Examples of errors in applying an adopted charge:

- the incorrect application of gross floor area for a non-residential development
- applying an incorrect 'use category', under a regulation, to the development
- (ii) the working out of extra demand, for section 120 of the *Planning Act 2016*; or
- (iii) an offset or refund; or
- (b) there was no decision about an offset or refund; or
- (c) if the infrastructure charges notice states a refund will be given – the timing for giving the refund; or
- (d) for an appeal to the Planning and Environment Court – the amount of the charge is so unreasonable that no reasonable relevant local government could have imposed the amount.

To remove any doubt, the *Planning Act 2016* declares that an appeal against an infrastructure charges notice must not be about:

- (a) the adopted charge itself; or
- (b) for a decision about an offset or refund:
  - (i) the establishment cost of trunk infrastructure identified in a local government infrastructure plan; or
  - (ii) the cost of infrastructure decided using the method included in the local government's charges resolution.

An appeal must be started within 20 business days after the infrastructure charges notice is given to you.

An appeal may be made to the Planning and Environment Court or to a development tribunal.

An appeal is started by lodging a notice of appeal with the registrar of the Planning and Environment Court or a development tribunal, as applicable. The notice of appeal must be in the approved form, succinctly state the grounds of the appeal and be accompanied by the required fee.

An appellant to the Planning and Environment Court must give a copy of the notice of appeal, within 10 business days after the appeal is started, to the persons identified in section 230(3) of the *Planning Act 2016*. A person who is appealing to the Planning and Environment Court must comply with the rules of the court that apply to the appeal.

Chapter 6, Part 1 and Schedule 1 of the *Planning Act 2016* sets out further information about appeal rights.

Attached is an extract from the *Planning Act 2016* about appeal rights.
