

Making Care Primary (MCP) OFFICE HOURS FORUM

CMMI/CMS launched the Making Care Primary Model (MCP) on July 1, 2024 for practices in eight states. Practices in North Carolina completed the MCP application and were accepted into this model with a timeline of reporting based on the Track (one of three) chosen by their individual organization. NC AHEC Practice Support is leading an Office Hours Forum for direct practice discussion on needed topics, best practices, support and peer to peer learning.

The target audience includes MCP member practice representatives and NC AHEC Practice Support Coaches. Discussion topics for consideration include:

- √ Health Equity Plan development
- √ Attribution discussion
- √ UIP/ESP expenditures framework
- √ Collaborative partnerships to meet MCP needs
- √ EHR Optimization
- √ Data Reporting Requirements
- √ MCP resources and portal use
- √ Baseline Care Delivery Reporting

MCP Office Hours Forums will take place on the following dates:

- Oct 15, 2024 04:00 PM
- Nov 19, 2024 04:00 PM
- Jan 21, 2025 04:00 PM
- Feb 18, 2025 04:00 PM

Register by clicking the blue button below. We look forward to connecting with you!
