Commune Sense

Why can't you taste;
the bitterness of wars started in haste?

Friends, why can't you remember,
what *really* happened that one September?

Since then, why can't you see;
the removal of basic constitutional liberty?

Why can't you feel;
what politicians should never steal?

Why can't you hear;
televised lies said with a sneer?

Why can't you smell;
dirty rats in our government from hell?

Why can't you sense;
what's really being planned behind their fence?

Why can't you know;
that you will later reap what you they tell you to sow?

Call on Our Father and make your pact;
for this world's stagemovie is coming into its final act.

Dear Eric:

You're certainly on to something here. The Illuminati do, indeed, put a lot of stock on symbols, rituals, numbers, etc., all of which they endow with supernatural (occult) significance. Astrology and the New Moon are also key in their ordering of events.

Freemasonry is the Common Denominator :: <http://www.savethemales.ca/000482.html>

By Henry Makow Ph.D.

In the past, I have ascribed humanity's woes to a conspiracy of inbred British aristocrats, their American toadies, Zionists and central bankers. So far I have overlooked the most important ingredient, the "Freemasons" the world's largest secret society with five million members (including three million Americans.) Only their inner circles are aware that the "Craft" is in fact devoted to satanism.

The conspirators all belong to it. George W. Bush is a member. As a student at Yale Bush joined its "Skull and Bones" chapter and referred to it in August 2000 in these terms: "My heritage is part of who I am."

Dick Cheney and Colin Powell are also high level Freemasons. So is Al Gore and Ariel Sharon. Past Presidents FDR, Harry Truman, Ronald Reagan and Lyndon Johnson were also members. So are Henry Kissinger, Allen Greenspan and World Bank President James Wolfensohn. In fact devil worship seems to be a prerequisite for power and success today.

[Freemasonry has been blamed for many cases of child sexual abuse and ritual murder.](#) There are at least three books out about people who claim to have been brainwashed and sexually exploited as children by certain members of our power elite. "The Franklin Cover-Up" (get the 2nd. Edition, 1996) by John W. DeCamp describes a homosexual and satanic child sex ring based in Omaha, which serviced members of the Reagan administration. In "Transformation of America," (1995) Cathy O'Brien describes her experiences as a mind-controlled sex slave with members of the current and past administrations.

It gets more bizarre. In addition to oil, the war against Iraq is part of a long-term plan to establish the rule of satan on earth. The New World Order is Masonic in character. Sadaam Hussein (and Islam in general) represent an obstacle to the Masonic plan to rebuild Solomon's Temple on the Temple Mount in Jerusalem. This will be the seat of a new world religion subtly devoted to Lucifer.

The war is the latest in a step-by-step plan to enslave humanity. For example, the United Nations' true character is revealed by the fact that the only religious chapel at its headquarters is run by a satanic cult, the "Lucis Trust." The name was changed from Lucifer Trust to make the nature of the organization less conspicuous. For more background, see an online article entitled ["The Real History of Satanism."](#)

The Satanists disguise their agenda in warm and fuzzy buzzwords like "economic justice" and "international peace." They are drafting a new world constitution called the "Earth Charter" which will have the authority of holy writ. Later this year, the Earth Charter will be presented to the United Nations in a pantheistic 21st Century replica of the Ark of the Covenant. Stephen Rockefeller and the Rockefeller Brothers Fund is behind this initiative.

According to Joseph Farah, "these are dangerous and diabolical folks making long-term plans to seize even more power and destroy any vestige of freedom left in the world." [World Net Daily, Sept.](#)

I don't have the heart (or stomach) to explore the philosophy of Freemasonry in detail. I refer you to an excellent web site that contains articles and a list of over 50 books. It is called ["Freemason Watch"](http://www.freemasonrywatch.org) * <http://www.freemasonrywatch.org>

I only want to point out the essential difference between a true religion like Islam or Christianity and a naturalistic cult like Freemasonry. A true religion believes that God is the ultimate Reality (Truth, Love) and that man has the Spirit of God within. "God is a spirit and we worship him in spirit and truth." (John 4:24) Liberation is defined as overcoming the limitations of ego. This is what it means to be "born again." Jesus said, "And you shall know the truth, and the truth shall make you free." (John 8:32).

Collectively mankind is in a process of transformation, of becoming more God-like or "Real." By loving God and obeying our "higher" self, we outgrow our baser instincts. "Be ye therefore perfect as your Father in heaven is perfect," Jesus said. (Mathew 5:48)

Civilized life and culture involve a respectful debate about how to find happiness. I believe everyone must approach God individually, and therefore must be free to choose his own path.

In contrast, Freemasonry is a pagan cult that pretends to embrace all religions in order to negate them all. It says there is no God but man. Man not God is the measure of all things. Our lust for more power, money, and sex is unleashed. The lower instincts become the higher.

For the last century or more, the world has been subject to a subtle process of Masonic indoctrination. Religion is portrayed as irrelevant and "liberation" is defined as being able to have sex with anyone and to talk about bodily functions in public. Have you noticed how much toilet humor and stupid sexual jokes permeate prime time? This is the slippery slope of consciousness.

Recently a reader emailed to object to my "religious fundamentalism" saying that God could not exist or else He would not permit so much suffering.

We are God's agents. We embody His spirit to create heaven on earth. God can't do it without us, and He certainly can't do it if we succumb to satan.

Modern history is understandable only in terms of the ongoing campaign by the Illuminati (which infiltrated Freemasonry in 1781) to destroy Western Civilization and enslave mankind. Nesta Webster's book "World Revolution" (1921) and John Daniel's "Scarlet and the Beast" (Vol. 1, 1994) both describe this process.

Communism has been the main instrument of the Illuminati. (The Communist anniversary May 1st refers to the date the Illuminati was founded in 1776.) The Protocols of the Elders of Zion was probably an Illuminati document disguised as a Jewish one. Certainly, Jews like Karl Marx and Leon Trotsky dominated Communism but they were Freemasons first. They did not represent the Jewish people.

John Daniel believes that Bolshevik Russia was a French Orient Masonic state. He says the slaughter of millions of Russians by the CHEKA was Masonic ritual murder. He points to "the numerous Masonic symbols carved into the flesh of victims' heads, faces, necks and torsos." (495) The assassination of Czar Nicholas II and his family was also a Masonic ritual murder (512).

We don't hear much about the "holocaust" of educated Russians between 1918 and 1922. The Bolshevik Freemasons slaughtered 3,200,000 people. Husbands, fathers and brothers were compelled to watch as their wives, daughters and sisters were brutally raped. (497)

Published in "The Scotsman" on November 7, 1923 are the following counts of the slaughtered to bring about the Craft's "dictatorship of the proletariat":

"28 bishops, 1219 priests, 6000 professors and teachers, 9000 doctors, 54,000 officers, 260,000 soldiers, 70,000 policemen, 8,950 property owners, 535,250 members of the intellectual and liberal professions, 193,290 workmen, 618,000 peasants." (495)

John Daniel believes that the Second World War was essentially a civil war between two branches of Freemasonry. The English Grand Lodge built up Adolph Hitler in order to destroy Communist Russia, French Grand Orient Freemasonry's creation. After Hitler double-crossed his sponsors and made a pact with Stalin (threatening England), power swung from (English Grand Lodge Mason) Neville Chamberlain to (French Orient Mason) Winston Churchill. Nevertheless the English branch and its Wall Street satrap continued to back Hitler and later helped Nazis war criminals escape.

G.K. Chesterton said the study of history should be a study of power elites. Instead historians obscure and deny the truth. The more I read, the more I am convinced that the function of the news media, the arts, education and entertainment is to deceive and make us stupid. While we are numbed and distracted, our leaders carry out their orders under occult discipline (or blackmail.) As human life becomes degraded, it seems less worth saving. The devil is afoot and all-powerful. As long as he uses deceit, good people seem helpless to resist.

Three things give me hope. 1) The Constitution gives us the right to own guns. 2) The Internet. (Tyranny has never had to face instant communication.) 3) Our ingrained habit of freedom.

We must force the Satanists out into the light of day.

Freemasonry: Mankind's Death Wish

By Henry Makow Ph.D. January 15, 2005

Architects of Deception a 600-page history of Freemasonry by Estonian writer Jyri Lina offers profound insight into the true character of modern history.

Essentially, a dominant segment of Western society has joined the Jewish financial elite in embracing Freemasonry, a satanic philosophy that represents a death wish for civilization. They imagine somehow they will profit from the carnage and suffering caused by their "New World Order."

Incredible, bizarre and depressing as it sounds, Lina writes that 300 mainly Jewish banking families have used Freemasonry as an instrument to subvert, control and degrade the Western world.

This view is consistent with the 1938 NKVD interrogation of an illuminati member who names many of these banking families and confirms that Freemasons are expendable tools. (See my two-part ["Rothschild Conducts Red Symphony"](#))

Based on the archives of the powerful French Grand Orient Lodge, captured in June 1940 and later made public by the Russians, Lina details how Freemasonry has conspired for world domination and orchestrated all major revolutions and wars in the modern era. (Lina, p.332)

Masons, often Jewish, are responsible for communism, Zionism, socialism, liberalism (and feminism.) They love big government because it is the ultimate monopoly. "World government" (dictatorship) is the final trophy. This is the vision behind 9-11 and the "War on Terror."

These "world revolutionary" "progressive" movements all mirror Lucifer's rebellion against the laws of God and nature which is at the heart of Freemasonry. They ensnare millions of gullible idealists by promising a utopia based on materialism and "reason" and dedicated to "liberty, equality and fraternity," "public ownership" or some other idealistic sounding claptrap. It's called bait-and-switch.

According to Lina: "The primary aim of modern freemasonry is to build the New World Order, a spiritual Temple of Solomon, where non-members are nothing but slaves [and] ...where human beings would be sacrificed to Yahweh." (52)

Lina cites numerous Jewish sources that claim Freemasonry is based on Judaism and is "the executive political organ of the Jewish financial elite." (81-83)

The common goal of these Masonic inspired movements is to undermine race, religion, nation and family ("all collective forces except our own") by promoting social division, self indulgence and "tolerance" i.e. miscegenation, atheism, nihilism, global-ism, sexual "liberation" and homosexuality thereby reducing humanity to a uniform dysfunctional and malleable mush.

Lina and others who attempt to alert humanity to its real condition are routinely slandered as anti-Semitic, fascist, and right wing "haters" by people indirectly employed by the bankers.

This tactic shields the conspirators from scrutiny and makes discussion of our grim predicament impossible.

I am a Jew. I am not part of this banking monopoly, nor is the majority of Jews. By way of analogy, the mafia is considered mostly Italian but most Italians do not belong to the mafia.

Italians don't viciously attack opponents of organized crime and call them "racists" and "hate mongers". That would look awfully suspicious. Jews compromise themselves by their defence of the Masonic bankers and their perverse vision for humanity.

My four grandparents perished in the Jewish holocaust. I demand to know the real reason they were murdered. London-based Masonic bankers and their cronies brought Hitler to power in order to provoke war, control Stalin, and justify the creation of Israel. [They betrayed non-Zionist Jews and let them perish.](#) They are using the Jewish people in the same way they use the Masons.

THE ILLUMINIST CONSPIRACY

We cannot understand the modern world unless we appreciate that it is the result of the Masonic conspiracy. People scoff yet the evidence stares them in the face every day.

The Great Seal of the United States on every dollar bill is a Masonic symbol. There are 33 steps on the side of the pyramid representing the 33 degrees of Freemasonry. The Masons established the United States as a base to advance their goal of world supremacy.

Similarly, the emblem of the United Nations is also a Masonic symbol. The world is caught in a grid consisting of 33 spaces surrounded by acacia leaves, which signifies intense activity in masonry.

Three-quarters of US presidents in the Twentieth Century were high-level Masons. Both Bush and Kerry are Masons (Skull and Bones.) FDR, Churchill, Lenin, Trotsky and Stalin were masons. Most Zionist leaders were and are Masons. Gerhard Schroeder, Jacques Chirac and Tony Blair are Freemasons. So is Sadaam Hussein, which suggests the Iraq war could be a sadistic charade.

There are over six-million Masons in 32,000 lodges around the world including 2.5 million in the US. In 1929, 67% of Members of Congress were Masons. There are 360,000 Masons in England. More than [five per cent](#) of British judges are Masons.

Lina believes, "Freemasonry plays the same role in Western society as the Communist Party did in the Soviet Union. Without belonging to the freemasonry there is no chance of a fast career, regardless of how talented one is."

Keep in mind that Communism was a Masonic enterprize and the puzzle starts to take shape.

Lina says Freemasons not only control politics but also virtually every sector of Western society, including science and culture. "The present cultural life has become virtually unconscious," he writes. "We have witnessed the beginning of cultural senility." (333)

In his pamphlet "The Open Conspiracy: Blueprint for a World Revolution" (1929) the Freemason H.G. Wells describes an "open secret society" consisting of society's leading men operating as a

hidden force to secure world resources, reduce population through war and replace the nation state with world dictatorship. (340)

MASONIC IDEOLOGY

Human beings are naturally attracted to good and repulsed by evil. Thus evil always represents itself as good. To the public, and its own lower ranks, Freemasonry pretends to be dedicated to "making good men better", humanism, tolerance, Christianity and you-name-it.

If this were true, would they have to extract vows of secrecy from members on pain of slitting their throat? Would they have been condemned by many Popes and banned from numerous countries? (84)

I do not wish to impugn the many good and decent men in the lower "Blue Degrees" who are unaware of Freemasonry's true function and character. But there is abundant evidence and testimony that Freemasonry is a satanic cult dedicated to the worship of death. (134-138)

For example, when the Italian Grand Orient Lodge was evicted from the Palazzio Bourghese in Rome in 1893, the owner found a shrine dedicated to Satan. The Italian freemasons published a newspaper in the 1880's where they admitted time and again, "Our leader is Satan!" (135)

The Masons also admit to having a revolutionary political agenda. Typical of statements Lina cites from Masonic publications is the following from a German magazine in 1910: "The driving thought is at all times focused on destruction and annihilation, because the power of this great secret society can only rise from the ruins of the existing order of society." (272)

CONCLUSION

The Illuminist Conspiracy is the brake responsible for humanity's arrested development. Mankind resembles a person suffering from a serious disease and sinking into a coma.

Juri Lina has written a courageous book to revive us. He says we face "the largest spiritual crisis in the history of mankind... They have taken our history, our dignity, our wisdom and our honor, sense of responsibility, spiritual insights and our traditions."

We are partly to blame, he says: "We have failed to act against the Masonic madness due to our enormous gullibility. We have been totally fooled and ignored the warning signals." (274)

He ends on a hopeful note, saying evil is dysfunctional and inevitably destroys itself. "Freemasonry carries within it the seeds of its own destruction." (563)

Wars, revolutions and depressions are all part of a "revolutionary" process designed to frogmarch humanity to "world government" under the rubric of Freemasonry which may be a surrogate for an alliance of occult Jewish and gentile financial elites. Their "self-destruction" seems to be our best hope since the public is too feckless and weak to resist.

Architects of Deception can be purchased for US\$50 by emailing Jyri Lina: jyriлина@yahoo.com

The book also contains many gossipy nuggets such as Hitler had a son; Lenin was a homosexual; Castro is Jewish and a multimillionaire; and Henry Kissinger was/is a Soviet agent! He says the Mormons, Jehovah Witnesses, Rotary and Lions Clubs were founded by Masons.

THE DAILY EXPRESS - 'WHO ARE THE ILLUMINATI?'

By Joseph Skelton of <http://www.cremationofcare.com>

On 27th October 2005, the UK's Daily Express newspaper published an article entitled 'Who are the Illuminati' which for the most part was a hit-piece on anyone who talks about the secret society network pushing forward the New World Order.

Again we saw an admission that 'yes - the illuminati does exist... but your a kook to talk about it... the guys running the show mean you no harm... don't have nightmares children...!'

...or books alleging that the Illuminati come from some distant planet and appear on Earth as shape-shifting reptiles that are ruling the world. More worryingly, some extreme Right-wing groups in the US use their fears of the Illuminati as an excuse for hate crimes. Believing that the Illuminati are planning to enslave the American public they advocate illegal means to defend themselves. For them the Illuminati is represented by anything, or anyone, foreign. This incarnation of the Illuminati is the unpleasant result of a long history of fear of the "other", which can be traced back to the Twenties and the anti-Semitic works of Webster in Britain and car magnate Henry Ford in the US. So who are the Illuminati? They are no one but throughout history they appear time and again as the idea of our worst fears. Looking at history through the lens of the Illuminati reveals much about the nature of fear itself. And it seems, judging by the number of theories about the Illuminati today, we are afraid of a lot. But, then again, maybe we have reason to be...

And yet again we saw the same usual links to the same old guilt by association stereotypes - 'New-age guru David Icke believes in the Illuminati - and he says that they are shape shifting lizards... the far right have embraced the conspiracy theories - and they are all evil hate criminals for doing so'.

And what hit piece would be complete without the good old 'anti-Semitic' charge so popular with the anti-anti-new world order movement?

What is a dumbed down 'sheeple person' to believe. To all those who have swallowed such tripe through the media, I can see why you find those such as myself and others crazy.

This kind of journalism is mostly done for its popularity response from the public - i.e. its entertainment value rather than its informative potential.

Basically it is quicker and easier to do a hit piece than it is to really get into the nitty-gritty detail. The writer(s) did attempt to go into some detail, but again it was the usual stuff about Adam Weishaupt and the 'Bavarian Illuminati' founded in 1776.

The writer(s) did attempt to go into some detail, but again it was the usual stuff about Adam Weishaupt and the 'Bavarian Illuminati' founded in 1776.

My own personal stance on this is that the 'Bavarian Illuminati' - although elite - did not entirely embody the Illuminati network.

Weishaupt's organisation was only one branch and it is only the grandness of the title that causes this false myth - which the article in question did little to dispel.

All in all, this was an admission on the part of the mainstream media that the Illuminati is a very real network, but as we have seen all too many times before, the reporting descended into the traditional hit-piece with undertones of 'beware of the evil conspiracy theories'!

...What a pity!

[JRS - Joseph Skelton, UK]

(continued...)

This book focuses in on one angle of the Illuminati's methodology within their overall Conspiracy to dominate the whole world: their use of occult and specific numerology in architecting the events of what we have formerly known as 'history' . It proves that case that the timing of major terror events are decided beforehand by a secretive group that controls our governments all around the world ; no matter if Bill Gates is currently going along with it or not. He is going along with the lie the elite use to hide themselves and fortunes stating he is the richest man on the planet. There are dozens of other books and films that go into more detail from the many other angles of the overall Illuminati NeoConspiracy called a "New World Order". Many can be located through Alex Jones' www.infowars.com and www.jackblood.com

The Illuminati

There are lots of definitions all over the internet about the secretive class of elitists that have recently referred to their own selves as 'illuminati'. Both George Bush's serve the interests of The Illuminati. However we can just call them 'mastodonicly wealthy individuals' or 'international bankers' or simply the 'money power' or 'the war starters'. They are the Earth's greedy power hungry royal bloodlines serving their King, Satan, or in the trenches of freemasonry their god is referred to as "Lucifer".

'Illustrious' Manley Palmer Hall 33°

The Lost Keys Of Freemasonry : "When The Mason learns that the Key to the warrior on the block is the proper application of the dynamo of living power, he has learned the Mystery of his Craft. The seething energies of Lucifer are in his hands and before he may step onward and upward, he must prove his ability to properly apply this energy." page 48

In an attempt to document the origins of a secret organization which has evolved into a mastodonic nightmare, successfully creating and controlling a shadow government that supercedes several national governments, and in whose hands now lay the destiny of the world, one must carefully retrace its history. The lengths to which this organization has gone to create the political machinery, and influence public sentiment to the degree necessary to propel its self-perpetuating prophecy, are, quite frankly, mind boggling. Yet the facts provide for the undeniable truth of its existence.

The cult of the Illuminati was created in Europe along with America on May 1st, 1776, prior to the first "Independence Day" in America.

However, that holiday will likely go down in history as "InDeception Day" as that is what it has amounted to since.

The trick was that America was to be told it was free, but when hijacked financially would eventually lead to the international banker's of the City of London plan for world domination. Adam Weishaupt, the illuminati's "George Washington", was actually formed a 'pen-pal' relationship with Thomas Jefferson hundreds of years ago. In his writings George Washington was actually quite "satisfisied" in the fact of the existence of the Illuminati. The fact is these personages are real and they exist and breathe air such as you and have for a long time, but they wish to stay out of the public's field of view and control things today to keep up that public perception of political and economic invisibility. They have contempt for the common man and refer to themselves as 'elites'. George Bush II refers to them as "my bankers".

(continued...)

George Washington and others of the era apparently did little to reinforce who humankind's true enemy is although he was keenly aware of them: the ruling elite European bloodline bankers and financeers of the world's economies throughout Europe as it was not expressly made clear in the United States People's original Constitution.

Ben Franklin and other patriots of the time took some personal measures to prevent the European Bank's takeover in that era, but more importantly, the Merchants of Debt were not clearly prohibited from interfering with the absolute Right of every US citizen: man, woman and child, to pursue a life of freedom and happiness - as it was this idea that was generally sketched into the US Constitution and Bill of Rights. No clear protection from the scamming international octopus of privately run money monopolies and debt financing, that hijacked this country several times in her history, and lastly in 1913 with the big banker's Federal Reserve Act. However, they lied then as they do now. It's not Federal, and their paper money has no Reserve. The Federal Reserve is as federal as Federal Express; they are both privately owned corporations, but the Federal Reserve is more privately owned.

Samples of how the Ruling Elite Illuminati have celebrated "anniversaries" of some Key Events through "History":

OCCULT NUMEROLOGY IN TIMING EVENTS OF TERRORISM

'The Architecture of History' - An Essay by Eric Rainbolt

There is the real hidden historical code and it is not the Davinci code. You be the judge.

Is the title of this report intriguing for you to consider taking the time to read? Could "history" possibly not be 'accidental' but rather 'concocted'? Is the world seeming crazy enough yet for you to seek answers other than what the television will tell you? Could a cabal of [20]Luciferian Freemasons in power over the major governments of the world be setting the 'timing' of terror events? Could a small group of hidden financeers be playing all of humanity like a deck of cards? All the evidence points unmistakably to 'yes'. This is what this frightening report will summarize for everyone.

[21]Freemasonry is the world's largest semi-secret society with millions in its membership roles. However, there is a hierarchy resembling a [22]pyramid within the world-wide organization.

There are two sects of Freemasonry known as the York Rite (that has "9" degrees of secrecy) and the Scottish Rite (which has "33" public degrees of secrecy).

Masons are very prideful. Any of them will tell you that most presidents have been either 32 or 33 degree Freemasons. Bush I and II and their COO, VP Cheney, are all 33rd degree Freemasons. The UK's Tony Blair is a 33rd degree Freemason, as is Vladimir Putin, Mikhail Gorbachev, Ariel Sharon, and the list goes on and on...

Even NY Mayor Rudy Giuliani was [23]knighted into the Masonic order by the Queen of England on Feb "13"th, 2002 for his role in 9-11.

The origin of Freemasonry goes back to "1111"AD where "9" European separatists declared themselves the "[24]Knights Templar". This is why the numbers in the date "9"- "11" are so important to the powers that be. For instance, they celebrated the [25]groundbreaking of the Pentagon on "September 11th", 1941.

On the anniversary of that 60 years later elite Freemasons architected the events of 9-11-2001 so they could operate a war between the East and West, between the Christian world and the Muslim world for world domination. It turns out the "Holy Roman Empire" never fell; they are still at it. The "Fourth Reich" as it is seen has been assuming power on a global scale.

They like to celebrate anniversaries of their control over 'history'. For instance, Bush's dad gave a speech on September 11th, 1990 when he was president in front of the congress. He stated "Out of these troubled times, our 5th objective, a New World Order, can emerge." "11" years to the morning from that date 9-11-2001 occurred with the first airliner, Flight "11", hitting the North Tower at 11 minutes to 9am.

They are particularly fond of the number "11". They use that most often. They think by using the number 11 that it gives them more power over humankind. They are that freakish.

Bush I delivered a speech in front of the United Nations on 2/1/1992 where he stated: "Americans will soon pledge their allegiance to the sacred principles enshrined in the United Nation's charter." On the morning of the "11"th anniversary of that speech, they celebrated their control over world events by sacrificing the Columbia STS 107 Space Shuttle over Dallas, which is on the "33rd" parallel. [26]Dick Cheney was conveniently in Dallas that morning to see the comet come in. It was an intentional ritual sacrifice of the shuttle. These are the unmistakable facts of 'history'.

Freemasons are very prideful architects. They are a very influential group in modern day building architecture. They like to use certain mathematical principles, such as [27]Euclid's "47th" proposition. They also stick to using their sacred number set wherever they can (**3,7,"11",13 (and multiples of those),19,47,93, and 111**). They use those numbers in architecting Masonic lodges, corporate buildings, and "history".

This control over 'history' is real high level stuff of course. For instance the popular president [28]JFK, not a Freemason but from the billionaire Kennedy family, didn't even seem to be aware of this type of power and manipulation while he was President.

For instance, the hidden money power of the world wished to create a lot of fear in the world. For "13" days, they made it seem like Russia and the US were going to bomb each other with nuclear weapons; known as the "13 Days of October" or the "Cuban Missile Crisis." In the middle of that staged conflict, on 10/"22"/1962(2x11=22) [29]they put JFK on world TV to deliver a speech. Soon after that, the illuminati had the Russian government remove the nuclear missile sites from Cuba. The "Cold War" continued; trillions of taxpayer's money was spent on militaries and bombs over the next decades - on both sides of the world.

However, since JFK was going against the grain of the illuminati bankers, they set up his assassination exactly "13" months later from his world televised speech. He was taken out in Dallas on the "33"rd parallel on "11"/"22"/1963. ("22" is a multiple of "11", as is "33" - the highest degree in Scottish Rite Freemasonry.) Simply stated, this was a Freemasonic ritual assassination.

The "Architects of History" are not public figures. The American government is just a bunch of puppets of the London financiers, who call themselves the 'illuminati'. They finance the 'establishment' with paper money they assume the rights to print out-of-thin-air. They put in puppet governments, such as the Bush regime, to do their dirty work and deliver their propaganda to the public for them. The international banking elite have simply taken the American flag over time and used it as their gang symbol. The US government is a branch of the Freemason steeped [30]London monarchy as much as Tony Blair's puppet government in the UK. The London banks have always secretly controlled America, even since 1776, the year of so called American "independence"; also the year Adam Weishaupt's secretive Order of the 'Illuminati' formed in opposition in Europe.

This is strange to find out because they have never wanted to reveal how the world is really operated to masses of the American people, especially since their banking organization hijacked America's currency in 1913 with the [31]corrupt Federal Reserve Act. In 19"33" the masons controlling the US government put [32]their symbolism all over the back of the US 1 note. They control the monopoly board by issuing their paper monopoly money. It costs them as much to print a 20 US note as a 1 US note, a few copper cents. "The Fed" bank prints up as much as they secretly decide on. They lend it to the US so Americans can have money to pass around in order to have commerce. They draw 'interest' of all the money they print and loan out. That's why it is called a Federal Reserve "Note". It is not money backed by Reserves - it is simply a loan, a paper "IOU", based only on the credit of the US government! (which is not credit-worthy by the way.)

Their puppet Greenspan [33]announces if it is going to cost more or less to borrow money from the Fed Bank. It's just a giant privately run scam. [34]Economists have been writing books exposing the monstrous fraud for decades. People still seem not to care. They must think the billionaire Freemasons and the trillionaire illuminati devil worshipping international bankers running the world's finances are going to take care of them and their children and so forth. They must think they will one day stop [35]terrorizing ordinary people, [36]creating wars, and not crash the economies of the world to cash in like they did during the "[37]Great Depression", or try to put the military on the streets of America under "[38]Martial Law".

However, they are currently setting it all up. 9-11 created a world again at war and more centralized federal power over all the American people. [39]"3/11"/2004 in Madrid they killed (1)9(1) more people to set up more police power over the people in Spain. (3x11="33" - the Freemasons are so prideful they have to 'sign' all their

bombings.) Also, [40]"3/11"/1985 was the "19th" anniversary of the inauguration of "33"rd degree Freemason Mikhail Gorbachev. 5 months after he oversaw the [41]Berlin Wall fall on "11"-9"-1989, he publicly stated:

"[42]We are only beginning to shape the New World Order."

[43]The London 7/7 bombings (7x11) {Like flight "77" on 9-11} gave the Crown more police power over the people of Europe. They next [44]bombed Egyptians on 7/"22" killing "88" (8x11") Amazingly they [45]signaled the timing of the that event by jamming/slowing the London Big Ben clock on 5/27/2005 for the "13" minutes between "22:07" and 22:20. Europeans write the date for July 22nd, 2005 as "22/7".

Recently, the bombs in Bali Indonesia have their "33" signature on it too. First, a bomb went off in [46]Bali 1 year, 1 month, and 1 day after 9-11 (that's a "111" sequence), on 10/12/2002.

"11" days before the "3rd" anniversary of that first bombing [47]they killed more Indonesians on October 1st, 2005.

Could the timing of all these major terror events just be "33" coincidences? Obviously not. It would be against billion to 1 odds or greater. Also that would be excluding [48]all the other evidence that is out there explaining that this is happening.

The [49]ebook Revelation 9-11 {Now renamed "The Architecture of History"} available at <http://www.threeworldwars.com/occult.htm> contains hundreds of more examples of freemasonic control and intrigue throughout 'history'. The past should really be called "their story". What are we going to call the future once it has also past?

Here. If you are still not convinced: on the 1st anniversary of 9-11 they made the [50]NY city lottery balls come up "911" and the [51]Chicago S&P futures exchange index come up "911.00".

That's impossible to both happen on the 1st anniversary of 9-11, but they were pridefully boasting "We did it!", "We have this much power and control over all of you." "We control not only the TV and Hollywood, but lotteries, and stock exchange indexes too!" That's how they have dropped their hints apparently to help shed their guilt amongst themselves.

On the 6th month anniversary of 9-11, they put "88" (8x11) flood-lamps where the buildings used to be. [52]They made a giant "11" again from March "11th" to April "13th", 2002 for "33" nights. They turned the lights off each night at "11pm".

The Freemasonic illuminists were only showing off; certainly not mourning with the rest of the world who naturally perceived the situation differently.

All these are the facts of 'history'. George Orwell who wrote "1984" stated "Who controls the past controls the present. Who controls the present controls the future." The Democratic and Republican parties are all just used car sales teams to the American people, selling lemon after lemon - while keeping quiet about the intentions of their [53]dark overlords.

People need to understand a 1 US Federal Reserve (actually not Federal, no Reserve folks) Note is just like a stock certificate. It only has "perceived" value and the value of it may go up & down. They issue more notes or 'currency stock' at any time. The more money they print up, the more the value of every dollar goes down as it filters about. They plan on soon crashing the US note, and replacing it with the "[54]Amero", like the Euro, when they financially rig all the American countries from Canada to Chile, under 1 illuminati privately run central bank. They plan to send more non-thinking American soldiers to war with dissenting countries like [55]Venezuela first.

First, they want to provide a cover for their intended financial crash. That is why they are soon going to be [56]releasing deadly influenza plagues on the populations. Soon you will be hearing [57]Bush talk about military run 'quarantines' and 'martial law' to contain the outbreak. However, this will only give them more control over

[58]spreading the outbreak and imprisoning all the American people while at the same time providing cover for the coming illuminati Fed Bank crash of the American economy and currency. They intend on [59]forcing mandatory 'vaccinations' against the 'bird flu', which is loaded with the toxic and carcinogenic mercury(Hg) preservative [60]Thimiserol. An internal passport will be required to travel.

People will be ordered to take the toxic vaccinations to receive their national-id cards, or microchip implant.

When inoculations are mandatory, this gives them control to selectively infect the population through the vaccine mechanism itself, by SSN number. The CDC is also run by high-level Freemason insiders. For instance on 11/11/04 (the same day they assassinated the Palestinian leader "Yaser Arafat" at "3:30am) the [61]UN's World Health Organization (W.H.O.) met to discuss the coming world flu pandemic. "3" months and "11" days later on 2/"22"/05, the [62]CDC released an announcement that the pandemic flu will be coming to America.

The government is now trying to scare everyone with H5N1-influenza 'bird flu' but the insiders will be releasing the much more deadly and contagious [63]H1N1-influenza (the 1918 "Spanish Flu" pandemic variety which they have in stock) either in the vaccines or another deceptive method.

They are also planning to increase the [64]toxic sodium fluoride levels in the public's tap water to make them more dumb and lethargic. This is how criminal the 'system' is. Former presidents like Eisenhower, [65]warned us of such things about the Military-Industrial complex, as these issues, during his departure speech. The American people did not listen to him or heed his warning - for if they did the world would be a much happier place now.

High-degree Freemasons are not the only terrorist organization of the world but they are certainly friends with any others. A Russian dictator, [66]Vladimir Lenin, once said "Terror is not a thing, it is a technique, and the essence of our rule." Now it has reached a global scale.

Freemasons are the "Architects of History" and the "New World Order/Fourth Reich" world dictatorship. There are only two possible solutions. 1) The American people reform a legitimate and constitutional government by routing out all the criminals; impeaching all the three branches. A person like Alex Jones of [67]prisonplanet.com can free the people and help lead to the way to lock up the bandits. Any bum off the street would be more honest than the crime lords and master liars operating the current government. 2) The other solution is to believe in the Second Coming of Jesus Christ as prophecy is being fulfilled daily and look forward to the Eternal God's Kingdom on Earth.

Which one will you believe and put for effort in - or both? Or do you like the current established oligarchy of lying criminals and are you one of them and if you are one of them, will you be saved?

If you are not one of them, then the best thing you can do right now is to now share this report with all others around you; so the public 'knows thy enemy'. They wish to harm you and your family. They wish to continue to bring death and destruction to the world. The kings of this world serve the "angel of the bottomless pit" as expressed in Revelation 9:11. Your soul is being tested spiritually.

Whatever you choose to do, don't just sit there unless you need to re-read the above for it to become crystal clear. Pick any fact listed and verify it online. You will see that all of it is indeed true. Do you think you are safer with less people knowing about this? Choose to work on the side of truth, goodness, and love rather than lies, fascism, and tyranny. These are the facts of history. The author didn't make them up, the establishment elite throughout history did.

Here are more examples over 'history':

On April "19th", 1775 at the the Battle of Lexington and Concord British General Thomas Gage attempts to confiscate American colonists' firearms. The British are driven back to Boston, Massachusetts. The American Revolutionary War begins . On another April "19th", in 1943, World War II German troops enter the Warsaw ghetto to round up the remaining Jews, starting the Warsaw Ghetto Uprising . So on the 218th and 50th anniversaries of these events we have April "19th" 1993 in WACO Texas - a state raid/purge of a non-establishment religious assemblage in a fiery maelstrom on American soil where 81 men, women, and children are burnt to death because they had assembled in a church of their faith. International troops are used. It was an entirely illuminati engineered operation.

2 year later, on the August "19th", 1995 Federal conspirators detonate bombs inside and 1 outside the Oklahoma City Murrah building in which covert army agent/operative Tim McVeigh serves his 'duty' as a patsy. By the numerics used throughout the entire coverup during McVeighs 5 year string or trials - it became clearly signed as an illuminati operation from beginning to end.

On "September 11th", 1941 the groundbreaking ceremonies of the Pentagon (modeled after the inside of a satanic five pointed pentagram symbol) were held. On the 30th anniversary of that event on "September 11th", 1971, the USSR's deposed leader Nikita Khrushchev died a mysterious death under house arrest (most likely assassinated at a certain time). So September 11th, 2001 became the 30th anniversary of this event in illuminati controlled Soviet politics and the 60th anniversary of the groundbreaking of the Pentagon. (The Pentagon was built in that form as it is the inside of a pentagram symbol.)

1 year later on "September 11th", the world was introduced to terrorism at the 1972 Munich Olympic Games. There were 121 participating countries (11x11=121), and 11 Israeli athletes were killed in the events that occurred on 9/11/1972. Exactly 29 years (2+9="11") after this terrorist horror ended, a more despicable horror occurred, the September 11th, 2001 illuminati staged inside job "terror attack". The following year on "September 11th", 1971 Chilean President Salvador Allende is killed in a brutal, violent military coup led by General Augusto Pinochet. Henry Kissinger was strongly implicated in this attack, and if he were to ever stand trial in an International Court, he would be charged with masterminding this coup and ordering the assassination of Allende. ["The Latest Kissinger Outrage: Why is a proven liar and wanted man in charge of the 9/11 investigation?", by Christopher Hitchens,

11/27/2002.] 28 years later, Mr. Kissinger helped mastermind a more horrendous attack on 9/11/01.

On April " 11th", 1990, Mikhail Gorbachev was quoted as saying " We are only beginning to shape the New World Order. " (He became the Soviet leader on March " 11th", 1985 - exactly " 19" years to the day of the Madrid Blast on 3/ 11/04 which killed "191" European travellers! This was how the illuminati terror masterminds celebrated the 19th anniversary of Gorbachev's inauguration and Gorby knew it!)

Exactly 5 months after Mikhail's statement and on the " 19th" anniversary of Khrushchev's assassination, and the 49th (7x7) anniversary of the Pentagon construction, on September "11th", 1990 George Bush I, as president at that time in a speech he entitled "Toward a New World" boldly stated: " What is at stake is more that one country [meaning the United States of America!], it is a New World Order, where diverse nations are brought together in common cause to reach the aspirations of mankind... " Yes, he stated this on " 9/11/1990!!! Bush I was reminding the congressional country club of their intrinsic allegiance to the overall plan of soon forming a "one world government" at the expense and wholesale slaughter of billions of innocent freedom loving people around the world - including 150-200 million Americans; a worldwide holocaust first to begin with America's destruction !

Then 1-1/2 years later he said in front of the UN: " It is the sacred principles enshrined in the United Nations charter to which the American people will henceforth pledge their allegiance. " - Bush I addressing the General Assembly of the U.N., February 1st, (2+1="3") 1992. Exactly " 11" years to the day of this speech the special UN Space Shuttle mission Columbia Flight STS 10" 7" was sacrificed coming in above the 33rd degree parallel. Dick Cheney was out in a field hunting that morning in Dallas Texas right under it. (quite obviously so he could see the smoke of it in full view as it occurred.)

"6" months after 9/11/01, from March " 11th", 2002 to April " 13th" the WTC center is 'illuminated' with "88"(8x11) floodlights making the world's tallest " 11" for "33"(3x11) nights!!!!!! Freemasons who serve and worship the illuminati love the number 33 - it is their highest 'degree'. The lights are programmed to go on at " 6:30 and off at " 11":00pm. This is an example of glaring illuminati arrogance ! (Also see event collage in the appendices for more timeline events in pictures.)

" Single acts of tyranny may be ascribed to accidental opinion of the day; but a Series of oppressions, begun at a distinguished period, and pursued unalterably through every change of ministers (administrations) plainly PROVES a deliberate, systematic plan of reducing us to slavery. " - Thomas Jefferson, referring to the future of the Illuminati

Perhaps just skip the next 2 Chapters and go into the Architecture of History Exposition in Chapter 3 and 4.

Dear Friends around the world,

If you are easily bothered by what could be realized as startling information, then it probably would be best if you pass this report up. With the truth presented here being stranger than any work of fiction, the result may be that the reader never views the nightly "news" or current establishment "history" books the same way again. Instead, those who come to understand this may be more inclined to paste 'peel & stick' arrows on their televisions with the words "liar-->" or "teleprompt reader-->" on them, or perhaps shoot suction cup tipped plastic darts with the word "repent" written on the side and see if they can peg 'Peter Jennings' or 'Walter Cronkite' or 'Barbara Walters' squarely in the center of their foreheads as they attempt to coax the remainder of the herd into **continued bloodshed and United Nations world governance** . The paper recycling industry might undergo an unexpected boon as people throw their old college 'history' books or { Rockefeller group published } 'Encyclopedia Britannicas' or 'Warren Buffet' investment advice books in large waste buckets for roadside pickup. This report proves We have *all* been massively lied-to/manipulated for a score of decades by elite individuals.

On September 11th, 2001 two great symbols of American power were attacked in a way that was spectacular to say the least. Whether you are young or old, black or white, male or female, images from that day will undoubtedly stay with you forever. But despite the almost universal familiarity of this event, few people understand its staggering, unprecedented importance. As indelible a memory as 9/11 may have cast, its true significance is literally out of this world .

REVELATION 9:11 : " And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon. "(KJV) The implies whole world is the Devils' Theatre, which it is - as I John 5:9 states that " the whole world is control of the evil one. " as well.

The occult illuminati are real. They even have a network of devil worshipping websites:

The Illuminati now give awards to militaries: "Navy E-Learning Captures 2003 **Illuminati** Award"
See: http://www.news.navy.mil/search/display.asp?story_id=6636

The use of their numerology exposed in the remainder of this book is absolutely **mindblowing** . It is a wonder to this researcher that this has not been clearly seen before by those working outside the realm of the evident Conspiracy. Clearly The Father in heaven has wished it to *now* be seen and detailed in report(s) such as this with His Blessing and by His Will.

This report will shine light on the following startling fact. America has been run like a **privately owned and managed corporation** since the illuminati international bankers hijacked the American people's money supply in 1913 with the deceptive **Federal Reserve Act** . This money scam has produced an international clan of powerful multi-trillionaire families.

This is in part how the illuminati control the world; being the power behind the UN.

Bush Jr. is only a mid-level manager *for them*, not The People.

He has been groomed. His assignment is to **lie** to the world's people and jack-up the police state in America. That is what is happening; for Americans will soon be revolting in the streets. The Bush administration allows for and helps terrorism to occur around the world, including onto America, on behalf of an international corporation run generationally by a roundtable of devil worshipping financial overlords. These dark overlords are planning more horrible events: smallpox, deadly influenza plagues and possibly nuclear explosions in America and other places in the world, to coax and force the world into a world government continuously operated by **them**; while The People are to be held continuously deceived.

When the next set of larger events occur; then likely most people will begin to care to be more aware. Cable-tv 'news' will be increasingly exposed as regionalized propaganda arms of national governments and militaries - and increasingly avoided. Football, baseball, soccer, and basketball games will shift, at least temporarily, from being perceived as mass attractions to mass distractions. Knowledge-filled reports like this will get read and distributed at greater rates by greater numbers; hopefully causing an unstoppable convergence within the global community upon this truth. Lastly, political and monetary reformation will be demanded and uncompromised, elected, 1-term only, state governors will be sought by The People around the world. Those in the know should hope so.

As of the start of year 2005 however, The People of the world still are under the influence (delusional 'spell') of a **satanically engineered 'historical' timeline**. This is shocking, almost unbelievable, but true. This report proves that fact. The evidence here highly suggests the next series of horrible events to be witnessed this year and possibly the next have already been planned out. **The dates and times to which will occur will have an occult numerological significance to our hidden freemasonic illuminati international banking elite sponsored devil worshipping governors/controllers; such as the Rothschild dynasty.**

For recent photos of some of the more prominent or famous players/actors in this widespread Conspiracy against mankind see:

(please take the time right now to examine these photos of them displaying the sign of the devil.)

Currently, most people of the whole world are the unsuspecting audience of this stage-managed devilish delusion. Each person only has varying headstrong opinions on how the world is being operated, from mainstream views dictated by the illuminati/CIA controlled establishment mass media (truly a constant stream of manipulative lies), to those who understand the hidden conspiratorial details of what this report will disclose to those who will open their mind to this new revelation in knowledge.

This report exposes a current revolution being engineered and deceptively taking place over recent years to overthrow the once constitutionally framed Republic of the United States of America and force a world government run by multi-trillionaire elites, big business, and political fascism on the people of the whole world.

Just like Vladimir Lenin used terrorism to gain power over the Russian people many decades ago, the **communist illuminati bankers** have been sponsoring terrorism and warfare in every country around the entire world: Israel, Palestine, America, Iraq, Iran, England, Egypt, Indonesia etc... all are not immune/protected. They like to destabilize areas, incite **fear** and **hatred** in the populations against each other and create "Order out of **Chaos**". They practice **political terror** around the world. They fund groups such as Hamas, and finance and control all the intelligence agencies and the media to have the blame layed on others, erase the illuminati from the public's perception, and generate **propaganda** to control the minds of all sides except those who are aware of them - and there are already millions in the general public who are aware today.

If your mind is open to possibly seeing an unconventional high level view of our world history, then please research the facts stated in this report yourself . If you would be sufficiently convinced what is detailed in books such as this has been occurring, then do things to help inform all others for the sake of truth, life, liberty and the pursuit of justice for all in the world . Send this information/ebook over the internet, print it, make copies, meet together.

" Experience hath shewn, that even under the best forms [of government] those entrusted with power have, in time, and by slow operations, perverted it into **tyranny**. What country can preserve its liberties if its rulers are not warned from time to time that their people preserve the spirit of resistance? " - Thomas Jefferson

" I see in the near future a crisis approaching that unnerves me and causes me to tremble for the safety of my country. As a result of the war, corporations have been enthroned and an era of corruption in high places will follow, and the money power of the country will endeavour to prolong its reign by working upon the prejudices of the people until all wealth is aggregated in a few hands and the Republic is DESTROYED. " - Former US President Abraham Lincoln, 1865

" Fascism should more appropriately be called Corporatism because it is a merger of State and corporate power. " - Benito Mussolini, Former Italian Dictator

If you are wise to care to know why the world often goes to hell again every generation or two, the reason is accurately explained here. And you may care to know what that statement on the back of every American Dollar " **Annuit Coeptis Novus Ordo Seclorum** " really means. It basically means the end of the world as you have grown to know it all your life. It translates from Latin into " **Announcing the Conquest of the Secular New World** ". (That literally means a world without sincere recognition of the *true* God the Father!) How patently obvious the scheme of the ruling elite truly is! The American money system, the " **Federal Reserve** " was designed by the wealthiest and most powerful of this world as the largest of financial scams known to mankind. Sadly, the name itself was crafted as a lie. This is a private affair, the bank that prints the paper American money is *not* 'Federal', and there is *no* 'Reserve'. Each Federal Reserve Note is a paper **credit**. What a huge financial problem the USA is now left to face! Yes, indeed, these facts are hard to reckon; but group denial will get us nowhere new.

" I have unwittingly ruined my country. " - Woodrow Wilson, unwittingly said soon after signing the deceptive Federal Reserve Act into law over Christmas 1913.

" A great industrial nation is controlled by its system of credit. Our system of credit is concentrated. The growth of the nation and all of our activities are in the hands of a FEW men. We have come to be one of the worst ruled, one of the most completely CONTROLLED and dominated governments in the world no longer a government of free opinion, no longer a government by conviction and vote of the majority, but a government by the opinion and duress of SMALL groups of dominant men. " - Woodrow Wilson, "Campaign Speeches", 1912 (stated 1 year previous to the quotation above.) This is what he thought although he was controlled by the people he describes.

Yes, quite unfortunately, for any third-world citizen to middle-class American, the world has been deceptively controlled for over 100 years by a small elite clique of money and credit mafia who don't wish to be generally known, otherwise known as **illuminati kingpins** .

The following report is *not* groundless information based on speculative ideas. The following paragraphs describe the general unmistakable facts surrounding a **global revolution** being run by shadowy elite international bankers that has the stated objective to enslave every man, woman, and child (yes, even yourself!) permanently under the dictates of a one world 'hitlerian-style' **tyranny** as fast as they can ; where all forms of checks and balances preventing abuses of power against the People have been totally removed . How else can this be written or stated so that it may be actively recognized? This may be similar to Berlin Germany 1939 in all American neighborhoods in 2005/6/7/8/9! Perhaps this can be thought of as "King George's Revenge!".

Unfortunately for many, this is real and you will see the next act of it unfold in front of your very eyes, wherever you may be around the world, as there is no escaping from witnessing it unfold - until it is stopped. Please complete the reading of this report as We will all be safer with increased knowledge of how this nightmarish and prophetic plan has achieved its **roots**. This report shows the monstrous reality of it. It is truly time Americans unplug the cable going in the back of their TVs and support those telling them the truth, such as Alex Jones, and those listed in the Who's Who that this researcher has assembled.

" The Technetronic era involves the gradual appearance of a more CONTROLLED society. Such a society would be dominated by an ELITE, unrestrained by traditional values. " - Zbigniew Brzezinski, Advisor to 5 U.S. Presidents and Executive Director the Trilateral Commission. Quoted from the book "Between two Ages".

In simplest terms, this is a mounting global movement of the rich and powerful vs. the many, the poor, and the weak. History has reflected that society seems to never learn from it. At this hour, most people of the world are poor and in large credit debt (by the banker's design), they are intentionally "misinformed", and worse they are spiritually "fragmented"; yet slim minorities now clearly have amassed immense wealth through Machiavellian political control and deceptively large-scale financial trickery. This trend has been only continuing and the gap has been only widening. Through the illuminati's influences over international finance and culture the illuminati globalists have intentionally bankrupted, demoralized and in-effect conquered the world for Satan while most people have been psychologically duped by print and televised propaganda rather unsuspectingly.

So, if you add up the surpluses of all the nations and add up their debts, you will find out all the nations together are massively in debt! But to who? The answer is elite international banking

magnates of a mostly European based **blue-blood** aristocracy managing a worldwide monarchy of 'leaders' they continuously implant while only casting the '**perception**' of democracy' to the People! What ever happened to our concept of a **Republic** where perpetual inalienable rights are granted for all and government is held in check? To get around such ideas, our **bloodthirsty** hidden governors have (long-ago) managed to create a 'system' where they profit endlessly off the backs of the underclass, the common people; performed with most not even knowing or being concerned about it.

In short, the American Government has been quietly replaced by a land of dark occultic powers controlling masses of clueless people who are stumbling blindly behind a faulty leadership (of either the 2 primary parties) into a predictable morass of serfdom and slavery greater than the days of the Babylonian empire or that of ancient Rome.

Spiritually, there is a discernable spectrum across our society from light, that what wishes itself to be known to others, unto spiritual darkness, that what wishes to stay hidden from exposure. From a spiritual view, one end of the spectrum are found those who deeply know the truth prescribed in the gospels and biblical prophecy, who love the truth of Jesus Christ and strive to serve Him in their daily lives by obeying Our Father. On the other end of the spectrum are found those who deeply hate the serving of others, in their sin they only wish to ultimately serve themselves, and their dark master, known as: **Satan, Lucifer, the devil** . These are the **illuminati**; however, the illuminati have developed a temporary advantage for themselves, they control the world's money and **credit** system.

As the Bible repetively teaches: one end of the spectrum follows spiritual life; the other end of the spectrum follows spiritual death. There are a great many who know themselves to be flucuating somewhere in the middle of the spectrum, being sucked like gravity toward darkness by selfishness; by his/her own accord. The conspirators have been deriving a strong (temporary) power from the "**angel of the abyss** " to perform their diabolical deeds.

Back to the societal problem at hand: as millions of people have of late become have become aware, it is truly no secret or 'theory' anymore that handfuls of unelected and clandestine international bankers have been ruling the planetscape deceptively in the true form of a global aristocracy, shrouded in complete secrecy by the establishment mass media, and they are now actively engineering a **3rd World War** to usher in their vision for a "**New World Order**" global government. The illuminati have been meddling for a long time, since 1776 in fact, the first year America became 'independent'; they are still there .

This report was written because this one person felt that if The People are being lied to through their televisions year in and out, they at least deserve to be warned that they are being deceived ; how & why and the magnitude of it - what will only happen if everyone now decides to do little in advance to help shorten and overcome the absolutely horrible consequences that will assuredely occur later if little is done now. 6+ billion people are fooled/managed by a closet group of unelected elitists?

" Banking is conceived in iniquity and born in sin. Bankers own the earth. Take it away from them, but leave them the power to create money and control credit, and with the flick of a pen they will create enough money to buy it back again. **Take this great power away from the bankers** and all great fortunes like mine will disappear, and they ought to disappear, for this would be a better and happier world to live in. But if you want to continue the slaves of bankers and pay the cost of your slavery, let them continue to create money and to control credit. " - Sir Joseph Stamp, Banker

Perhaps most people will discredit any notion that they have been deceived and will read no farther into this. As capitalists-to-the-max themselves, they deeply relate and sympathize with the establishment and power elite and willingly lay their complete trust in them; often to the extent their compliance resembles an act of worship. There are many who see eye to eye with the global regime. In their starkly selfish sinful nature, they ardently only wish to turn a blind eye to the mounting tyranny and state-sponsored political terrorism actively being played out on their global neighbors.

They care not

How many there are who have such great confidence in their own opinions, who are ready to hazard their souls upon the truth of them, who have made up their minds on the most important and solemn of subjects. While under the influence of selfishness many enter the Christian church hugging the establishment's delusions, following the guidance and instruction of those who are perhaps as much under the dominion of an evil eye, as they are themselves, and whose mind is as full of darkness as their own. And thus they go on, unsuspectingly, while Christ has assured them in the most solemn manner, that if their eye is evil, their whole body is full of darkness. Still they believe it not. They have the highest confidence in their own opinions, and in the safety of their state; and thus rush on, with a kind of mad assurance, to the depths of hell.

Let us be reminded of this lesson that Jesus stated and left us with: "The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light; but if thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great is that darkness. No man can serve two masters. . . Ye cannot serve The Father and money." (Matthew 6:22-24)

Selfish minds are very willing to be led, by selfish ministers, as they naturally see eye to eye. Having similar experiences, they will naturally understand each other. A carnal church will naturally be pleased with a carnal minister. A carnal minister will not see the defects of a carnal church. And thus they will be able to walk together, because they are agreed.

Yes, there is a important distinction between a person who clearly sees the great evil mounting in this world, deeply wishing to warn others of it, and one who would delight in disregarding it repetitively until the next Monday night football game, shopping spree to the mall, or political convention. That is, until massive terrorism is unleashed on our global society by the global regime, and middle-class Americans also find themselves living under **martial law/big brother/foreign occupation conditions** themselves; where hopefully soon after, more souls of The People will be drawn towards the light rather than cling onto or try to hide in the spiritual darkness of how this world is being controlled by these conspiring and shadowy men.

Each person soon will have to choose between serving Our Father's Will vs. the will of "the system" - as one cannot serve both as clearly they are opposite in nature. Many will take the prophetic "**mark of the beast**" and sacrifice their souls eternally, and some will hold to their testimony of Jesus unto their physical, yet not spiritual, deaths as has already been written in scripture; Jesus knows everyone's hearts & minds and keeps all his promises.

" But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin. " (1 John 1:7) For further reading on this, this is recommended: http://www.libertytothecaptives.net/single_eye.html

Simply we must allow in the light of truth as a People and discover the horrible plans the global elite have had in mind (in advance of their continued murderous actions).

" We shall have World Government. whether or not we like it. The only Question is whether World Government will be achieved by conquest or consent. " - James Paul Warburg, Foreign agent for the Rothschild dynasty and Major Player in the Federal Reserve Act Scam / Feb. 17, 1950 speaking before the U.S. Senate.

Common sense states that we should not decide to repetively *procrastinate* group efforts of mass education until more devastating attacks are engineered and multiple American (and subsequently European) nations succumb to living under martial-law style military dictatorships through various decrees of 'executive orders' or the activation of previously signed EOs now dangerously laying in wait; many of the most damaging signed while the current president's father held the office. If so, information such as this book will likely become strongly censored by the establishment. In other words, the internet may be completely disabled by the elite (using a scapegoat terrorism excuse) and subsequently 'filtered' for so-called, although false, " national security " reasons. (Please see Executive Order listing below.)

Ephesians 5:11-16 : " And have no fellowship with the unfruitful works of darkness, but rather expose them. For it is a shame even to speak of those things in secret which are done of them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light. See then that ye walk circumspectly, not as fools, but as wise, redeeming the time, because the days are evil. "

" If the people only understood the rank injustice of our Money and Banking system, there would be a revolution before morning. " - Andrew Jackson

The wealthy ruling class is now obviously attempting to set the stage for a dramatically larger and more damaging world war that has already begun in Afghanistan and Iraq and other places (Iran and Syria are next on the hit list). They are the devilish executive roundtable of global political terrorism, the most devastating type of terrorism against The People that there is.

" Terrorism is the best political weapon for nothing drives people harder than a fear of sudden death. " - Adolf Hitler, Brutal War Mongering Dictator

It has been widely discovered by thousands of researchers, if not many millions, that September 11th, 2001 was an act of premeditated global political terrorism. Grant Wardlaw, an expert on terrorism, in his book ' Political Terrorism: Theory, Tactics, and Countermeasures ' defined 'political terrorism' as: " The use, or threat of use, of violence by an individual or a group, whether acting for or in opposition to established authority, when such action is designed to create extreme anxiety and/or fear inducing effects in a target group larger than the immediate victims for the purpose of coercing that group into acceding to the political demands of the perpetrators. "

Aside from the litany of unctuous lies that The People have been told to legitimize this war in the minds of the middle-class, there are solutions to the world's problems they are not willing to tell us about, notably inexhaustible energy breakthroughs such as Zero-point energy and Black Light Power:

<http://www.BlackLightPower.com> (Greater than Fire! 1200+ MPG!)

and UFO-grade lifting ("anti-gravitic") technologies that defy gravity and would eventually allow the common person to travel in 'levitating vehicles' to any point in the world - quickly. What could be a more horrifying picture for the secretive and hidden ruling elite to imagine than that? Surely, sharing a bottle of their finest wines at their private palacial estates with a common person is unquestionable by their incredibly selfish standards.

Chapter 1: The Conspiracy Behind the Stage

In 1976, Taylor Caldwell demonstrated in her summary of the Iron Mountain Report, the military genius of plans by Rothschild, Albert Pike and the World Revolutionary Movement, she wrote: "There will be no peace in the tormented world, only a PROGRAMMED and SYSTEMATIC series of wars and calamities -- until the PLOTTERS have gained their objective: an exhausted world, willing to submit to a planned Marxist economy, and total and meek enslavement -- in the name of peace." (Taylor Caldwell, Ceremony of the Innocent, p.289, Fawcett Books 1976; Leonard C. Lewin, Report From Iron Mountain On the Possibility and Desirability of Peace, 1967; Ralph Epperson, The Unseen Hand, 1985)

This major dilemma is barely perceivable for those in the middle-class to clearly understand because we have all been taught all our lives, through their influence, that our world works in a much different way than it is actually does. In other words: there is a BIG reason for everyone worldwide to understand *what is really going on* geo-politically, flown above our heads, albeit the greater truths presented here are difficult to see at first.

Yet upon the discovery of the facts stated below, why would any family or group of freedom-loving people continue to go ahead blindly trusting their 'federal' government on what they are now being told in the media; after so much has already been disclosed over the many years about the worsening character of their 'leaders' (of either party), perhaps better said 'dealers' and the true nature of this global aristocracy / plutocracy? Worsening governments never have corrected themselves; it is the People's responsibility, obligation, and right to fix things as clearly outlined in the American Constitution. However, this is a more 'sophisticated' world than it was in 1776.

" The world's power structures have always ' **divided to conquer** ' and have always ' **kept divided to keep conquered** .' As a consequence the power structure has so divided humanity--not only into special function categories but into religious and language and **color** categories--that individual humans are now helplessly inarticulate in the face of the present crisis. They consider their political representation to be completely corrupted therefore they feel almost utterly helpless. "

- R. Buckminster Fuller (1981) Critical Path

And it is the intent of this book to provide this alarming fact to people of every location, culture, language, and political "opinion" - that at the top most levels of this world a hidden *world government*, a " **hidden hand** ", is now already formed by an exclusive roundtable of ultra wealthy unelected elitist individuals. These 'elitists' just haven't publicly and officially announced themselves; yet their acts of meddling have become more obvious.

These shadowy figures are not nice people. Research on multiple fronts has shown these powerful yet mysterious individuals secretly deal in black magic occult practices and worship false gods including the devil itself, popularly known as the " **anti-christ** ", "**Satan**", "**Lucifer**", "**The Great Architect** ", or "**The Bearer of Light** ".

Why? It may be because The Bible (any translation) makes it clear that a camel would have an easier time passing through the eye of a needle than for the average multi-billionaire to enter the gates of heaven. So, perhaps they have consciously chosen in advance of any judgement they would

ultimately each rather extend and grow their rein on earth and after their deaths - in a " **lake of fire** " - than serve others as angels on earth or later in the heavenly realm of God Our Father's eternal kingdom. This may all come as a shock to the reader, you, however it is not the intention of this report to cause fear or disbelief through the hundreds of unmistakable facts presented in this report.

The name "**Lucifer**" is currently chosen by the United Nations in reference to the "One World" or "New World Order" religion they now have in mind for all the world's people. After the coming third world war, the plan is if a survivor of the war accepts the pledge of their soul to Lucifer, the ruling class of the new world government may allow the average 'king of queen of Sheba' to live longer into their earthly life; that is, as long as that person is considered attractive or profitable by the establishment elite to have around. However, by doing so, one would choose to offer up their eternal soul as 'payment' or as a 'right to continue living tax'. Believe it or not, this is actual policy that has been drafted in this past decade by the United Nations' Planetary committee.

A member of the United Nations' staff, David Spangler stated: " **No one will enter the New World Order unless he or she will make a pledge to worship Lucifer. No one will enter the New Age unless he will take a Luciferian Initiation.** "; stated while serving as director of The Planetary Initiative of the United Nations. This is a factual and true quotation. Basically they will like you more if you worship the same false god that the ruling elite have chosen to believe in.

John, an apostle of Jesus Christ stated in his gospel text: "the whole world is under the control of the evil one." (1 John 5:19 NIV) Well, was John wrong? Does his gospel contain an error? Let's use this statement as the basis for our continued examination here.

The presence of Lucifer is already a part of all our daily lives around the world. The devil's image can be found on our paper money and many trademark logos of large corporations; the " **all seeing eye** " on top of the pyramid on the dollar (if you look close at this eye on the dollar, you will notice it is not a human eye - but a scaly lizard eye! Time out. Try a second look right now.), AOL's logo, or the CBS ('See-BS') logo are just three examples. The Bank of America Logo has two red and one blue 11's (3x11=" 33" - Freemasonry's second favorite number.) See how the Illuminati's 'all seeing eye' symbol is being used on sites such as: GlobalSecurity.com: <http://www.globalsecurity.org/eye/index.html>

Even the movie company logos express their purpose and allegiance. From the Statue of Liberty-like Columbia logo to the Sphinx from Hollywood Pictures, the pyramid from Trimark, the Paramount logo with its " 22 " (5 pointed) stars, and the constellation from Orion Pictures, the intent is clear. At your local mall, take a closer second look at the logo for the "Watch World" store or on the movie posters for "National Treasure" (the real Conspiracy fictionalized through Hollywood with the headline "**The clues are right in front of your eyes** .!!!!) Hollywood is not perceived as reality, so they made this film to confuse us!

Not surprisingly Bill Gates has shown to be a practicing occultist as well. If you take another look at the Microsoft logo, you perhaps can easily see that it is a " 7"x"7" array of dots leading up to an " 11" overlaid by a " 13" next to another " 3" that forms a " 33" (May " 22 nd" 1990 - Windows 3.0 is released by Microsoft. March " 18th" 1992 - Microsoft ships Windows 3.1. October " 13th" 1995 - Microsoft releases the Windows 95 operating system.) The significance of these numbers will be detailed in a few more paragraphs below.

Recognized practices of devil worship include: polytheism, paganism, witchcraft, ritual abuse, and ritual blood sacrifice - either animal or human, yet preferably human. Primarily for these reasons worship of the devil is often described as an "occult" activity. The word 'occult' literally means 'hidden'. Occult practices are conducted at the home/closet level, group level, national level, and world level. The great masses of people worldwide, the mainstream, have never accepted devil worship as completely normal. Most people feel in their soul it is wrong.

It is known by those who worship the devil, that they are often rewarded in some way, usually financial, for their misconduct and disobedience against God Our Father, and His Commandments. In others words, those who lie, cheat, steal, and worst - murder often do so usually to gain material advantage.

Our politicians may know this best as they do most of these acts over and over again each day to varying degrees. Each of them may or may not be directly involved with actual devil worship. Those who attend the " **Bohemian Grove** " ritual each year in northern California certainly are, but most in the hallways of our congresses intentionally turn a blind eye to these types of activities. Worst of all, congresspersons consciously turn a blind eye to the 'hidden elite' often described as the 'Illuminati' that operate (from the shadows) the world's banking monopolies, industrial empires, corporate conglomerates, most national governments, our mass televised and print media, terror groups (al-cia-da / al-illumina-ta), Hollywood and anything else that operates as a corporation, yes, even our churches.

By today's definition, the illuminati are the **executive roundtable of Lucifer's corporate empire.** And each passing day the whole world itself is being operated more and more like 'one corporation'; with the **World CEO** being the **devil, or "the angel of the abyss" (as described in Revelation 9:11),** itself.

Chapter 2: Introduction to the Illuminati's 33rd^o Freemasonic Numerological Ritual in Staging World Events

The tell-tale signature or footprint of the devil's hijacking of our history has not been previously seen by the great many of us or pointed out as time and events have passed us by. One of the principle 'occult' practices of devil worship is the practice of using certain numbers associated with as many aspects of the ritual event as possible. These numbers are considered the most magical or powerful of numbers:

Illuminati History Code: 3, 6, 7, 9, "11" (including multiples), 19, 47, 93(666), 111

"3" represents (or mocks) the Trinity of The Father, Son, and Holy Spirit. "6" is the number biblically assigned to 'the beast' in mankind. "7" is the number associated with the Divine presence of God, The Father - and therefore their interpretation of Him as "Lucifer". As 7 is the number of notes on a musical scale, colors of the rainbow, and days of the week, the number 7 serves as an undeniable signature of Our Father's hand upon creation. There are 7 characteristics of wisdom in James 3:17. There are 7 seals and 7 angels with 7 trumpets in Revelation 6-8, 7 Spirits of God before his throne (Revelation 4:5), and 7 bowls of God's wrath (Revelation 16). Most significantly, it was on the 7th day that Our Father rested after creating the heavens and the Earth. Thus, the number 7 also indicates the end of a cycle. "9" represents 3 threes and an upside-down 6. The number 9 was sacred to Pythagoreans and thus Freemasonry, because it represented the perfect square (9) of the perfect number (3). Nine interestingly enough, is also the number of Satan, in Satanism. "ELEVEN" is considered to be the most magical of numbers: it represents the 11 horns of the final beast that arises in biblical prophecy (Daniel 7:7-8/Revelation 17:12), it mocks the final "11" disciples (Judas Iscariot had already perished by the time of the Ascension), Genesis "11" is the story of the "Tower of Babel", and to astrologers "11" marks the Age of Aquarius "; the number 11 is the Aquarian number since Aquarius is the 11th sign of the zodiac. "13" represents disobedience to The Father, the 12 disciples (including Judas) + Jesus. And 13 is actually the number of full moons in a 365-day calendar year and is obviously not something the illuminati invented or discovered, yet illuminati witches do celebrate the number profusely. So sacred is 13 to them, that most buildings are not built with a 13th floor, except perhaps where they have their personal offices. "18" is the summation of the number of the beast, 6+6+6, or 3 times 6. "19" represents "salvation" in the illuminati's numerology, again due to certain biblical references. "21" is ("3"x"7" - often associated with events appearing as admissions or good deeds; as if impersonating God Our Father into the event.), "27" is 3 times 3 times 3 or 9 times 3. "39" ('13'x'3') and "93" are used as a synonym for the number of the beast as 3 9's or 999; it is viewed as the number of the beast, just partially hidden as it is upside down. The occult numbers can also be encoded in larger numbers such as when a number like "175" is used; as when the digits being added together (1+7+5="13") reduce into one. Believe it or not, this is what the people who worship black magic believe in and use in their practice of occult devil worship. You can ask others familiar with this, or find this information posted in many places across the internet.

In Chapter 4 below, how the devil's elect have applied ritual numerology will be outlined. The devil worshipping patterning of events is outlined in the include appendices 1900-2005. You will likely be shocked to find out how many events have been associated with this occult numerology. WWII was basically entirely played out on occult dates. Adolph Hitler followed these numbers in dates of attacks, as instructed by his illuminati masters, with little doubt. Have some doubt? Check it out!

Chapter 3: The Illuminati Families and their Network of Control

A group of devil worshipping elitists whose family names are intentionally hidden from mainstream view operate our whole world through their financial dominance. The European Rothschild family is known to actually leave an empty chair and place setting at their master dining table in case the devil cares to drop in to share in the meal being served. This strange behavior explains why Satanism is an officially accepted religion even in our armed services as well.

However, upper-crest establishment families such as the: Rothschilds, Rockefellers, DuPonts, Freemans, Reynolds', Kennedys, Krupps, Onassis', Merovingians, Bundys, Warburgs, Russells, Lis, Mellons, Carnegies, Dukes, Astors, Dorrances, Stillmans, Bakers, Paynes, Cullmans, Watsons, Tukes, Kleinwarts, Phippses, Graces, Guggenheims, Oppenheimers, Milners, Drexels, Winthops, Vanderbilts, Whitneys, Harknesses, Bushes and Kerrys and a handful of other multi-billionaire families simply cannot go passing themselves off to the public as devil worshippers...; so many take on fake religious 'fronts'. The Rothschilds pass themselves off as Jewish; The Rockefellers Baptists, and the list goes on... However, the evidence has shown that they are the world's leading devil worshippers acting as if they believe they are self-privileged to operate, in their view, a giant worldwide orwellian sub-human 'animal farm'.

Just from one family angle of influence: most people in the United States are being more enslaved to serving the Rockefeller dynasty in their lives and daily jobs. Most American gasoline stations, the Red Cross, The Encyclopedia Britannica, Time, Life, Chase Manhattan/Chemical Bank, and Fortune Magazine are just a few of their ever expanding holdings and interests.

{ In my latest book, *Death in the Air: Globalism, Terrorism, and Toxic Warfare* (released June, 2001) Chapter 18 is titled, "Public Health Politics, Eugenics, and Population Control." Here I detail the Rockefeller family's and their foundation's association with the population control industry. They are currently moving to eradicate half of the planet's current population, including America's civilian population as well. According to the Rockefeller-directed Population Council of the City of New York, and its affiliate the Negative Population Growth, Inc. of New Jersey, the U.S. population requires culling to 125 or 150 million people. That's about half its present number. And that, in a nutshell, is what "America's New War" on terrorism-leading to WWII-is really about. Global population control and reduction through managed chaos. Using the standard Machiavellian practice of creating urgent problems, then costly solutions, America has been railroaded into what promises to be a long and deadly war against people including those previously, and likely still, on the payroll of a secret government and the CIA.

Now you might comprehend, if you have "the eyes" to read the above text, and the discernment necessary to perceive the truth it relays, why I found it nauseating that Americans so readily gave their blood and money to the Rockefeller's Red Cross. If you are among the millions who made that mistake, chalk it up to simple deception. But for heaven's sake, don't do it again ! Please donate directly to the families who have been victimized. That way your contribution may do more than aiding and abetting the enemy. }

Timothy said it best when he stated " the love of money is a root of all kinds of **evil**. " (Tim 6:10 NIV). Who controls the flow of money literally controls the whole world. **The Fed, IMF, BIS, World Bank** are all privately owned and managed for profit corporations of the elite.

The wealthiest family in the world, the " **House of Rothschild** ", once produced the family's most revered and diabolical banking monopolist. His name was Nathaniel Rothschild. He repeated his father's, Mayer Amschel Bauer Rothschild, quotation " Give me control of a nation's money and I care not who makes the laws . "

Well, today the "{Banking} **House of Rothschild** " out of Europe, along with their financial conspirator friends of the West, **The Rockefeller** , are two of the principal partners in printing the familiar green and black American money - right out of thin air . JD Rockefeller, the grandfather of the Western hemisphere's wealthiest family dynasty once publicly stated, in his view, " Competition is sin. " These two interests are not alone however, there are a dozen or so other private partners who own and control the **Federal Reserve** bank. To put things in better perspective: each illuminati family involved in the ownership of the Federal Reserve is much more wealthy than the entire Bush family dynasty for example. In small terms, they are literally the bank holding most of the colored paper money of the world-wide monopoly board. This is still true today. To them, money is power, but at the same time power is more valuable to them than money.

"Whoever controls the **volume of money** in our country is Absolute Master of all industry and commerce." - James Garfield, U.S. President, assassinated 3 weeks later.

" We shall precipitate an ECONOMIC CRISIS, which will stop dealing on the exchanges and bring industry to a standstill. We shall create by all the secret subterranean methods open to us and with the aid of gold, which is all in our hands, a universal economic crisis whereby we shall throw upon the street whole mobs of workers! " - Protocol 3 of the Learned Elders of Zion

Yes - "**The Fed**" is basically a privately held banking corporation that determines national monetary policy for the United States of America. Its twelve regional member banks are even listed in the business white pages in telephone books; not being a division of the government. This is well known among concerned economists. (please see: <http://www.themoneymasters.com>) No, today's paper and electronic money is not backed by any sort of Reserve, such as gold or silver bullion. Yes, Fort Knox is guarded today just so no inquiring citizen can look in and confirm that there is *no gold* stored there anymore. No, this private bank is not 'Federal' since Congress only 'borrows' money when they determine they need to spend more and they don't ever vote on such things as the 'interest rate'. That is, the American government and people are not furnished with freshly minted money by a national treasury at nominal cost . Recipients of Federal Reserve 'notes' (literally: loans) have to *pay* **interest** on the money, as on a loan, to the private international interests who own the Federal Reserve; whom prints the money out of thin air. It costs "The Fed" the same to print a 100 dollar bill as it does to print a 1 dollar bill, a few cents. However, they know if they print up too many dollars, the value of the money in circulation goes down, then inflation increases, and people tend to take notice more - so they tend not to go hog wild in printing it up. " The bank hath benefit of interest on all moneys it creates out of nothing. " - William Paterson, co-founder Bank of England, 1694.

In order to print more dollars though 'at cost' & 'bearing **interest**', they retrieve much of it back in every year through an unconstitutional federal income tax enforced by the IRS who reserves the right

to seize your property - while subverting the 4th amendment. The money from the IRS is not received into the federal treasury as one would naturally presume, it simply goes to make giant *interest payments* on the ever growing national debt ! That's how they **steal** your money for free - it is made to almost seem legitimate! (Another way they *steal* your money is through a hidden tax known as 'inflation'.) All that federal tax money literally is paid direct to the Fed's creditors for all intents and purposes! The IRS was set up through the unratified 16th amendment shortly before the installation of the Federal Reserve. **This is America's ugly financial truth** . In short, it is a large-scale **scam** on the American People. The Congress, House and Senate, have been well paid off over the decades and completely compromised to never even mention the topic of "monetary reform". Before the illuminati's rule vanishes - the Fed needs to closed.

" Federal Reserve notes are NOT dollars. " - Russell Monk - Assistant General Counsel Department of the Treasury 1977

Nathaniel Rothschild , his family, and their private coterie of banking houses throughout Europe got their way with America, a hefty grip right on her purse-strings despite the redcoats being sent back to England during the Revolutionary War by Washington's army (wasn't that one freemason made to look great! See : <http://www.themoneymasters.com>)

" I have heard much of the nefarious and dangerous plan and doctrines of the Illuminati. It was not my intention to doubt the doctrines of the Illuminati and the principles of Jacobinism had not spread in the United States. On the contrary no one is more satisfied of this fact than I am. " - George Washington, The Writings of George Washington

The real catch is that the big wigs out of Europe, these shadowy illuminati ruling elite, terminally hijacked our money supply (for the third successful attempt in American history) in 1913 with the creation of the Federal Reserve system. Now the USA is literally **bankrupt** - by design. See, they had to 'trick' the American people into allowing them to install their private bank over America around the turn of the century. They succeeded not only in that, but in setting the stage for World War I, The Great Depression of 1929, World War II, the highs and lows of the stock market over the decades, the Korean and Vietnam wars, both Middle Eastern wars, and now the final act of the 'illuminati' elite's diabolical plot to rule the whole world, **World War III** . **The object of World War III is the destruction of America and liberty and maximal UN world governance.**

" War is caused by elites acting in what they take to be their own interests, institutional violence promulgated by ruling groups for personal gain. " - The Nation, 5/15/2000, p20

The financial overlords of our country and basically the rest of the world are not your Jesus loving pacifist and benevolent kings who try their best to keep The Father's Commandments at all cost. No, they are actually secretive power mongering ruthless tyrants with a perpetual bloodlust for more wealth and power, and they all know warfare is the quickest route to huge profits and maximizing their power over the whole world.

" Power is not alluring to pure minds. " - Thomas Jefferson

The future for America involves the total and declared **bankruptcy** of the government and a greater **depression** than the one of 1929 to collapse onto the American people. The United Nations is being set up for America to fall under their Luciferian version of a globalized government: where life, liberty, and the pursuit of justice will not be valued as it has been allowed in early American history. " Slick Willy " is currently attempting to 'slide himself into' the role of the new Secretary General of the UN. This is the man who oversaw the Waco Texas massacre during his presidency. This is true and the fate of our children's lives if not stopped and uprooted.

" The truth of the matter is that you do have those standby provisions, and the statutory emergency plans are there whereby you could, in the name of stopping terrorism, apprehend, invoke the military, and arrest Americans and hold them in detention **[death]** camps. " - U.S. Representative Henry Gonzalez, Aug 29th, 1994

" The money power preys upon the nation in times of peace and conspires against it in times of adversity. It is more despotic than a monarchy, more insolent than autocracy, more selfish than bureaucracy. " - Abraham Lincoln, envisioning the New World Order

Once the dust settles from world wars, **like lizards** , the elitists often lie still over many years with a **watchful eye** over most everything from atop their ivory towers; still, and not arousing, but actually diminishing suspicion amongst their prey, The People , over time. Sometimes they congregate at the highly secretive international banking " **Bilderberg** " meetings. They send their establishment political and military minions from their many puppet governments to " Tri-Lateral Commission " conventions. Non-elected officials in the various 'shadow governments', such as war-criminal "Henry Kissinger", rank higher than the elected officials who attend these secretive meetings. They make sure the populous never becomes aware of their diabolical plans by making it a requirement of major press organizations to join their " Council of Foreign Relations (CFR) " or " RIAA ".

The elite often select presidents who have been trained in the art of ruthless deception and warfare through secretive societies they have set up, notably " Skull & Bones ". Tax breaks for the rich establishment chairpersons controlling each media outfit (print or televised) and nothing short of death threats are used to control the entire enslaved press. Historians for hire adulterate true history to obscure any involvement of the elite in the world's happenings within the covers of university level history books; making wars themselves appear to be accidental, and not profitable acts of criminal financial conspiracy for the principle benefit of the hidden ruling class.

" The Trilateralist Commission is international ...(and)...is intended to be the vehicle for multinational consolidation of the commercial and banking interests by seizing CONTROL of the political government of the United States. The Trilateralist Commission represents a skillful, coordinated effort to seize CONTROL and consolidate the four centers of power: Political - Monetary - Intellectual - and Ecclesiastical . " - Barry Goldwater , U.S. Senator Quoted from book "With No Apologies".

" Who controls the past controls the future. Who controls the present controls the past. " - George Orwell, '1984'

This is why the world's wealthiest family, The Rothschilds, never makes public a political 'opinion' about anything apparently going on in the world. They just keep operating the strings and pullies of the world's financial system from behind the curtain like wizards of oz; racking up hundreds of millions more each day; allowing themselves to simultaneously pose as the world's largest "philanthropists!". Who wants to follow the **yellow brick** trail all the way to the very end? This is how the world has been operated. This is factual and true as unbelievable as it may seem because of what We have been 'taught' all our lives.

" **The few** who understand the system, will either be so interested in its profits, or so dependent on its favors that there will be no opposition from that class, while on the other hand, the great body of people, mentally incapable of comprehending the tremendous advantages...will bear its burden without complaint, and perhaps without suspecting that the system is inimical [Injurious] to their best interests. " - Rothschild Brothers of London communiqué to New York June 25, 1863

" The individual is handicapped by coming face-to-face with a **conspiracy so monstrous** he cannot believe it exists. " - J. Edgar Hoover, Former FBI director, and Rockefeller puppy.

" You will be a great leader who will bring **order out of chaos**. " - Newt Gingrich's horoscope as printed into Fortune Magazine in 2001, one of the most duplicitous of US Senators.

The Latin inscription "Ordo Ab Chao" means "Order from Chaos". Lucifer is rightly called the "Author of Confusion." Bush Jr. in his inaugural address on 1/20/05 (a key astrological transition date from Capricorn into Aquarius) made reference to the "Author of Liberty". He was really talking about his god, Lucifer. The address was chock full of manipulations of words meanings.

" We are grateful to the Washington Post, The New York Times, Time Magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subjected to the lights of publicity during those years. But, the world is now more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto-determination practiced in past centuries. " - David Rockefeller, Baden-Baden, Germany 1991, Master Conspiring Globalist

" Any dictator would admire the uniformity and obedience of the (U.S) media. " - Noam Chomsky, Political Educator, Author (Noam appears as a fountain of the 1st amendment by placing blame on corporations; but speaks not about their (or his) **elite owners** .)

" One of the least understood strategies of the world revolution now moving rapidly toward its goal is the use of mind control as a major means of obtaining the consent of the people who will be subjects of the New World Order. " - K.M. Heaton, from The National Educator.

" In the next century, nations as we know it will be obsolete; all states will recognize a single, global authority. National sovereignty wasn't such a great idea after all. " - Strobe Talbot, Bill Clinton's Deputy Secretary of State, Time Magazine, July 20th, 1992.

[There are 100's of other quotes that all allude to the same global happening yet it would at least triple the size of this report to include a 1/10th of them. Our country's founding fathers said so much as well to warn us of how our Republic might eventually be corrupted - only from within!]

" Knowledge will always govern over ignorance. If our nation is ever taken over, it will be taken over from within" - President James Madison , 4th President

Now, getting back to the topic of devil worship and how it is being used to control all our lives. A congenial and harmless man who grew up on a farm in the middle of America, Fritz Springmeier , became an avid fan of history throughout his youth. However, he eventually learned how things were actually being manipulated behind the scenes of what is presented to the vast populations of the world. This alarmed and deeply disturbed him as a man who had developed a deep love of the truth as a devout believer in Jesus Christ. So Fritz decided to unmask the financial conspiracy running the world and he published a book after 15 years of intense research that had its final revision come out shortly after September 11th, 2001, after his home had already once been raided by FBI. He entitled his expose of the world's ruling elite: " [The Bloodlines of the Illuminati](#) " Revision II.

In this book, he detailed the " 13" key families, many listed above who basically get together around a roundtable when they do and set the agenda for how the world is being operated as of today. They decide when the populations will be terrorized or put in a state of shock, chaos, or **fear**. They decide what will happen next as well. However, since the so-called illuminati families did not like Fritz reporting on them, and as these families control the world, they had the FBI frame him as a bank robber and now he is serving a life sentence in a federal prison. View the local news report that intentionally damages Fritz: <http://www.katu.com/news/story.asp?ID=62438> Fritz and his wife were raided on an occult date, February " 9th", 2001. He was given " 9" years. He was sentenced more than two years later on November " 13th", 2003. A total illuminati/masonic frame-up by the numerical signatures used!

Poor Fritz gets put in jail for just trying to tell the people of America and the world the **ugly truth**. However, his faith is unwavering and a wonderful reward is most likely in his eternal future as a lover of the truth and believer in the gospels. In his book he exposes not only the individuals and families ultimately responsible for the world's ongoing global wars and other atrocities , **the illuminati**, but also their worship of the devil and ongoing satanic ritual abuse. Fritz details the banking intrigue that has gotten the world into the world wars, etc. His book is over 600 pages of highly researched unmistakable facts. Many excerpts from his books can be found on the internet for downloadable reading as well; Chapter 4 of " The Untruth of the World" contains key excerpts from his book.

Actually, all this is 'hidden in plain view' while the 'Sheeple' are kept generally dazed, fat, comfortable, and unalarmed - **for the time being** prior to their full blown world war. Even if you are one to not believe one word in this book, all a truth seeker has to do is go type in the search phrase " **New World Order** " into an internet search engine or search for the large array of books now covering the topic at bookstores such as Amazon.com. A new well layed out site out of the UK is entitled " <http://www.cremationofcare.com> " - the domain name was named after one of their actual

annual devil worshipping rituals. Mike Hanson, who snuck into Bohemian Grove with Alex Jones, wrote a book about what they found out available at: <http://www.cultofconspiracy.com> .

" Out of this modern civilization economic royalists carved new dynasties. New kingdoms were built upon concentration of control over material things. Through new uses of corporations, banks and securities, new machinery of industry and agriculture, of labor and capital - all undreamed of by the founding fathers - the whole structure of modern life was impressed into this royal service. These economic royalists complain that we seek to overthrow the institutions of America. What they really complain of is that we seek to take away their power. Our allegiance to American institutions requires the overthrow of this kind of power. In vain they seek to hide behind the flag and the Constitution. In their blindness they forget what the flag and the Constitution stand for. " - Franklin Delano Roosevelt speech in Philadelphia on June 27, 1936

" The rules of the world economy serve the interests of the multinational companies; they do not serve the interests of the vast majority of the people on this planet. " - The Progressive magazine, January 2000, p10

Chapter 4: The 33rd^o Freemasonic Occult Numerology Intentionally Used in Creating World "History"

So, how is the devil disguising itself today within today's world events?

Again, as noted above, numerology is often used as their signature of their dastardly deeds that are performed with ritualistic intent.

First, we begin our tour of 'history' with two important dates to recognize:

On "11/18"/1118 the Templars were recognized in the city of Clermont. $1+1+1+8 = " 11"$. The authors of Holy Blood Holy Grail provided the definitive evidence that there were " 9" original founding Templar Knights and they originally banded together in "1111" taking no new members for " 9" years. Therefore the date "9-11" "Nine-Eleven" or "September 11th" commemorating it.

The devil worshipping **Adam Weishaupt** founded the cult of the **Illuminati of Bavaria** on May "1st" ($5+1=" 6"$), 1776.

Now for a recent example most of us in this generation can remember:

A ritual sacrifice to the devil was called for in the mid-1990's under then US president Clinton, a descendent of the Collin's family illuminati bloodline. His Attorney General, Janet Reno, who on March " 11th" 1993 was confirmed by the United States Senate and sworn-in the next day, followed the date prescribed by her satanic overlords and ordered the **blood sacrifice** of the entire Davidian church of WACO Texas in a **hellish fiery maelstrom** on April " 19 th", 1993.

The " 19th" was used again in the subsequent Oklahoma City bombing in 1995, which murdered even more innocent men, women, and children in America's heartland. Apparently during these events, 'salvation' of the illuminati's devilish system was deemed most important, by not letting America continue progressively prosperous, happy, or free.

These are some significant "April 19th" dates in past history that should also be noted:

April 19th, 1775 - American Revolutionary War: The Battle of Lexington and Concord - British General Thomas Gage attempts to confiscate American colonists' firearms. The British are driven back to Boston, Massachusetts. The American Revolutionary War begins.

April 19th, 1909 - Joan of Arc is declared a saint 478 years are her service to her people. It was said a dove of light flew out from her exhausted and burned body, witnessed also by her executioner as he was adding more wood to the fire on May 30th, 1431.

April 19th, 1933 - President Franklin Delano Roosevelt announces that the United States will be leaving the gold standard.

April 19th, 1943 - World War II: German troops enter the Warsaw ghetto to round up the remaining Jews, starting the Warsaw Ghetto Uprising.

April 19th, 1971 - Charles Manson is sentenced to life in prison for the Sharon Tate murders.

April 19th, 1989 - A gun turret explodes on the USS Iowa, killing 47 (4+7="11") sailors.

April 19th, 1993 - WACO, 1995 - OKC Bombing by the Feds against their own building using their hired Patsy, Tim McVeigh, who signed up for the covert work while in the army.

April 19th, 1999 - The German Parliament returns to Berlin.

As stated in Chapter 2, the ritual numbers that our hidden rulers are often using within dates (number and day of the month) of events themselves are:

Illuminati History Code: 3, 6, 7, 9, "11" (including multiples), 19, 47, 93(666), 111

On June 2nd, 1997 a jury convicted Timothy McVeigh on " 11" felony counts. On June " 13th", 1997 the jury condemns McVeigh to die by lethal injection. December " 11th", 2000 McVeigh asked US District court Judge Richard Matsh to stop his appeals process and schedule his execution to take place before the summer's end (in apparent hurry to die). January " 11th", 2000 McVeigh lets pass the deadline for changing his decision. May " 11th" Attorney General John Ashcroft delays McVeigh's execution until June " 11th", 2001. McVeigh is supposedly executed on June " 11th", 2001 at " 7" a.m. By the numerics used, this is now known to obviously have been an illuminati mass mind control operation from the very beginning to the theatrical finale. McVeigh signed up for 'the secret mission'.

However, the use of occult numerology in dates of global events that have created much fear or suspense, their starting or finale dates, goes back hundreds of years.

For brevity, let us just examine more of the number-coded timeline of illuminati intrigue from the finale of World War I.

The powers-that-were then decided, out of Germany (where the war actually originated from!), the best time to declare the official end of World War I was on November 11th, 1918 at 11am or "11"/"11"/18 at " 11"am. Here the number "11" was highly celebrated.

On February " 27th"(3x3x3), 19" 33"(3x11) (2/27/33 and 2+2+7=" 11") Hitler had his secret police burn the Reichstag building, the German people's congressional building, to the ground into a pile of smoldering ashes. To the German people back then, this was quite similar to the attacks of 9/11 that the whole world witnessed in 2001. Sparing little time the Austrian born Rothschild grandson Adolph Hitler elevated himself from Chancellor, subsequently declared himself Fuhrer, and federalized the German states into a "Homeland" national police state prior to his ultimate invasion of Poland and the beginning of World War II in 19" 39"(13x3).

The United States would be drawn into the war on December " 7th" 1941, three months after the

groundbreaking ceremonies of the Pentagon { unbelievably: shaped as the core of a satanic pentagram symbol! } Today, a similar scenario to this is being repeated on a much larger scale.

The following outlines another financial scam that has already been played onto America:

" The Congress shall have power ...to coin Money, regulate the Value thereof, and of foreign Coin, and fix the Standard of Weights and Measures. " 1787 Constitution of the United States Section 8

That is precisely what the congress did in 1792. The dollar was fixed by law at 24.75 grains or 0.05156 troy oz. of gold. In 1837, the coinage was reworked and the dollar was defined at 25.8 grains of gold "nine-tenths fine". That gave \$20.67 dollars to one troy oz. of gold. That was the dollar's "fixed value" for 96 years from 1837 to 1933.

On March " 6th", 1933 using a wartime statute passed in 1917, Franklin Roosevelt issued a proclamation closing every bank in the U.S. for four days. The banks were closed from March " 6th" to March " 9th". On March " 9th", 1933, day one of "The Hundred Days", the president called a special session of the congress. In a few hours, with minimal if any debate, the congress passed the Gold Confiscation Act act of 1933 : " to provide relief in the existing national emergency in banking, and for other purposes ".

April " 3rd", 1933 president Roosevelt, acting under the sweeping authority passed to him by congress on March " 9th", 1933, he issued Executive Order 6102 (6+1+0+2="9") which invoked his authority to make it unlawful to own or hold gold coins, gold bullion, or gold certificates. The export of gold for purposes of payment was also outlawed, except under license from the treasury. (Look all this up independently yourself!)

Amazingly, under the Fed's heavy hand in depressing the American economy (by continuously constricting the paper money supply after the crash of 1929 by hundreds of billions), the American people *complied* with FDR's executive order and it was not legal for Americans to own gold again until 1972! The following year, all the confiscated gold was taken to Fort Knox under much propaganda/fanfare. Then, secretly, all that gold started being siphoned right back to the European Central banks. There hasn't been an audit conducted at Fort Knox since 1957 under Eisenhower! America was robbed of her gold in plain sight . This is fact.

Following that, in 1935, Rothschild puppet Franklin Delano Roosevelt commissioned the "The Great Seal" to be placed on the back of the US paper dollar. This is the illuminati's pyramid symbol. There are " 13" stacks of bricks on the 'all seeing eye' pyramid. The official national seal of the United States contains " 13" arrows, " 13" letters, " 13" laurel leaves, " 13" berries, " 13" stars above the eagle in the form of a hexagram, " 13" stripes on the shield. Many witches consider the number " 13" as the most powerful number in witchcraft, and our nation has the mark of " 13" put on it everywhere. The first election in North America was held on a 'Friday the " 13th"' so George Washington became Commander-in-Chief on that day. Construction also began on the White House in Washington, D.C., on a Friday the " 13th". Our country started with " 13" colonies, and the original flag had " 13" stripes and " 13" stars in a circle. The American eagle on the emblem on the Federal Reserve One Note has 32 feathers on one wing and " 33" on the other. The " 9" tail feathers indicate the 9 additional degrees of the York Rite of Freemasonry. There are " 33" steps on the side of the pyramid representing the " 33" degrees of Freemasonry.

Many presidents have been either 32nd degree or " 33rd" degree freemasons. For instance, Franklin D. Roosevelt was a 32nd degree freemason in the Scottish Rite and the 32nd president of the United States. He was followed by Harry S. Truman, a " 33rd" degree freemason also from the Scottish Rite and the " 33rd" president of the United States. { FDR's depressive era "New Deal" packages to the People were actually brown-paper wrapped increased socialist control over the People for the principal benefit of his elite masters elsewhere around the world. } We must remember the words of the infamous Illuminist and exploited Franklin D. Roosevelt who said, " **In politics nothing is by accident; if it happens, you can be sure we planned it that way.** "

The corner-stone of the Capitol building was laid (October " 13th", 1792) by President Washington, who also officiated at the laying of the corner-stone of the north wing of the Capitol (September " 18th", 1793).

See, this devilish conspiracy against America **goes back to its creation**. That's why the establishment talking heads and so many others argue that there is *no conspiracy* at work at all, which is the mother of all the conspiratorial lies . All the establishment fraternity members are all still working together within the Conspiracy, so why would one of them adamantly admit to there being a **Conspiracy** and risk his fortunes or his head? To this end, they each still persist; some just like to call it 'the rat race'. But who controls the cheese?

There are numerous other such examples. Quite obviously the signature number of our nation and of witchcraft, which existed long before our nation, is " 13". According to witchcraft tradition, nearly half of the people who came to North America on the ship the "Mayflower" were witches fleeing from Scotland. (Please reference: <http://www.lasttrumpetministries.org>)

The 33rd degree Grand Lodge of the Scottish Rite of Freemasonry is located exactly " 13" blocks north of the White House above an upside down **pentagram** outlined by the road layout which rests on the White (today pronounced "Reich") House.

And is it really a coincidence that the Statue of Liberty is " 22" stories tall? (or IIII") Could it just be a coincidence that the Statue was built upon an eleven-pointed fort? No.

This is inscribed on the plaque at the base of the Statue of Liberty: " **At this site on August 5, 1884, the cornerstone of the pedestal of the statue of 'Liberty Enlightening the World' was laid with ceremony by William A. Brodie, Grand Master of Masons in the state of New York. Grand Lodge members, REPRESENTATIVES of the united states and French governments, army and navy officers, members of foreign legations, and distinguished citizens were present. This plaque is dedicated by the Masons of New York in commemoration of the 100th anniversary of that historic event.** "(Note:8/5/84 8+5= " 13")

Here is just one more set of " 13" references: Defense Secretary Donald Rumsfeld said the following on the program 'Face the Nation':
" Yes, 13 is my favorite number; I am the 13th person to hold this office; my first appearance was before the 13th Congressional hearing, and 13 is my favorite day of the month. "

On "September 14th", 1941 the groundbreaking ceremonies of the Pentagon (modeled after the inside of a satanic five pointed star symbol) were held. " The Masons set up shop in D.C. and set up their criminal enterprise there from the beginning. They figured they would stick around until the people ran them out. THEY....ARE....STILL....THERE! " - anonymous posting found on a numerology website. **Therefore on the morning of the 60th anniversary of the Pentagon, the WTC was detonated.** Just a coincidence? Hardly.

The occult numerical date signatures during WW II are much too lengthy to be listed here - but you can scroll through them in the appendix listings 1938-1945 below.

* **Every large Nazi attack or major atrocity during World War II occurred on the illuminati's coveted occult numbered dates .**

* The Allies also principally responded on occult dates. For example: On August "6th", 1945 at 8:15 a.m. United States B-29 bomber Enola Gay, on Mission No. " 13", dropped an atomic bomb called "Little Boy" on Hiroshima, Japan right next to the " 33rd" degree latitude line. This was "Day One" of the Nuclear Age. It was also 33 days after 169th 13 x 13 anniversary of the signing of the Declaration of Independence. On August " 9th", Hiroshima was flattened by another nuclear bomb. Both were dropped on illuminati dates .

In fact, the **great bulk of the battle history of WW II all occurred on the occult numbered dates** ; most every large operation included. The most notable series of Nazi executions have occurred on occult dates; particularly **February " 11th"s** (2+11="13"). Please see for yourself. All the dates and events listed in this text and the indexes of dates supplied below are accurate.

On June " 27th", 1950 The UN declared the beginning of the Korean War; USAF starts the first of the Korean War bombing campaigns.

So, skipping to the next *major* world event:

On 10/" 22"(11x2)/1962 JFK delivered a speech about the closest nuclear confrontation (although staged for this fear inducing effect) ever to occur between the East and West, The Cuban Missile Crisis; which began on 10/ 14 (2x7)/62, and it was scripted to last " 13" days, ending 10/" 27"/62. This became known and the "13 days of October". These are the unmistakable facts about the little imprisoned island known as 'Earth' in 1962.

Later that year, December " 11th", 1962 was a day of the formation in West Germany of the coalition government of Christian Democrats, Christian Socialists, and Free Democrats. 1 month and " 11" days later on January " 22"nd, 1963 - the Elysee treaty between France and Germany was signed. 1 month later on February " 11"th, 1963, CIA Domestic Operations Division was created. April " 7th" -

Yugoslavia is proclaimed to be a Socialist republic and Josip Broz Tito is named President for life.
June "21st" - Pope Paul VI is elected by the College of Cardinals. On August 5th (8+5="13"), 1963
The US, UK, and USSR sign a nuclear test ban treaty. There are all examples of obvious devil
worshipping illuminati control signature dates.

Exactly 1 year and 1 month after the "missile crisis", due to it being sensed by his masters that JFK
had ambitions to defect against the ruling elite and expose them: abolish the Federal Reserve and
IRS, withdraw American troops from Vietnam (and other 'no-nos' to the elite), an assassination
plot to remove him succeeded on 11" 22"(2x11)/1963. (5 bullets were found from different guns.) This
also occurred in the middle of the Masonically architected Dealy Plaza which is on the " 33rd"(3x11)
longitudinal parallel.

"The high office of the President has been used to foment a plot to destroy the American's freedom
and before I leave office, I must inform the citizen of this plight." - President John Fitzgerald
Kennedy - Columbia University on Nov. 12, 1963, ten days before his assassination

LB) succeeded him (coincidentally) as the "36th" president. Immediately troops being flown back
from Vietnam were sent right back.

On July "27th", 1964 5000 more troops are sent to Vietnam to bring total sent to " 21",000 ("7"x"3"000)

On August "7th" 1964 US congress passes Gulf of Tonkin resolution giving broad wartime powers
to LB). Later the following month in another part of the world, on

August "19th", 1964 at the Auschwitz trial in Frankfurt, " 66" (6x11) ex-SS personnel receive life
sentences, 15 smaller ones.

JFK's ambition for America to go to the moon as a joint US/USSR mission was theatrically
presented to the American people later that decade in the " 7th" month, named "Apollo 11".
Negotiations for a joint effort were immediately disbanded after Kennedy's assassination. It was
more important for the illuminati ruling elite that each half of the world compete in a "Cold War"
setting rather than cooperate together on joint space missions. See, attempting to go to the moon
together might have made the East and West all friends, and that wouldn't help the clandestine
illuminati overlords remain in power.

At the time of the launch, the countdown clock was abruptly halted at T-minus " 9" hours, and an " 11"
hour hold was inserted - holding the whole world in simultaneous suspense an extra eleven hours. It
was announced the Apollo " 11" spacecraft reached Earth parking orbit after " 11" minutes. Apollo " 7"
and " 13" were the other two notable Apollo missions due to their occult numerical significance.
Coincidence? No, NASA has followed the occult number sequence without much deviation in
almost "all" their mission numbers and launch dates, providing rocket and mission names of roman
demigods, and the biggest of mission numbers have mostly been " 7", "9", "11", "13". The launch of
Apollo 13 spacecraft, name 'Aquarius' which occurred at 1: 13 in the afternoon (1313 military time) on
April "13th", 1970. Another perfectly clear example is the Mars Pathfinder landing site (19.5° N by
33.3° W on July 4th, 1997 7+4="11") Do these NASA facts alone convince you? If not, then please
figure this in too: NASA has one runway at Kennedy Space Center: Runway 33 and two platforms
to launch the space shuttle platform: 39a and platform 39b.

STS 10" 7", a UN mission, was sacrificed on 2/1/03 (2+1="3") right over Dallas Texas on the 33rd parallel. It was also the 11th anniversary of a Bush I speech made in front of the UN pledging the allegiance of all Americans to the UN Charter!!! VP Cheney happened to be out in a field in full view hunting that morning (and he might have been using the series of guns sold by Glock manufacturing as shown unretouched below; a purchase record recently leaked by Glock has sales of these NWO engraved guns to many masons.

Look at the "9" x "19" imprinted onto this gun issued by Glock, Inc. to many conspirators.

About the same time as the Apollo program, the World Trade Center was conceived in the early 1960s by the Downtown-Lower Manhattan Development Association to revitalize the seedy radio row dominated by electronic stores. Chase Manhattan Bank chairman David * Rockefeller *, founder of the development association, and his brother, New York governor Nelson Rockefeller, pushed hard for the project, insisting it would benefit the city.

On August 5th, 1966 (8+5=" 13") groundbreaking ceremonies were held for the construction of two 110 (that is "11" times 10) story skyscrapers in lower Manhattan. 44,000 (or 4 times " 11" thousand) exterior windows were used in the construction. Each tower was designed to be four hundred and " 11" meters tall.

Skipping ahead about 5 years...

On "September 11th", 1971, the USSR's Nikita Khrushchev died a mysterious death. He became the soviet party leader on September " 7"th, 1953. He became Premier of the Soviet Union on March "27"th, 1958. In 1964 he was removed from power on October " 14"th (7x2), 1964 and spent " 7" years at his home under house arrest, prior to his death, or apparent 'assassination' attributed to the timing of his death. So, the WTC center atrocity also occurred on the 30th anniversary of the death of the Soviet premier!

On "September 11th", 1972 the world was introduced to terrorism at the 1972 Munich Olympic Games. There were 121 participating countries (11x11=121), and 11 Israeli athletes were killed. Exactly 29 years (2+9=11) after this terrorist horror ended, another more despicable horror occurred - the September 11, 2001 terrorist attacks.

On "September 11th", 1973 Chilean President Salvador Allende was killed in a brutal, violent military coup led by General Augusto Pinochet. Henry Kissinger was strongly implicated in this attack, and if he were to ever stand trial in an International Court, he would be charged with masterminding this coup and ordering the assassination of Allende. ["The Latest Kissinger Outrage: Why is a proven liar and wanted man in charge of the 9/11 investigation?", by Christopher Hitchens, November 27, 2002.]

As should also be noted, the future commander in chief of the world's largest military, "George W. Bush" who basically quit the Texas Air National Guard with two years left in his contract by often not showing up (AWOL) to many of his duties, received a full honorable discharge on November "21st", 1974. (an illuminati gift to his CIA daddy little doubt.)

In 1978 Pope John Paul I was assassinated after " 33" days in his post. The illuminati seems to have regretted their initial choice it seems. Also keep in mind that Jesus said people in high stations will be last and the people in low stations will be the first. Matthew 19:30 - " But many that are first shall be last; and the last shall be first. " Mark 10:31 - " But many that are first shall be last; and the last first. "

"3/3"o/1981 - Assassination attempt by David Hinckly (a Bush family acquaintance) against Ronald Reagan. Bodyguard James Brady was later used against 2nd amendment.

On February " 9"th (also 2+9=' 11'), 1984 - Yur Andropov, the Soviet General Secretary, dies under suspicious circumstances.

The FCC announced nationwide " 911" emergency telephone service on, yep, " September 11th", 1987". Since then, all "3" digit phone numbers have had an " 11" in them.

11/8/88 (11+8=' 19'), former CIA chief and vice-president George Bush (CFR/Tri-lateralist/Freemason) was implanted, carefully by the illuminati, as president.

The next biggest political event the whole world took notice of was the collapsing of the wall set up between East and West Germany. On " 11/9"/1989 the Berlin Wall was opened and passage was allowed for the first time after " 6:3"opm that evening. This was big political "news" in the world.

Notice how any date with two ones and a nine, such a 1/19, 9/11, or 11/9 contain digits themselves that when added together sum to "11"; a seemingly perfect number to the freemasons and the devil

worshipping ruling elite. (1+9+1=" 11") Many large events have occurred on 9/11, 11/9, and 1/19 in last 100 years of history. This can be verified by reading the entire encyclopedia (although edited by the Rockefellers who own the Encyclopedia Britannica printing company) or reading over the illuminati calendar dates listed from 1900-2004 listed in the appendices below.

On February " 13 th", 1990 an agreement is reached in Europe for a two-stage plan to reunite Germany. Of course an event such as this was illuminati managed.

On April " 11th", 1990, Mikhail Gorbachev was quoted as saying " We are only beginning to shape the New World Order. " (He became the Soviet leader on March " 11th", 1985 - exactly " 19" years to the day of the Madrid Blast on 3/11/04 ! (3x"11"="33"degrees in freemasonry.)

Exactly 5 months after Mikhail's statement and on the " 19th" anniversary of Khrushchev's assassination, and the 49th (7x7) anniversary of the Pentagon construction, on **September " 11th"**, 1990 George Bush I, as president at that time in a speech he entitled "Toward a New World" stated: "What is at stake is **more than one country** [meaning the United States of America!], it is a **New World Order** , where diverse nations are brought together in common cause to reach the aspirations of mankind..." Yes, he stated this on " 9/11/1990!!!

This is not just a reality as printed on this computer screen or piece of paper - it is a reality from every corner of our world! He was reminding the congressional country club of their intrinsic allegiance to the overall plan of soon forming a "one world government" at the expense and wholesale slaughter of billions of innocent freedom loving people around the world - including Americans! Online Video of Bush I's Speech : <http://www.propagandamatrix.com/260903ronpaul.html>

January " 11th", 2001 - The Soviets storm Vilnius to stop Lithuanian independence.

On 1/" 13"/1991 Boris Yeltsin became president of Russia. On 5/" 21"/1991 Indian PM Rajiv Gandhi was assassinated. 12/" 27"/1991 - First day of Soviet USSR dissolution. (For much more 'yearly' information, please refer to the illuminati calendar dates in the appendices.)

" It is the sacred principles enshrined in the United Nations charter to which the American people will henceforth pledge their allegiance. " - Bush I addressing the General Assembly of the U.N., February 1st, (2+1="3") 1992. Exactly " 11" years to the day of this speech the Space Shuttle **Columbia** Flight STS 10"7" was sacrificed coming in above the 33rd parallel.

11/"3"/1992 - Bill Clinton was implanted by the illuminati as the next US president.

It is important to note the following on the timeline: The bankruptcy of the USA is officially on record in the United States Congressional Record of March 17th, 1993 (3+1+7=" 11") (Vol. " 33", page H-"13""03") speech by James Traficant Jr of Ohio. Congressman Jim Traficant is now in federal prison and his family have been threatened while he has been serving his trumped up sentence. (A clear warning to congress to keep their mouths shut.)

During the Geneva Conventions in Switzerland between 1928 and 1932 the United States, Britain,

France, Germany, Italy, Spain, Portugal were officially declared ***bankrupt***. These countries still are officially and legally bankrupt to the international banking system and will remain so until released by the receivers. Needless to say the illuminati banking tyrants are not planning to release these nations from their financial entrapment.

Jim Traficant stated at the podium in Congress: " It is an established fact that the United States Federal Government has been dissolved by the Emergency Banking Act, March " 9th", 19"33", 48 Stat. 1, Public Law 89-" 7""19"; declared by President Roosevelt, being bankrupt and insolvent. H.J.R. "19"2, 73rd Congressional session June 5th (6+5="11"), 19"33" - **Joint Resolution To Suspend The Gold Standard and Abrogate The Gold Clause** ***dissolved the Sovereign Authority of the United States*** and the official capacities of all United States Governmental Offices, Officers, and Departments is evidence that the United States Federal Government exists in ***name only***. The receivers of the United States Bankruptcy are the International Bankers, via the **United Nations, the World Bank and the International Monetary Fund**. All United States Offices, Officials, and departments are now operating within a de facto status in name only under **Emergency War Powers**. With the Constitutional **Republican** form of government for the United States now dissolved, the receivers of the bankruptcy have adopted a new form of government for the United States. This new form of government is known as a **Democracy**, being an established Socialist/Communist order under a new governor for America. This act was instituted and established by transferring and/or placing the Office of the Secretary of Treasury to that of the Governor of the International Monetary Fund (**IMF**). Public Law 94-564, page 8, Section H.R. " 13""9""55" reads in part: " The US Secretary of Treasury receives no compensation for representing the United States..... "

The United States has been run as a ***corporation*** and its judiciary operates under **Emergency International Maritime Law**. Nothing really new here of course as America was set up as a corporation immediately after the American War of Independence. The colonists were run by the Virginia Company when the Colonies reverted from an **overt dictatorship** from the British Crown to a **covert dictatorship** of the interests of international bankers, most of whom are from Britain as stated above. They only cut themselves away from America then to only to secretly place themselves back in again later while America was truly sleeping. So, on secret documents stuffed somewhere, America has been officially **bankrupt** since 19"33"!

In 1994 H.R. **666** passed by congress allowing illegal search and seizure.

4"6"/1996, Both Presidents of Rwanda and Burundi are killed in a suspicious air crash. 5/1/1997 (5+1="6"), UK election: youngest ever Prime Minister, Tony Blair, wins. He replaced John Smith who died suddenly. Princess Diana and her boyfriend were assassinated for falling out of grace with the monarchy on 8/31/1997 (8+31=' 39'). She was forced into " 13th" tunnel column.

August "7th", 1998 - The Saudi exile Osama bin Laden was used as the alleged mastermind of the bombing of U.S. embassies in Kenya and Tanzania on that Illuminati signature date.

December "13th", 2000 - Al Gore conceded and Bush Jr. is implanted as the president by the illuminati. The propaganda surrounding that election was to set the stage for the abuses of 'electronic (ballotless) voting' in 2004.

Jumping to the month prior to September 11th, 2001:

August "9th", 2001 - 15 are killed at Jerusalem pizzeria. 70 injured and "6" infants killed.

As the story goes, tragically, *exactly* " 11" years to the hour of Bush I's "Toward a New World " speech when his son is now the president, Flight " 11" impacts the world's largest freestanding structure shaped like an " 11" at "11" minutes to "9", 8:49am.

Flight 175 (7+7+5=" 13!") collides next at 9:02am (9+2="11"). Also, this flight carried 92 (9+2=11) passengers and crew.

Flight " 77" (7x11) is made to appear as if it hit the pentagon, but little is known what actually happened to it and its 65 (6+5=11) passengers; as debris of a Boeing 757 certainly was not found at the Pentagon crash site, initially only a 2 1/2 meter hole in the side of the building. (a smaller drone plane, a Globalhawk, with a explosive warhead was used the photographic evidence has shown.)

Flight " 93" is shot out of the air by a military aircraft. The public is told the passengers were 'heroes' for overpowering the terrorists and crashing the plane into a field in Pennsylvania themselves (in two big chunks miles apart from each other!) . Each of the four flights bore the illuminati's devil worshipping numerical signatures . The also choose to use " 19" puppet scapegoat hijackers.

(September 11th, 2001 tragedy flight numerics review: 7, 11,13,19,93)

The World Trade Center was detonated by a downward series of explosions busting its beams apart. In this rare 35mm photo, by Richard Letnin, it is clearly obvious! The buildings fell as fast as gravity in 8 seconds, obviously with little "resistance". You can see bombs going off below the floors that were crumbling.

WTC Building " 7", which mysteriously fell all by itself on the same fateful day, was constructed to be 47 (and 4+7=" 11") stories tall. It fell like a rock. It was admitted afterwards that the building had already been pre-wired for demolition and somebody decided they better press the button and bring it down as well. (Why would this stand-alone steel skyscraper fall all by its own without being hit by anything that same afternoon otherwise? Please see: <http://www.wtc7.net> or Eric Hufschmid's book.)

Remarkably, 9/11/01 was also the United Nation's declared annual " [International Day of Peace!](#) " (Gee wiz, those peace loving globalists commissioning the UN couldn't have anything to do with it - they just were looking forward to celebrating that day of global peace!) The United Nations building in New York is " 39" stories tall.

From the Fortune 500 world emerges this 9/11 fact: Walmart's CEO gets in the action later that day and reports in the press that Walmart sold a record "88,000" (8x " 11",000) American flags that day! This was reported on CNN, MSNBC, FOX, etc... This author presumes the detail of this statement, the number 88,000, was stated, although false.

See: <http://www.washingtonpost.com/ac2/wp-dyn?pagename=article&node=&contentId=A21578-2001Sep12¬Found=true> (88,000 plastic Walmart flags)

While the nation recoils in shock, Illuminati puppet Bush II calls for " 11" days of national mourning and the flag is flown half-staff until September " 22nd"; the day we become aware of the " [Patriot Act](#) " that starts the shredding of the Constitution and Bill of Rights.

Effectively Bush Jr. launched the 'War on Terrorism' on behalf of a ["private corporation"](#) ! The US Federal Reserve was manipulated into being in 1913 and dictates over America for the favor of their ultra rich establishment cronies. On some ledger somewhere, the United States (and Britain) is wholly owned by 'illuminati' families and forces in Europe and the US and by the [Jesuit-controlled Vatican!](#)

" By the end of this decade we will live under the first One World Government that has ever existed in the society of nations ... a government with absolute authority to decide the basic issues of human survival. One world government is inevitable. " - [Pope John Paul II](#) in the book "The Keys of This Blood"

On the afternoon of September 15th, during Bush's visit to the disaster site, he picks Bob the fireman to climb onto the rubble with his bullhorn. As sickening as it might appear, the president may have chosen him as Bob's hat number was 164 (and 1+6+4=" 11") to please his devil worshipping overlords watching from afar in Bavaria Germany and elsewhere throughout Europe and Asia.

"9" days after " 9"-11" - The establishment of the Office of Homeland Security took place. Incredibly, after his record strings of vacations on golf courses, at the ranch and other places, just prior to Sept 11th, Bush Jr. was seemingly looking like he was finally 'getting a lot done' quickly.

On September " 21st", 2001 - The Bush administration states they have all the evidence they need against Bin Laden.

Also that day 4 are jailed for a long unsolved Berlin bombing 15 years previously of a West Berlin discotheque that illuminati forces likely were behind.

Six weeks after September 11th, the **USA Patriot Act** was passed. Many congressman admitted they didn't read it!

December " 9th", 2001 - In Afghanistan US planes pound Bin Laden hideout (A total ruse folks! Bin Laden was more likely at the Rothschild castle in London dining with the devil.)

On 12-" 13"-2001, " 93" days after 9- 11, a Bin-Laden tape about 9- 11 is released by the government. Once again, exactly " 93" days after 9- 11-01, the US government released a video tape of Bin-Laden joking and admitting to the attacks of September 11th! Also on December " 13th" it was reported that Bin Laden was surrounded in caves. Serving as a diversion elsewhere, in New Delhi India a gunbattle occurred at the parliament. 12 killed when armed intruders stormed the building. Parliament had been adjourned.

December " 21st", 2001 - Afghan interim government is signed in.

"1/11"/2002 - Guantanamo bay (Camp X-ray) admits the randomly kidnapped Afgan goat herders that were picked up are incarcerated. They are put in orange jump suits with bags over their heads and openly tortured for the next 3 years. This is done to indoctrinate the world viewing public to acclimate-to/accept torture centers and concentration camp facilities. Half of America will soon be declared terrorists. That is, anyone who wishes to live under constitutional law or retain personal freedoms such as speech and religion and the right to defend yourselves; so there will be many more concentration camps to come.

February " 13th", 2002 - Queen Elizabeth II gives former New York City mayor Rudolph Giuliani an honorary knighthood. (Illuminati support the monarchy "fronts".)

He opposed the war in Iraq and was leading an effort to convince many of his other party members to do the same. (Even though this happened off an illuminati occult number date - this had to be mentioned. He was definitely killed for opposing the war.)

November " 3rd", 2002 - Due to the propaganda - landslide for Islamic party in Turkey.

November 8th, 2002 (11+8=" 19") - "Bin Laden is alive", says Interpol Interpol Secretary General Ronald Noble. Bin Laden warned that al Qaeda is preparing simultaneous attacks in several countries.

Convinced yet? (How could anyone with eyes not be? It's purely mathematical. You really can't have it both ways.)

"6" months after 9/ 11, from March " 11th", 2002 to April " 13th" the WTC center is 'illuminated' with "88"(8x11) floodlights making the world's tallest " 11" for " 33" nights!!!!!! The lights are programmed to go on at " 6:3"o and off at 11:00pm. This is an example of **glaring illuminati arrogance** ! (Also see collage in appendix for more events in pictures.)

Exactly "7" months after 9-11-01, on April "11"th, 2002, the ICC or International Criminal Court is ratified at a Landmark UN Treaty Event. Ten Countries Ratified the ICC Treaty (Important note: Revelation 17:12 states there will be 10 horns on the beast that makes war with the Lamb). The ICC is decided to be located in the Hague, the Netherlands. At this facility, they have a huge black spider statue overhanging the entrance, appearing as if it is knitting a web over the whole world.

On the first anniversary of 9-11 in 2002, the NYC lottery balls mysterious came up " 911 " *and* that morning the Chicago Board of Trade's Standard & Poor's Futures Index opened up at " 911.00", a ten million to one combined probability alone - and to occur on that date! The People seemed to not take much notice of these sick illuminati inside jokes on this day of remembrance and mourning. These jokes are never mentioned again in the press.

It is also interesting to note that the Bali bombing happened on October 12, 2002.... Get it? 9-11-01... just add a (1/1/1) to each part of the date... 10(9+1)-12(11+1)-02(1+1). We will see the 111 pattern re-occur elsewhere as well. In fact, 9-11 is the 254th day of the year (2+5+4="11") and coincidentally there are "111" days remaining in the year! 9/11 was chosen as it is the most 'rich' "11" date in the whole calendar year for these reasons, including 9+1+1="11" when summed together. Bush and his daddy didn't decide these dates, their illuminati propaganda masters at the apex of the devil worshipping ruling elite sanctioned all these dates of terror on the people of the world. The establishment Bushites are just played their individual roles out in the lies/cover-ups just like old times, nothing being really new under the sun! (Iran/Contra corrupt arms dealing / Mena Arkansas airport cocaine trafficking / Enron energy scam and implosion, etc...)

On the topic of bio-warfare, American President George W.[ar] Bush, the clandestine skull and bonesman (nick-named "Temporary") who loves the dark and shadowy realm, launched the smallpox immunization program on Friday the " 13th"! in 12/2002 (!!!!!!!)

Osama Bin Laden's image is used again on 2/ " 11"/2003 (2+11=' 13' - an especially key date). One of those CIA produced videos surfaces and Osama announces a "call to arms".

See the huge array of illuminati dates where they used Osama Bin Laden:

2nd 13th/03 - Man with grenade scaring the public at Gatwick England.

2nd 19th/03 - 15 years handed out for 9/11 patsy, the innocent Mounir Motassadeq.

One event that proves powerful people believe are fond of the power of numbers happened slightly earlier in March of 2003. It was no big secret on March " 3rd", 2003 when the UN affiliated World Prayer Center called all Christians worldwide to a Worldwide Day of Prayer to occur simultaneously at 7:33pm! Folks, again the people behind this event were not 'believers'. The magnitude of this date was not lost on the non-Christian world as well. The Global Consciousness movement (New Age) has for years been planning a worldwide "Largest ever experiment into global consciousness" to take place on 3-3-03.

Their effort is slated to begin at 3:33am (Fiji local time), on the 3rd day of the 3rd month of the 3rd year of the 3rd millennium. It gained widespread notoriety in New Age circles. They continued: "The significance of 3-3-03 becomes even more pressing as America could launch a war with Iraq at about that very hour." March " 3rd", 2003 was also the night of the new moon.

3rd 6th/03 - Phoney search for Bin Laden tightens. The next day on the " 7th", a report states that Bin Laden's sons are arrested. (Well, what ever happened of that? Nothing of course, this was just propoganda thrown to the American public like a piece of candy.)

3rd 13th/03 - Hong Kong: First alert over SARS .

On March " 19th", 2003 Bush II holds another presidential address and Iraq is re-bombed that evening. So in effect, Bush Jr. announced the start of the war on the " 3rd" weekday of the "3rd" week of the "3rd" month of the "3rd" year of the new millenium, 200" 3". The first major bombing campaign of the war ended on 5/1/2004; lasting 42 days (1 month, " 11" days) This coincides with the **Beltaine Festival**, "Walpurgis Night" - celebrated April 30th and May 1st. May 1st is also the " 13th" day of the annual " **Blood Sacrifice to the Beast** ". Put another way, George W. Bush started the horrifying war in Iraq on the witches' sabat of Oстера and declared an end of major hostilities on the next witches' high sabat of Beltaine (!)

" These are the days when every true Christian must toughen up and face the reality that we are in a spiritual war situation, and we must stand and fight the powers of darkness. " - David J. Meyer, <http://www.LastTrumpetMinistries.org>

It was reported that his watch had been stopped at "11 minutes after 9". Dr. Kelly was then currently testifying to the truth that Iraq posed no significant bioweapons threat and there was no sign(s) of them producing 'weapons of mass destruction' (!)

Saddam Hussein's sons were murdered by American forces on 7-" 22"-2003. Apparently they knew too much or Saddam needed to be severely intimidated.

8/"7"/03 - A bomb at Jordanian Embassy in Baghdad. A car bomb has exploded killing up to 10 people - including 5 Iraqi guards and injuring about 40 others.

August "14th", 2003 - In the West Bank Hamas leader was assassinated. No more "truce".

On August "14th", 2003, parts of the Northeastern United States and Southeastern Canada experienced widespread power blackouts. The US states of New York, New Jersey, Vermont, Michigan, Ohio, Pennsylvania, Connecticut, Massachusetts were affected. Why even the date is another evil sign - August "14th", exactly "13" days from the end of the high cross-quarter witches' sabbat of Lughnasaid .

{ Other blackouts in 'history': The last big blackout in the United States took place almost exactly nine years ago, August "11th", 1996, when some 4 million customers in "9" Western states and parts of Mexico lost power for as long as 10 hours. On July "13th", 1977, a blackout left some "9" million people in New York City without power for up to 25 hours. Looting resulted in 3,700 arrests. On November "9th", 1965, 80,000 square miles in "7" states and two Canadian provinces went black affecting 30 million people. It became known as "the Great Blackout." }

Judge Roy Moore stated in response to the action: " If this state can't acknowledge God, then other states can't ...And eventually the United States of America will not be able to acknowledge the very source of our rights and liberties and the very source of our laws. "

September "6th", 2003 - Gaza Hamas founder wounded in airstrike Sheikh Ahmed Yassin vowed 'jihad will continue'.

September "9th", 2003 - In Indonesia Bali commander sentenced to death. Also bombers kill "13" at a bus stop east of Tel Aviv.

October "27th", 2003 - 35 killed in car bombs in Baghdad. 4 bombings targeted the headquarters of the Red Cross. (again, one of their own organizations.)

Now are you prepared to be thrown some real hard truth as presented by the leading globalist war general of today? On November "21st", 2003, General Tommy Franks said the following during an interview published on Newsmax.com: " If the United States is hit with a weapon of mass destruction that inflicts large casualties, the Constitution will likely be discarded in favor of a

military form of government. If that happens... the Western world, the 'free world', loses what it cherishes most, and that is freedom and liberty we've seen for a couple of hundred years in this *grand experiment* that we call democracy. "

So, our amount of relative *freedom* (aside from the drug war, illegal federal direct taxation, unconstitutional wars, a (not) "free press", outright lies, etc...) has only been an "experiment" according to the war general! See: http://www.infowars.com/print/ps/franks_martial.htm

October " 11 th", 2001 - In Finland a bomb blast kills " 7".

December " 3rd", 2003 - In Georgia bomb explodes outside the state TV.

It was also " 93 " days after the second anniversary of 9-11 when Saddam Hussein was captured on 12/13/03. Have we heard a thing he might have to say though yet? And is that really him in the picture? Do you wonder where the heck Saddam Hussein is now?

December " 21st", 2003 - Washington US raises terror alert level.

After that, tragically, *exactly* "911" days after 9-11-01 multiple bombs go off across Madrid's commuter train system, killing "191" European travelers, on March "11th", 2004. (!!!!!!!!!!!!!) That's 3/11 ("33") killing "191" (sums to 11.) This was a freemasonic hit on Spaniards.

So Wow, Al-QUEDA - or is that pronounced 'al-CIA-da', really likes that number "11" apparently!

Why hasn't anyone in the press taken notice of this rather bizarre string of extremely unlikely and highly suspicious numerical anomalies surrounding these recent global terror events?!?! Maybe they are still told to ignore it! But, if the 'illuminati' devil worshipping elite controllers don't really exist - then who forbids the press from covering this aspect of the unfolding events and why? Why don't you write members of the press you know and ask them today? Send them this report! Send all your

friends this report. The facts are clear.

That day, March "11th", 2004 (3/11="33" for degrees in freemasonry) we not only witnessed the Madrid attack, yet also the purchase of Chicago's Sears Tower (' 11'o story as well) valued at \$ 911 million dollars prior to 9/11 by investors who had seen their two ' 11'o story World Trade Center towers crumble to the ground.

In fact, the former owner of the WTC complex towers who bought them from a Rockefeller holding 7 month's previous to 9/11, Larry Silverstein, was involved in the March " 11th", 2004 Sears Tower trade as well. Larry Silverstein was also the man who admitted several months after 9/11 that **World Trade Center 7 was detonated** (obviously pre-wired) to bring it down. Does somebody smell a **wet rat** yet or is the odor of establishment fascism too strong in the room?

May " 11th", 2004 - In Iraq Video shows U.S. captive beheaded. Captors say they offered to exchange man, identified himself as Nicholas Berg, 26, for Abu Ghraib prisoners.

May "7th", 2004 - In Morocco Bin Laden 'funded Casablanca bomb'. Islamic militants behind the deadly suicide bombings last year were financed by terror leader. UN Annan to carry on despite Osama. Annan says he is taking the threat from 'old OBL seriously.

"93" days past the Madrid attack of 3-11-04 was Saturday June 5th, 2004 (and if you add up the days from 9-11-01 to 6-5-04, you get 999! (The upside down number of the beast!). This was the day when Ronald Reagan passed away at the age of " 93". Reagan was (coincidentally) born in 19"11". He was buried on June " 13th", 2004! This was the 1004th day past 9-11-01. Unbelievably, 1004-911=" 93" as well! Amazing timings! These events were obviously high order illuminati **celebrations of devil worshipping numerology** . On this Sunday, president Bush appointed Friday, June " 11th", 2004 as a national day of mourning. Strikingly, this was also " 93" days before 9-11-04, the 3rd anniversary of 9-11-01! The Bush Sr. also said Reagan did much to bring in the New World Order on his "clock". (check out the article)

This video clip is on <http://www.freepressinternational.com> Of course he knew something was going to happen! He was just being a bit 'frank'. The war general wasn't being clairvoyant or didn't have a 'divine' revelation. He just had to look at the illuminati devil worshipping calendar. In Washington Ridge defends new terror warning.

More recently on " 11"/11"/04 democratically elected Palestinian leader Yasser Arafat dies a highly suspicious death at precisely " 3:3 "oam! Could Israeli interests in bed with the illuminati ruling class have been behind a conspiracy to assassinate the revered Palestinian leader? A fair presumption in the light of the above information would be a resounding ' YES! '.

Eerily also on that day, 6 hours after Arafat's speculative death, the United Nation's WHO (World Health Organization) conducted an unusual meeting with an unusual agenda for that afternoon. They met to prepare the world for a global pandemic H1N1- **Influenza-A plague** that is expected to kill tens of millions of people as it did in 1918, known as the "Spanish Flu". (Predicted in 2002 as written by Eric Rainbolt elsewhere on the internet: keywords "Eric Rainbolt Spanish Flu")

So, how does the UN know in advance that a plague is coming right around the corner? Well, perhaps it will not be accidental, and perhaps it involves a conspiracy to weaken the American resistance to tyranny and reduce the population of the world by several billion people!? (As their New World Agenda openly calls for and written into granite rock on the mysterious " Georgia Guidestones "!) (search with www.google.com)

			<p>Pope's funeral: notice the upside-down crucifix on the pyramid casket with the sun-eye atop and 13 John Paul bearers. The bent/distorted crucifix (middle) - and again another upside down crucifix on his 'throne'. The pope was declared dead at 21:37 GMT. $21 \times 37 = 777$. July " 7th ", 2005->2+5=7: (7,7,7)

background info: June 30th, 2004 was declared Iraq's "independence day" which happened to be " 111 " days after the Madrid train bombing on " 3/"11"/04 ("33") (and notably the 1023rd day after 9-11, which is remarkably ' 93' times ' 11') The Bush administration continuously and rather publicly made the point of setting this date for many months in advance. 911 (9+1+1=11) days after 9-11 was 3-11-04 (Madrid Train Blasts murdering "19".)

London Bus Blasts on 7/7/2+0+0+5 - 7-7-7 (it was first reported during this event that " 11" buses, "7" tunnels, " 33" dead - all part of their freemasonic numerological pattern. The first bus to be exploded was #205 (adds to 7) The blasts occurred at 11 minutes to 9 am.)

On 7/22/2005 Michael's Haupt's (of threeworldwars.com) prediction for an event to take place on July 22nd, 2005 came precisely true down to the hour and minute of the explosion - as he explains in detail on his website. The mysterious Big Ben jamming on 5/27/2005 actually sent an occult signal fortelling of the coming date of terrorism, which Michael concluded as a signal for for a date of terrorism. In Cairo Egypt on 7/22/2005 a bomb was detonated at 22:07GMT murdering "88"(8x11). 22:07 pm was actually the start time of the " 13" minute jamming of the Big Ben London clock on 5/27/2005.

Recently, the bombs in Bali Indonesia have their "33" signature on it too. First, a bomb went off in Bali 1 year, 1 month, and 1 day after 9-11 (that's a "111" sequence), on 10/12/2002. "11" days before the "3rd" anniversary of that first bombing they killed more Indonesians on October 1st, 2005. (that's an example of the freemasonic " 33" signature.)

Last year, a terrorist attack against the Sears Tower in Chicago was averted on April 19th, 2004 when it was exposed on the Internet; <http://www.breakfornews.com/sears.htm> This thwarted attack was supposed to take place on April 19th, 2004, which was 911 hours after the day of the Madrid Train Bombings(3/11/2004).

When you add up the number of days after April 19th, 2004 and end with today's date, July 7th, 2005; it is 444 days. There are 777 days from that date to 6/6/6, leaving 333 days between the London attack and 6/6/6.

So today's attacks in London, which are very similar to the Madrid train bombings, were totally staged attacks carried out by the globalists.

This conclusion is based on the "444" numerology linked to the time window between the averted Sears Tower attack on April 19th, 2004 and the attacks in London. It's also convenient that the timing of today's attacks in London was coordinated with meeting of the G8 summit in Scotland in order to ramp up the police state in Great Britain and give the Globalists a pretext to shut down protests taking place outside the G8 compound;

<http://www.breakfornews.com/articles/G8-2005-Key-Pictures.htm>

Aleister Crowley (cover image) also wrote a book entitled "777": This book was part of Crowley's apprentice work in the Golden Dawn, and contains a great quantity of Qabalistic information, correspondence tables, & essays, including some of his most extensive work on Gematria.

To Come:

August " 11th –August 21st", 2005: Universiade summer games will be held in Izmir, Turkey.

September " 13th", 2005 The rest of the Hong Kong Disneyland Resort opens.

September " 18th", 2005 The 57th annual Emmy Awards are handed out in Los Angeles

September " 27th", 2005 Danish referendum on the European Constitution.

November " 18th", 2005: **Harry Potter** and the Goblet of Fire is released in the US and UK movie theaters on this day.

November " 27th", 2005 The 93rd Grey Cup game to be played in Vancouver, Canada.

December " 9th", 2005 Luxembourg will join the ESA.

The following sequences were discovered by Michael B. Haupt of <http://www.threeworldwars.com> regarding the Tsumani on December 26th, 2004 and the Iranian earthquake of December 26th, 2003:

Since 2004 was a leap year, the number of days between the Iran quake on the same day in 2003 is 3"66", or 1 year and 1 day. It was repeatedly reported that strickly " 11" nations were impacted. See the Associated Press.

What will the future day of terror and the expected occult timing of it tell us all? (Upon Revision II - The London Train Bombings on 7/7/2005 ->7/7/2+0+0+5 -> 7-7-7 at 8:49am or 11 minutes to 9.)

Does this entire (and amazing) sequence of events with the obvious use of occult numerology in the dates throughout history surprise you? If not, review them again perhaps using a spreadsheet to calculate the unfathomable numerical improbability of these events all strung together as some unthinkable coincidence. In review, please note that our hidden rulers apparently fund both sides of any conflict and fund most if not all military and terror operations and decide the date the event will occur; yes their power has grown to this degree! It will eventually be stopped.

Interestingly Daniel's biblical prophecy foretells that an "abomination that causes desolation" is going to be set up after 1260th day. Using 9-11-01 as that index date, the 1260th day becomes

2/22/05. That mysteriously also happens to be exactly " 3" months and " 11" days past the WHO conference on the coming pandemic flu plague held on " 11/11/04! {Rev 11: 2/22/05 was date the CDC announced the coming 'spanish flu'-type pandemic.}

A forum member at David Icke's forum <http://www.ickedownload.com> posted the following:

Am I paranoid or what!!!!??

The front page of my paper reads (Right next to the IRAQ accidental amputee who had a house built by volunteers of course) "NATURAL GAS BILLS SOARING"

In the side bar it reads:

Quote:

"BY THE NUMBERS

27 Percent monthly Bay State Gas bills will go up starting 11/1

\$66 Amount monthly bill will rise for gas heat customers

\$6 Amount monthly bill will rise for non-gas heat customers

140,000 Number of customers in southeastern Massachusetts served by Bay State Gas"

Quote:

"The average monthly bill is expected to increase from \$226 last year to \$292 this winter."

Quote:

"...bills are expected to go up \$6 a month, or 19 percent. The average non-heating customer's monthly bill will go from \$33 last year to \$39 this winter."

Quote:

"heating oil is creeping up toward \$3 a gallon an electricity is going up more than 27 percent."

Totally..

It's their inside communication method for elite BS that they like to use repetitively throughout headlines and 'history'. Unfortunately ordinary slaves don't have the attention span or care to realize what it represents... that they are being controlled like farm animals... and clearly a 33rd degree freemason authored this total bogus article. The numbers apparently all not important datapoints about the oil supplies and demand in the world, but total disinfo pulled out of his

The freemason number code has been fully cracked and exposed for almost a full year now with the initial publication of Revelation 9:11. Only a few hundred people worldwide at tops understand and comprehend it at this point. The most concentrated awareness is found in this particular forum and the regular listeners of Jack Blood radio.

so other random conspiracy exposing websites.

Certainly this is their most overtly fashioned evidence of their control and intrigue, quite an arrogance actually. This is how they have 'owned' and put their 'signature' atop the progression of history leading up to the one world fascist state.

They will likely not stop this methodology. They apparently all get a big kick out of it atop the pyramid... it aids them in viewing the masses as a stupid self-imprisoned amorphous mass with no real benevolent leadership. They shed more of their guilt by this method, or at least divide it amongst themselves. They pridefully serve their 'Lucifer' god by this architecting of 'history' and maintain their contempt for humankind. This secret coding language unites the them to feel more 'powerful' against humanity.

This methodology, although somewhat simple in its basic design, is too sophisticated for ordinary average intellects to comprehend much less understand the hostile ramifications of. The elite already have that figured out, are probably not concerned about their coded language being ever being discovered, and are continuously banking on it daily. The ebook, Revelation 9:11, points out the unmistakable use of it as far back as 1900 with hundreds of examples. (like WW I being officially over on 11/11/1918 at 11am.)

Therefore it unfortunately is only a naive assumption to predict that billions of ordinary people around the world will eventually learn of this. For example, try explaining to this anyone in the general public. Their default reaction is to react to you as if you went to school on another planet.

We in the know are only left to be fascinated by it - like a semi-transparent globally destructive hurricane against all the people of the world that keeps on spinning around and around - with an all-seeing-eye center. Lovely, eh? To me, not any more than understanding the mind of a cult of self-proclaimed freemasonically 'illuminated' serial killers.

It's their most overt method of their madness!

This researcher highly encourages others to pick up the Bible book of Psalms and exclaim praise to Our Lord and Our Boundlessly Magnificent Heavenly Father above periodically, as Our Lord may already starting to approach the doorway!

Let us all be hopeful for Jesus', The Son of God, Blessed Return. This is the only solution to this mess! We *cannot successfully* fight this beast alone *without* Our Father's Divine help! We must pray!

Summary:

My dear friends and fellow people of the world - what are you going to do? Do you need any more evidence that you have been tricked? Manipulated? Abused? Plotted against on a global scale? Are you going to at least warn your fellow brothers and sisters around the world to prepare for days of illuminati-planned chaos and tribulation and possibly study the messages in The Bible and take the time to right oneself with their Father in Heaven? Are you at least going to present this same information to them? Have we already seen the recent great swarms of locusts in Egypt and Mexico and many prophetic natural disasters of late? At the end of 2004 these giant locusts plagued the Israeli State, Mexico, the Spanish Canary Islands, and the land of Egypt(!)

It is perhaps already too late to prevent the illuminati devil worshipping conspirators from releasing the expected plague(s) this spring. In 2004, Bush Jr. signed a 5.6 (5+6="11") billion dollar bill "**Project Bio-Shield**" to help inject the populous with the illuminati's bio-engineered plagues. Over 40 murders government contracted microbiologists have been covered up since 9-11-01 alone! Please see radio host Jack Blood's forum on the Republic Broadcasting Network: <http://bb.rbnlive.com/viewtopic.php?t=1430>

Here is Bush Jr.'s statement on '**protecting**' the American people on February "3rd", 2003: (<http://www.whitehouse.gov/infocus/healthcare/protecting.html>). George Bush (<http://www.whitehouse.gov/news/releases/2003/02/20030203.html>), 'Reich' House News Release.

And here is a press release made Tommy G. Thompson, Secretary of Department of Health and Human Services, on Project Bioshield before the Energy and Commerce Subcommittee Homeland Security Subcommittee on Emergency Preparedness and Response, March "27th", 2003. (http://www.hhs.gov/asl/testify/to_30327.html)

Project Bio Shield's bill name is: **H.R. '21'22'** ('7'x'3')('11'x2). So, it is obvious they even deceive themselves into thinking they are playing God Our Father's role when they are actually only serving their devil.

Even though it was on the table for over 500 days, the legislation passed the House nearly unanimously on a February " 14th ", 2004 vote of 414 yes - 2 nos. The senate voted on May " 19th ", 2004 -> 99 yes - 0 nos. George W. Bush signed S.15 **Project Bioshield** Act of 2004, in the Rose Garden, on July " 21st ", 2004!!!!!!

These encoded devil worshipping numerics tell the careful observer that in short, if you allow yourself to take their vaccines - you will likely perish of a toxic mercury contaminated cocktail of many diseases and bring them home to share with your friends and family. They already have 260 million doses ready and deployed. They will be forcing the vaccines on you at gunpoint (literally). First, they will be registering you for the National ID as well, possibly injecting bio-chips! Hired

thugs in white uniforms will make you think you are violating National Security if you don't take your prescribed vaccination and incarcerate you. **Do not take any vaccines with a lot number ending in "xxxx I3"** - if you don't watch out, you might GET SMALLPOX BIGTIME! They already have special activation orders on military websites for these particular lots of vaccines! See: <http://www.google.com/search?hl=en&lr=&q=smallpox+vaccines+mil+%22DATE+EXTENSION+NOTIFICATION%22&btnG=Search>

Psalm 37 and 91 provide a message of comfort and salvation against these ominous days of tribulation that our devil worshipping overlords just may have planned for us. With the proper amount of spiritual faith, it is said one may overcome the coming deadly plagues. And may the Father have mercy on those who know the value of truth; repent for their sins, and who educate others on how they have been deceived by this current devilish world system operated and controlled by the darkest forces now within mankind. This researcher would gladly lay down his (my) life for the benefit of this cause if it is my Father's will.

In the meantime it is mandated by scripture that believers do not receive any implantable microchips, transmitters, or bodily numbering schemes. Please see section " **The Mark of the Beast** " below.

The recently passed "**HR 418**" the national ID bill legislation requiring all 'citizens' to carry their 'paperwork' or ID. The inside joke is that this represents "For 18" or "For (6+6+6)" or "For the Mark of the Beast" and the number $4+1+8="13"$ - one of the Illuminati's favorites.

It should be noted that:

- * " 27ths " of a month is the most popular date for terror bombings throughout history as the evidence of the last century displays.
- * The " 19ths " have been used for terrorism and most military coups as well.
- * The " 11ths " and " 22nds " have been used for exceptional days in global politics and is also the day of most assassinations. It appears the most of the WW II Nazi executions and human sacrifices of famous figures (including actors / poets / sculptors / etc.) have intentionally occurred on February "11ths". ($2/11 \rightarrow 2+11="13"$)
- * The " 6ths ", " 7ths ", and " 9ths " have been used for many days of political change as well. (Please keep in mind these dates are only a total of 7 days out of 30 in a monthly calendar; making their repetitive global use such as this positively unlikely. That is, if there wasn't a "hidden hand" orchestrating all these events.)

The following was excerpted from a website dealing in the exposure of occult numerology:

Numerologists believe all numbers carry a very specific vibration or demonic energy level. The number 9 is associated with energy, and is considered to be a powerful number. Since 9 is the highest single number, numerologists believe it to be capable of achieving great spiritual and mental results.

11 is a master number that the demons will work lying wonders through: 11 has almost unlimited energy. It is one of the master numbers and possesses more potential than other numbers by resonating a higher vibration and thus more strongly influencing people and events. The 11 is the most intuitive of all numbers. It represents illumination; a channel to the subconscious; insight without rational thought; and sensitivity, nervous energy, shyness, and impracticality...It is the psychic's number.

The Master Numbers, which include 9 and 11, are supposed to be used only in exceptional occasions.

This information is not meant to deceive, it is simply meant to inform and hopefully help reform this world we currently call our home. As it is written, those who overcome may look forward to the coming Kingdom of God, The Father, and His Son's return to Earth for us to enjoy a millennial reign with the divine Son and Our Ultimate Lord and Saviour, His Beautiful (and Honest) Majesty Jesus Christ. On this final note, may you be blessed with this knowledge and your willingness to continuously share it with others!

Discussion of Bible Prophecy:

Daniel 7 (NIV) Daniel's Dream of Four Beasts (similarly the graphic displayed in the appendix was rendered by the artist from Revelation 13:1-4)

1 In the first year of Belshazzar king of Babylon, Daniel had a dream, and visions passed through his mind as he was lying on his bed. He wrote down the substance of his dream. 2 Daniel said: "In my vision at night I looked, and there before me were the four winds of heaven churning up the great sea. 3 Four great beasts, each different from the others, came up out of the sea. 4 "The first was like a lion, and it had the wings of an eagle. I watched until its wings were torn off and it was lifted from the ground so that it stood on two feet like a man, and the heart of a man was given to it. 5 "And there before me was a second beast, which looked like a bear. It was raised up on one of its sides, and it had three ribs in its mouth between its teeth. It was told, 'Get up and eat your fill of flesh!' 6 "After that, I looked, and there before me was another beast, one that looked like a leopard. And on its back it had four wings like those of a bird. This beast had four heads, and it was given authority to rule. 7 "After that, in my vision at night I looked, and there before me was a fourth beast-terrifying and frightening and very powerful. It had large iron teeth; it crushed and devoured its victims and trampled underfoot whatever was left. It was different from all the former beasts, and it had ten horns. 8 "While I was thinking about the horns, there before me was *another horn*, a little one, which came up among them; and three of the first horns were uprooted before it. This horn had eyes like the eyes of a man and a mouth that spoke boastfully. (Here Daniel identifies "anti-christ", the "11th" horn!)

Revelation 17:12-14 (NIV)

12 "The ten horns you saw are ten kings who have not yet received a kingdom, but who for one hour will receive authority as kings along with the beast. 13 They have one purpose and will give their power and authority to the beast. 14 They will make war against the Lamb, but the Lamb will overcome them because he is Lord of lords and King of kings-and with him will be his called, chosen and faithful followers. "

The eleventh " 11th" horn is the prophetic anti-Christ! (Daniel 7:8)

It should be also noted that Genesis " 11" (1-9) described the building of the "Tower of Babel" in ancient Babylon (geographically: Iraq). Apparently even the rich and powerful back then thought that this was the only way they were going to get into heaven! But as the story went - God demolished it long ago; and it is buried deep under the sand in Iraq.

The four beasts of Daniel's (Chapter 7) prophetic vision may just be:

1) Lion (Great Britain and Scotland both us this symbol, as do the York and Scottish Rites of Freemasonry) with Eagles Wings (obviously America) 2) Bear (Obvious symbol of Communism) with 3 ribs in mouth (Russia, China, Korea) 3) Leopard (Germany has used this symbol; 'panzar' (leopard tank) with 4 heads (1st,2nd,3rd,4th Reichs) and 4 bird wings (always done under the wings of the establishment churches) Germany is always where the darkest illuminati have secretly ruled out of (somewhere in Bavaria). 4) Global 10 horned beast (Possibly the new Commonwealth of 10 European (Union) States or 10 UN biosphere regions; or perhaps the 10 nations that ratified the ICC - the International Criminal Court as well!)

The Skull & Bones secret number is " 322". Perhaps it turns into '666' as follows (using its multiplicative inverse: "233") : $2 \times (3)^{00} = 600 + 3 \times (2)^{0} = 60 + 3 \times (2) = 6 \implies " 666 "$

Mysteriously, also it should be noted the number of days in the year divided by eleven: $365/11 = 33.181818181818$ or $"33".(6+6+6).(6+6+6).(6+6+6) \dots$
Also: (1-36 added together) = $666, 18 * 37 = 666.$

If you watch the Hollywood movie "Frequency", the Fire Engine is # 93, Dennis Quaid's home address is " 111", " 22-22" is called out on the radio, the TV is flipped to channel " 13", at the house party are two people with baseball shirts, # 13, # 11, on the TV is a baseball player wearing # 9. This movie has a satanic plot as it suggests that people live on in an after-life without ever referring to Lord and Savior Jesus; with Him we each have eternity; without Him are those whose soul's will perish as is stated in scripture. The movie "Vanilla Sky" starts on his 33rd birthday. He has a board of 7 directors called the 7 dwarfs and they still see him as though he is an 11 year old boy. Hollywood is controlled by the big international banks and their devil worshipping owners. Witchcraft is taught in Harry Potter books and the truth of Jesus is completely left out. Harry Potter series starts when he's 11. There are 7 books and 7 movies planned. It's all over the place. Michael Douglas in the film, The American President: a staff aid comes in the room and states "Mr. President, Mr. **Rothschild** has some concerns about your speech." This world is truly the devil's theatre. Hollywood is a can of worms. They love making truths seem like fiction.

Numerology doesn't excite this researcher. It should not be practiced as it is written. There is a much higher power in the Universe, and His name is Jesus Christ whom we should "all" call upon in sincere appreciation as only He has the power to forgive our sins. Concerning the truth of the world you live in, the wisest of men once said: " let them who have eyes see, and let them who have ears listen. " He also said " the truth will set you free. " (Possibly from the control of the hidden illuminati hand as well.)

Please consider reading The UNtruth of the World, which documents in detail how the illuminati's financial scam took root. (see: <http://www.themoneymasters.com>)

Thank you for your time and you efforts in informing many others. Hopefully for all of us, you found this information enlightening on the spiritual and physical warfare now being aggressively launched upon us by the hidden ruling elite.

At the start of 2005 it is estimated that between 1% and 5% of the American middle-class are now aware of these deeper, yet hidden from the public's view, hair-raising discoveries (in many cases re-discoveries) of truth that is now developing across the land. Yes, there is a global 'hidden hand' and they deal in dirty and bloody business world-wide.

If over 50% of people understand this, and defy their system (perhaps protest by abandoning their 'credit' system by simply each stop paying the big banks with their bills for their plastic money; then when their system collapses, force a reformed government to enact monetary reform) and return to simply obeying The 10 Laws of The Father and nothing contrary ordered to you from above, it may be over for the devilish "hidden hand" within our world society that has been adulterating our otherwise true (and peaceful) history for hundreds of years. Perhaps Jesus Christ will make His promised return when most of us least expect it. Only when the great many of us around the world understand these higher truths will we be set free!

This report has exposed actual evidence showing that occult numerology has been ritualistically embedded into the dates of the largest events of our "world history".

Without having to explain the mathematical improbabilities computing it "impossible" that such a long string of "coincidences" can occur continuously over 100+ years of world history, here the reader is simply given a sufficient and guided tour of the events, dates, and times. The reader is clearly urged to make up their own mind during this presentation of these events as they happened and when they happened; provided here with a "mountain-top" view of all these events of our history. These events and times are all completely factual in the sense that everyone can agree upon them and then all together clearly see the evident numerological pattern that has been applied.

All the people in the world, or at least those who become aware of this, are then each individually presented two options: to go right along celebrating the schedule of events still being conducted by the shadowy "hidden hand" now actively manipulating and adulterating the history of the world -or- do something to help change this devilishly inspired patterning of "news" events of this world we all currently call home before more are murdered or are made into slaves by those who serve themselves and the beast!

Two remaining questions to be answered are: How will We, a diverse People of many various locations, faiths, religions, and financial, personal, and political dispositions and allegiances, together make this massive transformation from current world thinking and how history has been unfolding; previously only left to repeat itself on a greater scale each time around? How fast or slow will it occur? Can humanity bring the Illuminati to trial? Not likely. How quickly will Rothschild and Rockefeller take the stand cross examined by The People with the illegitimate illuminati controlled puppet government out of the way? This is a doomsday plan.

2005 should be the last year of the infamous and nefarious "Bilderberg" meetings that now secretly involve most all governments. (see: <http://www.bilderberg.org>) The People should ban such activities and keep a closer eye on the wealthy elite than they currently have on all of us. Notice that the Bilderberg Group has core of 39 members who are broken into 3 groups of 13 member. The core of 39 answers to the 13 who make up the Policy Committee. The 13 members of the Policy Committee answer to a Round Table of 9.

ALL SOLDIERS CURRENTLY SERVING SATAN'S ILLUMINATI SYSTEM TRULY NEED TO UNDERSTAND THIS! If all the soldiers of the world in solidarity with each other begin to obey Our Father's Commandment that one **should not kill**, and re-point their many guns, starting with the American military, and returned home - the illuminati would not be able to continue their stage managed global warfare. There is always a higher truth to be searched for and discovered. Only when the great many of us around the world understand and agree upon these truths will we be set free as has already been written!

" Military men are dumb, stupid animals to be used as pawns for foreign policy. " - Henry Kissinger, Long-time shadow government official and war criminal

" It is my conviction that killing under the cloak of war is nothing but an act of murder. Nothing will end war unless the people themselves refuse to go to war. The world is a dangerous place to live; not because of the people who are evil, but because of the people who don't do anything about it. " - Albert Einstein, Critical Thinking Scientist

" Strike against war, for without you no battles can be fought! Strike against manufacturing shrapnel and gas bombs and all other tools of murder! Strike against preparedness that means death and misery to millions of human beings! Be not dumb, obedient slaves in an army of destruction! Be heroes in an army of construction. " ~ Helen Keller, 1940

In closing, it should be stated that from all of our homes, we should all humble ourselves and pray with all the love in our hearts to The Father and Son through the Holy Spirit for spiritual guidance and help while seeking mercy from today's "beast" - each morning, afternoon, and night.

Each of us should not fall for the elite controlled establishment media's strong delusion. We will not succeed if we don't view God's word as the ultimate truth of what will ultimately save us. We can make war with the beast (Rev 13:4); and we can do all things through Christ which strengthens us (Phil 4:13). We can refuse to worship the beast (Rev 13:8).

" The UN is but a long-range, international banking apparatus clearly set up for financial and economic profit by a small group of powerful One-World revolutionaries, hungry for profit and power. " - Curtis Dall, FDR's son-in-law as quoted in his book, *My Exploited Father-in-Law*

"The United Nations is the greatest fraud in all History! Its purpose is to destroy the United States." - John Rankin, U.S. Congressman

" Every child is our child. " - Motto of the United Nations Children's Fund (UNICEF).

" Government is the great fiction, through which everybody endeavors to live at the expense of everybody else. " - Frederic Bastiat, French Economist (1801-1850)

" No matter what political reasons are given for war, the underlying reason is always ECONOMIC. " - A.J. Taylor, British Historian

Importantly, We also need to respectfully remember Revelation 17:17 , " For God has put it into their hearts to accomplish His purpose by agreeing to give the beast their power to rule, until God's words are fulfilled. " Our Father is indeed Supreme, yet Merciful.

Mostly, above all else, let us remember Our Loving Father who eternally knows us all from in Heaven through all the heavenly angels watching over us and the blessed Holy Spirit all around us, and ask Him for His mercy from today's beast in mankind. Only He, and rightfully so, will determine the final outcome for us all. He is the Most High and Wise, and those who trust in Him, believeth in His Son (John 3:16), repent, accept, and obey His Laws may be saved. " For God so loved the world that he gave his one and only Son, that whoever believeth in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him. Whoever believes in him is not condemned, but whoever does not believe stands condemned already because he has not believed in the name of God's one and only Son. This is the verdict: Light has come into the world, but men loved darkness instead of light because their deeds were evil. Everyone who does evil hates the light, and will not come into the light for fear that his deeds will be exposed. But whoever lives by the light of truth comes into the light, so it may be seen plainly that what he has done has been done through God. " John 3:16-21 (NIV)

The Lord's Prayer

Our Father, who art in heaven,
Hallowed be thy Name,
thy kingdom come, thy will be done,
on Earth as it is in heaven.
Give us this day, our daily bread.
And forgive us of our trespasses;
as we forgive those who trespass against us.
Lead us not into temptation,
but deliver us from evil.
For thine is the kingdom, and the power,
and the glory, for ever and ever.
We pray in the name of Jesus, The Son. Amen.

" Give thanks to the Lord, call on his name;
make known among the nations what he has done,
and proclaim that his name is exalted.
Sing to the Lord, for he has done glorious things;
let this be known to all the world. " Isaiah 12:4

" Make the heart of this people calloused; make their ears dull and close their eyes. Otherwise they might see with their eyes, hear with their ears, understand with their hearts, and turn and be healed.
" Isaiah 6:10 (KJV)

" ...Yea, they have chosen their own ways, and their soul delighteth in their abominations. I also will choose their delusions, and will bring their fears upon them; because when I called, none did answer; when I spake, they did not hear: but they did evil before mine eyes, and chose that in which I delighted not. " Isaiah 66:3-4 (KJV)

Ezekiel 12:2 " Son of man, thou dwellest in the midst of a rebellious house, which have eyes to see, and see not; they have ears to hear, and hear not: for they are a rebellious house. "

{a quick note about the author: Eric Rainbowlt is a 33 year old software engineer. Eric earned a congressional nomination to the Air Force Academy in 1989 but accepted an AFROTC scholarship to Purdue University. Being an inch too tall to be a pilot and having a heart murmur that was later corrected, he left the Air Force and took a civilian job as a software developer for a total of 8 years with Motorola. In 1995 he moved to Austin Texas to help work on the PowerPC microprocessor (macintosh cpu). He operated the technical support hotline for Motorola's PowerPC customers and then ventured off to Austin Texas software startups such as Hyperformix, Mall.com, Partnerware, and lastly with the Cobalt Group (developers of the industry standard dealership eCRM application, LeadManager.) In 2003 after reporting on 911 for over 1 year under the mentorship of Alex Jones with his own cable access show "The 911Exposed.com Newshour", he quit his comfy high paying job and left for poor Central America to write a book entitled "The UNtruth of the World", available for free download on the internet. This book includes all the original quotations of our founding fathers and accurately explains what is meant by the term "political terrorism" today. }

What can you do? This one believer *believes* there is something you can do right now. You can drop to your knees or however you would choose to do it and speak to your Father in Heaven who really would like to hear from you again. Truly! You can pray in the name of His Son Jesus, the Christ. He will hear you. Try to do this each night, because once the great majority of the People of the World turns back to Our Father - He is the Only One Who can pull the rug out from under the devil worshipping globalists; and then Jesus *may* return to secure the beast back in his cage in the

center of iniquity along with all those who worshipped themselves, stone idols, perpetually dismayed The Father, worshipped "the system", and/or endlessly pursued other pleasures and distractions more than appreciating His Truth or helping others less fortunate.

Please read the Book "The Bible".

" And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. " Romans 12:2 (KJV)
Certainly do not conform yourself to this world's devilish "propaganda" .

If you do this, and you wish to speak to someone in government also, you can call Texas Congressman Ron Paul's information line in DC (His number is: 1-888-322-1414 {looks like skull & bones set up the telephones in congress } Call his office today. Tell him that you wish to send him this report. Ask him to speak to all his callers in a public manner all at once about the devil worshippers who are now gripping Washington DC, our monetary system, Wall Street, and the mass media. Then all of us will likely get some more truth out of him; with him being our most honest congressman today.

Please Email this PDF enook to OTHERS AND SO ON so the Illuminati's World Wars will be ended by the Grace of Our Father in Heaven. First we must each turn to Him as we should, repent for our past misdeeds, and through the Holy Spirit, ask for His mercy and His help against this prophetic end-time beast of mankind !

You can email this to 100 people you know. Please print it or order the book that is published at low cost.

Only through Our Father's help can we overcome the beast!

We must humble ourselves; pray our hearts to Him!

Here is an additional prayer we can all share in and pray:

Dear Heavenly Father of us all,

Who has been watching over us from above;
in our ignorance, regretfully, we have forsaken... your love.

We are not worthy yet of your Mercy,
for we have betrayed your laws and sinned.

Now we stand shamefully aware of what we have
allowed to occur, that your love only can mend.

We hope and pray for Your Son's promised return,
In Jesus' name we need to all pray.

For we truly need Him to soon return, to gather His
flock, and to cage the beast, without delay.

When You determine the right time, Your Son's brilliant Light
will again enter this world, and lead his faithful to safe pasture.

Yet we have much work to do before Our Lord comes again,
reminding others who should be helping that there is no rapture.

We look forward to your Kingdom, and your healing of our land,
and the care you have for the righteous, whom you love to hold
in your Great Hand.

Without You we have fallen to the beast of mankind.
Yet Reunited to your Laws, We will again be able to Stand.

In Jesus' Beautiful name we pray. Amen.

Hymn to Lucifer

Ware, nor of good nor ill, what aim hath act?

Without its climax, death, what savour hath

Life? an impeccable machine, exact

He paces an inane and pointless path

To glut brute appetites, his sole content

How tedious were he fit to comprehend

Himself! More, this our noble element

Of fire in nature, love in spirit, unkenned

Life hath no spring, no axle, and no end.

His body a blood-ruby radiant

With noble passion, sun-souled Lucifer

Swept through the dawn colossal, swift aslant

On Eden's imbecile perimeter.

He blessed nonentity with every curse

And spiced with sorrow the dull soul of sense,

Breath life into the sterile universe,

With Love and Knowledge drove out innocence

The Key of Joy is disobedience.

Afterword :

This book, "The Architecture of History", exposes how most men and women have been generationally deceived by our arch enemy; the devil. Here it is summarized how World Wars are created and develop and perhaps how the approaching World World III may be prevented or at least lessened through properly directed 'humility', 'faith', 'love', and 'appreciation' of Our Eternal Creator, Our God, Our Father, and unity in Our Living Lord and Savior Jesus Christ who will one day and hour make his promised return in full sight to all of us as it is already written.

This e-paper exposes the class of people behind all of these horrible world wars: a shadowy imperial oligarchy of devil worshipping 'illuminati' international bankers emerging from a handful of the world's wealthiest families. Their control networks have now been exposed by which they have established with their excessive amounts of money and political power. It shows why they conspire against the poor who they are now calling "the billions": a sinfully perpetual bloodlust for power over all other men, women, and their children. It shows how they craft propaganda through print and *television* to intentionally and effectively *deceive* nation upon nation and culture upon culture into fear, hatred, and warring with each other through every method available to them; principally *lies* .

The wealthy elite conspirators exercise their control over our world from their ivory towers, intelligence, and communications networks through their global *monarchy* of installed puppet national government and military 'leaders'. They know the psychological techniques necessary to mind control entire populations, the whole indeed being more gullible than the parts, into making them believe and react a certain way desirable to them. A roundtable of men feverishly conspire to create the conditions and *propaganda* so that people of different skin colors, locations, and religions hate and wish to kill each other; they wield enough influence to make people harden their hearts against the Father, sin, and grow to fear and hate their fellow brothers and sisters all around the world. All the while the elitist war orchestrators have made and make every attempt to stay hidden from the public's eye; as if they are non-existent or 'neutral' during periods of peace & war. Fiction? Hardly.

In their clandestine control over the world America is not excluded. In fact, the American people are now the heaviest hit with mind control methods through their televisions and popular culture. America is now also functioning on roughly 5 trillion dollars of credit/debt and the "bankruptcy", although rigged, of the nation is only ballooning.

This document is to point out the real enemy behind the curtains of each global war including the one being played out today. Evidence pointed out here shows the illuminati elite's methodology of conducting their wars as a succession of devil worshipping ritual events; in which the timing of these events have by now told us that our most difficult periods of 'history' have obviously been laced with occult numerological signatures used in the dates of their actions.

This report, used as a tool for mass educating our bretheren across the internet , can cast light on the real evil machinations behind the development of wars and other atrocities such as 'political terrorism' that we have all seen: he Western " 9/11 "s and the Eastern " 3/11 "s of yesteryear and the new fearful events our hidden warmongers are constantly planning in cooperation with the Skull & Bones controlled "Reich House" in DC.

" When all government, domestic and foreign, in little as in great things, shall be drawn to Washington as the center of all power, it will render powerless the checks provided of one government on another and will become as venal and oppressive as the government from which we separated. " - Thomas Jefferson

In short, [after another devastating illuminati staged terror event] if the American people allow foreign UN/NATO financed troops to enter and attempt to disarm the middle-class because their corrupted government mandates that this must be done in the name of 'peace' - logic states that the despots will not only destroy families and *freedom* in America; but all around the world as well. The final illuminati plot is to establish a One World Government, where the elitists envision ruling the planet, as a globalized *feudal* system, consisting of the ruling class elite and 1 billion remaining (or less) micro-chipped and tracked human slaves to provide for industry and to serve them. The global conspirators are planning on having the population reduced through stage managed warfare, famines, and the release of deadly biological plagues. All the corporate CEOs who chalk all this up as a "conspiracy theory" would be perpetual unrepentant liars.

On April " 3rd", 1933 Franklin Roosevelt convinced all Americans that they needed to offer up all their gold bars and coins under the penalty of a hefty \$100,000 fine "to help get America out of the Depression". Americans willingly complied across the board and have since lost most of the massive gold stock the middle-class once possessed; funneled right out of Fort Knox back to the big European international banks and the illuminati's personal vaults. Similarly, will Americans willingly give up their guns and their 2nd Amendment after another staged and more devastating terror attack? We should hope not. We must reach out to the soldiers so they can discover they have a Lord who reigns much higher than their sergeants or majors or commander in chief. {thief} We all know Jesus would not harm anyone and we should all try to forever conform to his loving standards!

" Some call you 'the elite'. I just like to call you my bankers. { Laughing if off ! }" - George W. Bush, quoted from the film Fahrenheit 9-11 { note: Michael Moore only delivers half the ugly truth in that film released to the public }

We should hope that those same foreign invading forces, backed by The People, unanimously make a 180 degree turn and arrest the elite and their military commanders instead; and if necessary perhaps the many fighter pilots should use up all their remaining ordinances in pulverizing the illuminati's imperial castles and every stone idol including the one at the "Bohemian Grove" deep into the ground before another civilian mosque or church is targeted again.

Were not the castles the ultimate target of the wars long ago? Why did that change? Why are the poor and innocent citizens of Iraq and Afghanistan and elsewhere the first and the last to get attacked by these wars of today? Why has Sadaam Hussein not been brought to trial? Or Osama? Or how about the American people bringing the Bush administration onto trial for lying to them repeatedly? Why does keeping our 'leaders' in check or true justice seem so anti-establishment and far fetched today? Now we know why, and we should uproot this devilish system of control and return in spirit to Our Lord.

Hosea 4:6 " My people are destroyed by lack of knowledge. " The Word of God is the foundation of true knowledge.

Please note that every date listed in this report is true as these events appeared in the various newspaper headlines on that day of the month. They can each be verified on the internet, and principally at the online encyclopedia: <http://encyclopedia.thefreedictionary.com>

It should be noted that as of the beginning of 2005, that the stock market is on brink of collapse just as it occurred in 1929 under the same system. (proof given here also w/recent Forbes article authored in part by Stephen Roach, the chief economist for Morgan Stanley & Co. - the article link is given at end of this report.)

Do you still think it can't happen in America?; - please don't be on the side of the globalists in also fooling yourself - it already has happened in America! Perhaps your are recently confused by the recent high tech computer animated re-enactment of the Kennedy assassination presented on the "History" Channel convincingly narrated by the media prostitute "Bill Kurtis". Please don't be confused - Kennedy was hit by a bullet in his forehead that knocked his head quickly "back" in alignment with the popular 'grassy knoll' accusation. 5 bullets were discovered from different guns. This recent propaganda whitewashing completely skipped over these facts... they didn't even show those images.

The founding question posed by this report is: Do the people all over the world really want to know "the truth"? If not; if We The People of the whole world allow ourselves to be continuously manipulated and lied to instead, as most everyone is now, we will surely suffer nightmarish warfare and atrocities due to our widespread and ongoing lack of concern. The plans now in store for the billions of people of the world are horrific! Certainly, big consequences will soon spring up for our great body of our brothers and sisters who now continually accept the lies and subtle daily manipulations from their couches and lazy-boy chairs being presented through their televisions.

How would Hitler's government have used the television to control the thoughts of the German people in the days leading up to World War II? Similarly, would the corporate networks today alarm the people in each hemisphere of the prospect and onset of another bloody world war and an ensuing global tyranny that is fully operated by shadowy and faceless elite power-crazed international banking overlords?

When people demonstrate a perpetual pattern of gullibility and even willful compliance with evil, one must wonder what is really the root cause of it all. Is it ignorance? Is it indifference? Maybe it is personal ambition or the love of comfort. There is another possibility: it could be divine delusion in part as well.

" And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? Who is able to make war with him? " - Revelation 13:4 (KJV)

According to the Scriptures, people who *readily* reject truth are destined to receive a " strong delusion ".

The amount of money the devil's followers are spending to deceive the elect is staggering. They will give their last million if necessary to fund propaganda campaigns in various forms to get the Christians to believe their palatable lies and reject the hard sayings of Our Father's

Commandments, will for us, and prophecy. Today's politicians are the most experienced, skilled, and masterful of liars and hypocrites; they are the vastly more wealthy and deceitful than the most ambitious of used-car salesmen. For example, persons such as George H. Bush and Bill Clinton will gladly get on Larry King Live together, with each working for his own individual self-serving interests and do their best to sweet talk to the viewing audience about their "faith in a loving god" on the heart-breaking topic of the tsunami in the Indian Ocean.

They are so slick and work together as if they have one mind, that the viewer at home is left to believe that each of these men are true God-fearing Christians with noble and loving hearts who in their private moments are each deeply distressed about each and every death that has occurred in their wars or in natural disasters such as the tsunami. They each realize the best time to capitalize on enhancing the public's perception of them, for themselves, is right after a big disaster. Is their hypocrisy not so thinly veiled in what they each desire to project to the public eye when the camera is on them?

Who can possibly ever deceive more people than the devil itself; and those who worship his ways and those who knowingly allow themselves to walk in step along with his lies? This researcher and author also feels it would do a great deal of good if "everyone" of sufficient age read this report and became aware of and learned to recognize the devil's "hidden hand" in our world until all is uncovered; the details of the whole truth eventually surfaced.

The question remains and persists: when will The People finally reject the establishment's lies, delusions, mind control, and financial entrapment and begin striking their efforts right at the subterranean foundation of the true infamous tower of evil in our world? The past accurately reflects that the majority of this world's people have always been at the tail end of a long list of abuses of the power elite; no matter what century it has been since ancient Rome. This first half of 2005 is surely the last of any breezy/relative calm before their next planned storm, a third and more expansive world war. Surely at this rate, it would take a widespread miracle or mass awakening for it to one year cease. The globalists innate path of "self-destruction" seems to be partial hope as the public is too feckless & weak to resist.

Either way, what we have seen since 9-11 is a form of acceptance in the face of denial, a strange sort of paradox of man seeing his own blindness and denying it. Most have seemed as if they wish to act like they have grown fonder of their captors.

The semi-secret, selfish, and macabre plans of the establishment elite have been self-proclaimed the elite's "New World Order"; yet it truly would be nothing but an increased level of tyranny conducted by the same oily global financially oligarchal oligopoly of elitist conspirators. This orgy of grotesquely wealthy multi-national participants are the same powerful shadowy and generational elite factions who have already set the stage for two world wars and fabricated incredibly costly arms races across the globe when efforts could have been applied to benefit the world's peoples instead; and each of them and their wives certainly share the blame equally.

" 8And then the lawless one will be revealed, whom the Lord Jesus will overthrow with the breath of his mouth and destroy by the splendor of his coming. 9The coming of the lawless one will be in accordance with the work of the devil displayed in all kinds of counterfeit miracles, signs and wonders, 10and in every sort of evil that deceives those who are perishing. They perish because they

refused to love the truth and so be saved. 11For this reason God sends them a powerful delusion so that they will believe the lie and so that all will be condemned who have not believed the truth but have delighted in wickedness. " - 11 Thes 2:8-12 (NIV)

" And through his [anti-christ] policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many... " Dan 8:25 (KJV)

They will believe a lie, not just one - but many...

" The average age of the world's great civilizations has been 200 years. These nations have progressed through this sequence: from bondage to spiritual faith, from spiritual faith to great courage, from courage to liberty, from liberty to abundance, from abundance to selfishness, from selfishness to complacency, from complacency to apathy, from apathy to dependency, from dependency back to bondage. " - Alexander Fraser Tytler (1813)

Short History of Gun Control:

" The strongest reason for the people to retain the right to keep and bear arms is, as a last resort, to protect themselves against tyranny in government. The beauty of the second amendment is that it will not be needed until they try to take it. " - Thomas Jefferson

In 1929, the Soviet Union established gun control, and from that year until 1953, twenty million people were rounded up and exterminated. Turkey established gun control in 1915, and over the next three years, 1.5 million Armenians were rounded up and exterminated. Germany established gun control in 1938, and over the next seven years, 13 million people were rounded up and exterminated. China established gun control in 1935, and over the next 17 years, twenty million people were rounded up and exterminated. In 1964, Guatemala established gun control, and during the next 17 years, 100,000 people were rounded up and exterminated. In 1970, Uganda established gun control, and during the next eight years, 300,000 people were rounded up and exterminated. In 1956, Cambodia established gun control, and from 1975 to 1977, one million "educated people" were rounded up and exterminated. Thus, in the 20th century, 56 million people unable to defend themselves were rounded up and exterminated.

Executive Orders Awaiting Activation Upon Bush Jr.'s Declaration of Martial Law:

Concerning the many "Executive Orders" awaiting activation when criminal elite unleash their next act of political terrorism and declare a national state of crisis: (How many Americans remember how Germany, loaded with ordinary Germans, quickly fell to fascism just 6 decades ago, or within the lifetime of one generation?)

The following is excerpted from the larger essay by John Loeffler entitled: Quo Vadis America: Three Threats to Freedom located at:

<http://www.khouse.org/articles/currentevents/10080301-112.html>

Issuing Executive orders was the means by which Germany was converted from a Republic into a Nazi dictatorship in just three months. Executive Orders are issued by the president and appear in

the Federal Register for 30 days. If there is no challenge by Congress, the order then becomes law. Similar to EOs are Presidential Decision Directives, such as the secret PDD₂₅, which allows for the use of U.S. troops in UN operations without congressional approval-in violation of the Constitution.

There have been thousands of executive orders written by presidents since the 1940s. Most of these consist of administrative housekeeping. However, a few orders involve much more than the efficient management of the nation. They virtually suspend constitutional rights and provide dictatorial powers to the executive branch of the government in a time of real or contrived emergency. There is no provision for how long a state of emergency can last.

If the president were to declare an emergency, for whatever reason, Congress's consent is not even required.

Executive orders give the government the power to act as an unaccountable dictatorship. In addition, authority does not flow from the president to the governors of the various states during the emergency, but rather through the director of the Federal Emergency Management Agency (FEMA) and his regional directors. The states are totally bypassed.

Executive Order 10995 empowers the government to take over all communications media: radio, television, newspapers, magazines, CB, HAM, short wave, telephones, satellite and the Internet. The First Amendment would be suspended.

Executive Order 10997 allows the government to control all electric power, petroleum, gas, fuel and minerals. Executive Order 10998 gives government control of food and farm production.

Executive Orders 10999, "11"003, and "11"005 control transportation, including private automobiles, highways, waterways, rail lines, airports and public storage facilities. Government can seize any vehicle.

Executive Order "11"001 allows for the seizure of health, education, and welfare functions, including hospitals, pharmaceuticals, and schools.

Executive Orders "11"000, "11"002 and "11"004, perhaps most disturbing of all, provide for the registration and relocation of individuals as the government sees fit, including separation of families based on the perceived needs in dealing with a declared crisis. These orders also provide for the seizure of housing and the establishment of new public housing.

Zionism: A Conspiracy Against Jews

<http://www.savethemales.ca/000482.html>

By Henry Makow Ph.D.

June 27, 2004

In 1935 the steamer "Tel Aviv" made its maiden voyage from Nazi Germany to Haifa with Hebrew letters on its bow and a Nazi flag fluttering from its mast. The Captain of the Zionist-owned ship was a member of the Nazi Party. A passenger described the spectacle as a "metaphysical absurdity."

Actually it made perfect sense.

The ship transported German Jews who had taken advantage of the "Haavara" program, which allowed them to exchange their money for its value in Germany products in Palestine. As a result, the fledgling Jewish colony received about 70,000 highly educated German Jews and 140 million Reichmarks worth of German industrial equipment. This laid the foundation of Israel's infrastructure.

The arrangement also boosted the Nazi economy at a time when Jews worldwide were boycotting German products. (My main source is "The Secret Contacts" by Klaus Polkehn a prominent German journalist. It is included in Olivia O'Grady's *The Beasts of the Apocalypse*, 2001, 421-447.)

Why retell this story of Zionist-Nazi cooperation now?

Because "Jewish" leaders have been exploiting their "lesser brethren" for a long time, and are doing so today. Ordinary Jews pay the price and this price could rise.

In my opinion, Zionism is a movement to deceive Jews into advancing the objectives of British imperialism. (See, "The Jewish Conspiracy is British Imperialism") Zionists who have built their lives on a false premise naturally will reject this view.

Specifically, Jews helped the British-Jewish elite colonize the oil-rich Middle East under the pretext of Jews needing a national home. Despite the appearance of neutrality, the British (and Americans) financed, trained and equipped the Jews. (John Coleman, *Diplomacy by Deception* p. 107.)

The "British" are really the London-based international banking cartel associated with names like Rothschild and Rockefeller. It doesn't answer to any government. Its goal is to colonize the world and everyone in it. Jews are a means to this end.

As seen in Iraq, Zionists (a.k.a Neocons) play a major role in the colonization of the Middle East. The important thing to remember is that Israel is the creation of this cartel; both Israel and the US are its tools.

Iraq is only a phase in the emerging New World Order, which represents a continuation of the goals of "British" imperialism. John Kerry would take up in Iraq where George Bush left off. Democracy is a charade.

NAZIS MADE-TO-MEASURE FOR ZIONISM

In 1925, Germany's 500,000 Jews were overwhelmingly indifferent or actively hostile to Zionism. The German Zionist movement had only 9000 members.

The "Central Union of Germans of the Jewish Faith" represented most German Jews and favored active participation in German life. Its main focus was combating anti-Semitism.

Zionists, on the other hand, welcomed the Nazis' anti Semitic policies. Like the Nazis, they believed in race-based national character and destiny. Like the Nazis, they believed Jews had no future in Germany.

The Zionists did not protest Nazi persecution such as the removal of 2000 Jewish scholars and scientists from German universities in 1933. The Nazis rewarded this "restraint" by allowing the Zionists to go about their work unhindered. All other Jewish and anti fascist organizations were disbanded and their leaders imprisoned.

The Nazis required all Jews to join the Zionist-led "Reich Union" whose goal was emigration. Jews were to be converted to Zionism at any cost. The Zionists were able to publish books and newspapers critical of the Nazis so long as the audience was restricted to Jews.

The cooperation extended to political and economic spheres. Adolph Eichmann set up agricultural training camps in Austria to prepare young Jews for Kibbutz life. He visited Palestine and conferred with Zionist leaders who confessed their true expansionist goals. There was even talk of a strategic alliance between Nazi Germany and Jewish Palestine. His report is in Himmler's Archives.

[For more on Zionist-Nazi cooperation, see online Lenni Brenner ["Zionism in the Age of Dictators"](#) Also, Lenni Brenner, 51 Documents: Zionist Collaboration With the Nazis (2002)]

The cooperation may have extended to the Jewish Holocaust and explain why most Jews passively accepted their fate. In his book, "The Holocaust Victims Accuse" Rabbi Moshe Shonfeld claims that Zionist- led Jewish Councils ("Judenrats") collaborated with the Nazis and deceived non Zionist Jews. See my ["Zionism: Compulsory Suicide for Jews."](#)

Europe's non-Zionist Jews were worth more dead than alive to Zionists and their financial sponsors. The Holocaust provided a political and moral rationale for the establishment of the Jewish state.

WHO WAS HITLER?

In 1919, Hitler was an Intelligence Officer with the German Army assigned to spy on the tiny German Labor Party. He became its leader. Max Warburg, brother of Paul Warburg, founder of the US Federal Reserve, was the chief of German Intelligence. Both were executives of the I.G. Farben conglomerate. There is no record of when Hitler stopped working for these Illuminati figures. (See also [Be Afraid: The New World Order's Fascist Pedigree](#))

Hitler was sponsored by the banker oligarchy, and may have been their pawn. Certainly the Nazis received millions of dollars from New York and London. See ["Hitler Didn't Want World War."](#)

Ernst ("Putzi") [Hanfstaengl](#) was close to both the bankers and Hitler and funneled money to the Nazis during their formative years. See also Antony Sutton ["Wall Street and the Rise of Hitler"](#) Chapter Eight

But when Hitler began to print his own money, he may have alienated these sponsors. See ["Rothschild Conducts Red Symphony"](#)

The bottom line is that both Nazism and Zionism were sponsored by the same banking cartel and had complementary goals. The rise of anti Semitism in Europe served to create the State of Israel, which President Assad of Syria described as a "dagger in the heart of the Arab nations."

Think about it. Hitler could have just confiscated all the Jewish wealth. Instead he used the

"Haavara Program" to help establish the State of Israel. According to Polkehn, Hitler personally guaranteed this program in the face of opposition. It lasted until the beginning of the war.

This cartel, which controls the world today, has no compunction about using Jews (or anyone) as a means to an end.

THE BANKERS' AGENDA

All money is created in the form of debt to the privately owned banking cartel.

Imagine if you could create money out of thin air. Imagine you have the credit cards of all the nations in your pocket.

Your first impulse is to lend money to your nominees so they can buy most of the world's real wealth for you.

Your second impulse is to establish a totalitarian system ("world government" "globalization") to prevent any nation from challenging this system or defaulting on their "debt" to you.

To make nations accept "world government," you need to weaken them by having them fight among themselves, run up huge debts for armaments (which you will sell them), kill off the cream of their manhood, and become demoralized and decadent.

You accomplish this through your ownership of politicians and the press and your control of MI-6, CIA, Mossad who carry out terror and assassinations for you. This is the real history of the last 300 years.

"World government" is really about using debt to enslave us; it is an international loan collection agency. Naturally they shroud this with talk about tolerance, human rights, fighting poverty and preventing war.

A quote from a 1924 edition of the [American Banker's Association](#) Digest sums up what is currently happening. Keep this in mind when you vote.

"When, through the process of law, the common people lose their homes, they will become more docile and more easily governed through the strong arm of government applied by a central power of wealth under leading financiers. These truths are well known among our principal men who are now engaged in forming imperialism to govern the world. By dividing the voter through the political party system, we can get them to expend their energies in fighting for questions of no importance. "

Now consider the words of an [Illuminati defector](#), Svali.

"The conflict in the Middle East is only to the advantage of the Illuminists. They HATE Israel, and hope one day to see it destroyed, and are biding their time. One of the olive branches offered by the UN when it takes over is that they will prevent war in the Middle East, and this will be greeted with joy by many.

At the same time, the Illuminati covertly supply guns and funds to BOTH sides to keep the conflict fuelled. They are very duplicitous people...These people love the game of chess, and see warfare between nations as creating an order out of chaos."

In a personal email, she added:

"I have always wondered this, though, why some of the highest ranking financial families in the group (Baron Rothschild of France is one of the 13 European lords, or "kings" that run the group in Europe, and sits on the World Council) are Jewish, yet the group espouses hatred of their own race."

CONCLUSION

Ben Hecht said that reading the daily news to understand current events is like telling the time by looking at the second hand. You have to look at the decade and century hands to see what is really going on in the world.

The Rothschild-Rockefeller banking cartel is behind most political (and cultural) trends and its goal is to destroy the nation state, true democracy, religion, culture, marriage and family, in order to degrade humanity to animal status in advance of totalitarianism.

In the "war on terror," they have created a bogeyman to establish a system of repression to be used when they call in their "loans."

I was once a Zionist who believed Jews needed a homeland because of anti-Semitism. I realize now that, like most of history, this view was mostly contrived. Anti-Semitism is caused because many Jews serve (consciously or unconsciously) the bankers' harmful agenda. Zionism, Communism and Feminism are a few examples.

Most Jews are now totally identified with Israel, which is a tool of the Rothschilds' demented megalomania. If past is preface, this cannot end well for Jews or anyone.

About the Mark of the Beast:

For centuries Christians have speculated about the Mark of the Beast described in the Book of Revelation. Nineteen hundred years ago the apostle John received a vision from The Most High, that in the last days no one on earth will be able to buy or sell anything without the Mark of the Beast - the Antichrist. This is the first time in history, when technology has been available to fulfil this prophecy.

Texas Instruments markets the TIRIS (Texas Instruments Registration & Identification System) which is used in a wide range of applications (some of you may already use them on your auto for toll road authentication). TIRIS also comes in a 19mm glass capsule bio-implant model, a programmable hand-held reader, along with a multi-shot injector gun capable of high speed and high volume (was designed for livestock identification needs -- which is used in the European Union countries for agriculture inventory tracking and subsidy programs). It can encode " 19" digits, which in a variety of combinations can be programmed with up to 34 billion code numbers.

Widely known is the Hughes Identification Device RF/ID tag. Their injectable transponder is the TX1400L, " 11"mm x " 2.1"mm, glass encapsulated. Product literature says: "Although specifically designed for injecting in animals, this transponder can be used for other applications requiring a micro-sized identification tag."

Right now, there is a computer chip the size of a grain of rice (" 6"mm long) and can carry all information on any individual and is self-charging. It is charged by the body's heat, and after planners invested 1.5 million of your tax dollars, they found out that the best places to put this chip would be in the right hand or if that is missing or impractical, in the forehead. This chip will be injected in the hand or forehead in the same way as a shot. There will be " 18" digits, your zip code, plus the extra four digits after the dash and your social security number, burned on the chip. These "18" digits will be grouped in three groups of six numbers. (000000 000000 000000) The pattern(s) is not a coincidence or a mistake. The existence of this subtle manipulation is proof positive that the battle for our souls is real and even escalating. It is just small indicator of the colossal battle between good and evil, which balances perfectly with the biblical warnings of the End Times. Your soul is the target. Are you ready to fight off the attack?

Final Notes (The Police the "Useful Idiots" of the illuminati bankers?):

" There seems to be nothing to prevent the transnational corporations taking possession of the planet and subjecting humanity to the dictatorship of capital... In order to crush any thought of organized resistance to the supporters of the new world order, tremendous police and military forces are being used to establish a doctrine of repression.... " - Christian Ia Brie, Le Monde Diplomatique (Paris) May 1999 [Mr. Brie is wrong however, Our Father can do anything if and when he chooses it to occur!]

Please figure it out police officers and resist the devilish New World Order without delay!

Human beings are naturally attracted to good and repulsed by evil. Thus evil always represents itself as good. To the public, and its own lower ranks, Freemasonry pretends to be dedicated to " making good men better ", humanism, tolerance, Christianity and you-name-it. (All Lies!) Juri Lina has written a courageous book about Masonry to revive us. He says we face " the largest spiritual crisis in the history of mankind...They have taken our history, our dignity, our wisdom and our honor, sense of responsibility, spiritual insights and our traditions. " We are partly to blame he says: "We have failed to act against the Masonic madness due to our enormous gullibility. We have been totally fooled and ignored all the warning signals." " Some call you 'the elite'. I just like to call you my bankers. { Laughing if off! }" - George W. Bush, quoted from the film Fahrenheit 9-11

Some Possible Solutions:

The Father's children can and eventually will overcome: " But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire. " (Deuteronomy 7:5)

The Father states we should demolish their stone gods and cut down **Bohemian Grove** and burn the signs! Let us give our armies something useful to do !

" The graven images of their gods shall ye burn with fire: thou shalt not desire the silver or gold that is on them, nor take it unto thee, lest thou be snared therein: for it is an abomination to the LORD thy God. " (Deuteronomy 7:25)

In a private place pray to Our Father in the name of Jesus the Son and return to him in spirit so we may receive his mercy from the prophetic beast of mankind! Love all your neighbors around the world! Help battle the devil into submission with your diligent prayers always said in the name of Jesus! It will be by each persons own will if we each repent, stopping sinning much less, and do our best to obey Our Father's laws.

We have Eternal Victory in Jesus's name and we must pray and state His name to help us overcome this beast arising out of iniquity! If it helps, think of life as a huge 3D super processing video game, but God Our Father is incredibly more! The Spirit of Our Father is pure generous and righteous Love and He delivers it through His Son!

Final Disclaimer: The researcher, Eric Rainbolt, is *not sure* if this document in its whole perfectly alludes to Our Heavenly Father's will (he remains only *hopeful* of it) or if this period in time is the actual prophecized 'End Times' at the stated "time, times, and half a time." I, Eric Rainbolt, do not wish to add or subtract one or any words from actual Bible prophecy. In the book of Revelation it states that many of the faithful (who will be given the gift of eternal life) will be persecuted during the tribulations and be *beheaded* (with a sharp sickle) during the Harvest of the Earth.

Please see Revelation 13:15 and Revelation 14:18 and Revelation 20:4 which states:

" And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years. "

Faithful believers love Jesus more than their own lives. The ministry work of Sister Pam Schuffert and Brother Texe Marrs who have been actively exposing concentration camps in America and railcars with guillotines for the past three years appears on the surface more in alignment with the Father's written will for his faithful and chosen. An audio interview with Pam can be downloaded at: <http://www.theedgeam.com/guests/pastguest.htm>

Let us pray for the glory of the Kingdom of God The Father to come in the name of Jesus!

The conspirators don't believe in the way of Jesus. Who father would you think is deceiving who, theirs or Ours?

If this is not "The End Days" in 2005/6 however, this researcher believes it would still be a righteous act, group practice if we will, to throw off the chains and shackles of the international money changers, as Jesus did himself in the Temple; the devil's elect who deceive and literally poison us to such an incredible degree in these days. First, the reconstituted US government would cancel the debts to the money changers, (debts and money they made out of 'thin air').

Then the US Treasury would be re-commissioned to print 'debt-free' US dollars once again. These dollars would be used to pay off any legitimate outstanding national debts. To deal with the illuminati's large stockpiles of gold, it should be searched for, aggregated together, accounted for, and melted down and made into coins the size of that which would supply every man woman and child on Earth with one gold coin apiece. These would then be able to be traded for other currencies, including the fresh new US Treasury dollars.

This would in effect provide a gold-backing for all the currencies of the world as gold would be monetized, distributed, and circulated once again along with the various paper currencies. The stamp of Jesus' image should be placed on the coins to remind all who is really Lord. The illuminati would then be expected to work productive jobs as with the rest of us all to support themselves and their families. They should be reminded of the Father's words "The meek shall inherit the earth."

" Naturally the common people don't want war: Neither in Russia, nor in England, nor for that matter in Germany. That is understood. But, after all, IT IS THE LEADERS of the country who determine the policy and it is always a simple matter to drag the people along, whether it is a democracy, or a fascist dictatorship, or a parliament, or a communist dictatorship. Voice or no voice, the people can always be brought to the bidding of the leaders. That is easy. " When, in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth the separate and equal station to which the laws of nature and of nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. We hold these truths to be self-evident; that all men are created equal; that they are endowed by their creator with certain inalienable rights; that among these are life, liberty, and the pursuit of happiness; that to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that whenever any form of government becomes destructive to these ends, it is the right of the people to alter or abolish it, and to institute new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their safety and happiness. Government big enough to supply everything you need is big enough to take everything you have ... The course of history shows that as a government grows, liberty decreases. Navy E-Learning Captures 2003 Illuminati Award

PENSACOLA, Fla. – Navy Education and Training Command (NETC) has captured another E-learning award for learning excellence. NETC's Navy E-Learning program was selected for the 2003 Illuminati Award in the category of Most Visionary Learning Program of the Year.

NETgobel (NETg), a corporate education and training company that provides e-Learning courseware, course technology books, instructor and student manuals for classroom training, self-study guides and other learning solutions to its customers, sponsored the award competition.

"Let me express my admiration for NETC's excellent work," said Dr. Jim L'Allier, Chair, 2003 Illuminati Award Evaluation Team and Chief Learning Officer and Vice President of Research & Development for NETg. "We believe that NETC's E-Learning program stands as a beacon to all others who seek to deliver measurable benefits toward the growth and viability of their organizations," said L'Allier. "It is clear to us that NETC understands not only the strategic value of training, but also its ability to transform performance from ordinary to extraordinary."

Early in 1998, NETC launched a trial period for Navy E-Learning with more than 750 NETg Information Technology (IT) courses offered at no cost to all Department of the Navy personnel. "The purpose of the trial period was to determine continued value of this training to the Navy, its acceptance by users, its

ability to meet training objectives and provide saving in the IT arena," said Peg David, NETC Learning Strategies Analyst. "We soon grew to more than 50,000 registered users via shore sites, as well as delivering the entire NETg CD library to every ship in the Navy for our Sailors who did not have Internet connectivity."

Large-scale production of Navy E-Learning debuted in May, 2001. "Navy E-Learning went online with NETg's IT library, Skillsoft's softskill library and only 7 Navy developed courses," related David. "Today we continue to employ both libraries with over 94 military developed courses. As we continue to grow and expand, we are now looking at more detailed mapping of those courses to specific Navy skillsets and tasks to build an enterprise learning environment and provide a career continuum for every Navy and civilian user."

Navy E-Learning, launches, tracks, and manages more than 1,400 e-Learning courses, at no cost to the user, for approximately 1.2 million active duty Sailors, Marines, Navy Department civilians, reservists, retirees, and family members enrolled in the Defense Enrollment Eligibility Reporting System. "There will be in the next generation or so a pharmacological method of making people love their servitude and producing dictatorships without tears, so to speak. Producing a kind of painless concentration camp for entire societies so that people will in fact have their liberties taken away from them but will rather enjoy it, because they will be distracted from any desire to rebel -- by propaganda, brainwashing, or brainwashing enhanced by pharmacological methods; and this seems to be the final revolution." - Aldous Huxley, "The Final Revolution", 1959

London is World Terrorist Headquarters

By Henry Makow Ph.D.

July 15, 2005

By Henry Makow Ph.D.

(This updates "Bush, Bin Laden Serve Same Master" originally posted Nov. 25, 2002.)

Getting pulverized is the price populations of the West will periodically pay for their insouciant acceptance of the central bankers' phoney war on terror. This price could escalate from isolated bombings to biological attacks and plagues to possible nuclear war.

The "War on Terror" is an all-purpose gimmick used to advance the world police state (i.e. "world government") and justify endless war. The London bombings Thursday will advance calls for a [security union](#) of the US and Europe.

Random terror is always designed to influence popular opinion. Right-on-schedule, the banker-owned mass media is conjuring up parallels with the guts-and-glory WW2 London blitz. The comparisons with that phoney banker-inspired war against the nation state and humanity are more apt than they know. Churchill had to goad Hitler into bombing London by first bombing Berlin many times. (See David Irving, *Churchill's War* (1992))

Genuine terror is never random. It is directed, as in the Israeli policy of targeted assassination. If the London bombings were genuinely Muslim in origin, they would have been bombed Chatham House (home of the RIIA), the Bank of England or MI-6, the globalists behind the charade.

BOMBERS HOME FOR LUNCH

The headquarters of "Islamic terrorism" is the City of London where the Anglo-American Establishment sponsors the radical "Muslim Brotherhood."

In a [comprehensive online report](#), the perceptive Hawaii-based researcher Peter Goodgame concludes: "Osama bin Laden is not, nor has he ever been, the leader of the international Islamist movement which is directed by the International Muslim Brotherhood."

Goodgame continues: "Osama bin Laden has been used effectively as a figurehead for the Brotherhood's militant branch to take responsibility for its atrocities, but he is not the mastermind... By the same token, the Muslim Brotherhood is a tool by the British-based Globalists whose main objective is to overthrow the established world order and create a new one-world system of global governance."

Goodgame cites former British Intelligence Officer, Dr. John Coleman, who says the Muslim Brotherhood is a secret freemason order set up by the great names of British Middle East Intelligence, T.E. Lawrence, Bertrand Russell and St. John Philby to "keep the Middle East backward so its natural resource, oil, could continue to be looted."

The Muslim Brotherhood has been used to check nationalist movements led by such figures as Nasser, Bhutto and the Shah of Iran who tried to develop their countries. Without the British, "radical Islam would have remained the illegitimate, repressive minority movement that it has always been, and the Middle East would have remained stable and prosperous," Goodgame says.

The Muslim Brotherhood is now a powerful faction in the global oligarchy. Goodgame cites Robert Drefuss, author of "Hostage to Khomeini" (1980):

"The real Muslim Brothers are ... the secretive bankers and financiers who stand behind the curtain, the members of the old Arab, Turkish, or Persian families whose genealogy places them in the oligarchic elite, with smooth business and intelligence associations to the European black nobility and, especially, to the British oligarchy.

And the Muslim Brotherhood is money. Together, the Brotherhood probably controls several tens of billions of dollars in immediate liquid assets, and controls billions more in ...everything from oil trade and banking to drug-running, illegal arms merchandising, and gold and diamond smuggling. By allying with the Muslim Brotherhood, the Anglo-Americans are not merely buying into a terrorists-for-hire racket; they are partners in a powerful and worldwide financial empire..."

By fabricating a bogus war between Islamic fundamentalism and the West, the globalists are able to attack their real enemy, humanity. Pulling the strings, they will ensure that both Western and Muslim states are degraded and finally completely subjugated to their odious rule.

WAR IS A RACKET

The globalists have long been using wars to subvert, demoralize and destroy Western civilization. They backed the Nazis and the Soviets in World War Two. They created the Punch and Judy show that was the Cold War. They tied U.S. hands while backing Ho Chi Minh in Vietnam.

Who are they? Also called the illuminati, they represent a recrudescence of the alliance of Rothschild finance and European aristocracy secretly coordinated by a Satanic dogma hidden in freemasonry.

They plan a new feudalism that will impoverish the middle classes, depopulate and enslave the masses, and leave only the rich served by a technocracy. The world increasingly will resemble a repressive third world country governed by the IMF, UN and World Bank.

The globalists are centred on the Rothschild-dominated Bank of England, MI-6 and the secretive Round Table society, which spawned the Royal Institute of International Affairs. The American branches include the Council on Foreign Relations, CIA and the Rockefeller foundations which all ensure the American people continue to finance and enforce one-world tyranny. The Bush family has owed its prominence to this cabal ever since grandfather Prescott Bush helped fund the Nazis.

Zionism is supposed to represent the "West" in this sham war with Islam. Americans (and now English) are being groomed to become like Israelis, victims of daily acts of "Muslim terror." When a suicide bomber struck in Jerusalem, Benjamin Netanyahu said, "Whether the explosion takes place in Bali, Moscow, New York or Jerusalem we are all united in a war against a common terrorist enemy." Right on schedule Friday, the media is saying "we are all in Afghanistan now."

According to Swiss journalist Richard Labeviere ("Dollars for Terror: The United States and Islam" 2000) radical Islam is an essential "complementary enemy" to Zionism, which seeks regional hegemony. According to the "Yinon Memorandum" (1982) Israel intends to splinter the Arab countries into several small cantons along ethnic lines. None of these will be able to challenge Israel, which, like the US is a disposable instrument of the globalist agenda. (207)

The Palestinian terrorist "Hamas" movement is a product of the Muslim Brotherhood. According to Labeviere, it serves the interests of the Israeli right wing, and has received secret financial support from the Israeli "Shin Bet." (203-205). Thus, Palestinian suicide bombers play straight into Ariel Sharon's hand.

Meanwhile, back in the USA, "Muslim terrorist attacks" are an excuse to lay the foundations of a police state. These attacks might serve as a pretext to declare martial law, suspend elections and round up dissidents, i.e. anyone who is not buying into the lie.

This may seem incomprehensible to Americans now when the economy is still being propped up. Once the US has done the globalist's dirty work, interest rates could rise and debt ridden Americans could be stripped of their assets, as they were during the Depression.

FATHERLAND [IN]SECURITY

The Homeland Security Act is designed to control all US law enforcement agencies so that elements in the CIA and Mossad can target Americans with impunity, like they did on Sept. 11. American agencies were designed to remain independent so they could serve as a check on each other.

The Act is also designed to allow George W. to place his henchmen in positions of control. Remember, he is a product of a secret Satanic cult, the "Skull and Bones." This sounds gruesome but the Twentieth Century provided many precedents. The illuminati was behind both Nazi and Communist mass slaughter and terror. Our position is akin to the European Jews who disbelieved warnings of the holocaust.

There is even a provision in the Homeland Security Act against whistle blowers. Why? Another provision allows mandatory vaccinations while giving vaccine manufacturers immunity from prosecution. Why? The "Total Information Awareness" program will "red flag" troublemakers by monitoring all personal communications and financial transactions, even your library records. You didn't attack the WTC. Why are you targeted?

What is the justification for this destruction of freedom, which Bush supposedly protects? In 46 months since Sept. 11, 2001, there hasn't been a single Muslim terrorist attack in the US despite the bloody American invasions of Afghanistan and Iraq. There hasn't been a meaningful arrest and conviction of a so-called terrorist.

If "Al Queda" were capable of pulling off Sept. 11, don't you think it would have planned an encore? Don't get me wrong: I am grateful to the Mossad and CIA for sparing us. But Americans simply don't deserve freedom if they accept this obvious ruse and its ominous consequences.

In conclusion, mankind is in the clutches of a diabolical multi generational conspiracy. A satanic,

criminal cartel has subverted all social institutions and is slowly crafting a brutal global dictatorship.

Our political economic and cultural leaders are witting and unwitting pawns. They are fabricating a phony war between Islam and the West in order to accomplish the subjugation of both.

Democracy is an Illusion

<http://www.savethemales.ca/001102.html>

August 20, 2005

By Henry Makow, Ph.D.

A "Far Side" cartoon describes our innocence about democracy.

A slave rowing a Viking ship puts up his hand and calls to the whip master: "Yoo-hoo! Oh, yoo-hoo... I think I'm getting a blister."

Like this man, most people cling to the belief that our leaders represent our interests.

"Yoo, hoo, Mr. Bush, you lied about Iraq having weapons of mass destruction."

At an elite gathering, Bush peered under his lectern and quipped: "Where are those weapons of mass destruction?"

A tiny cabal of international bankers chooses our "leaders". This clique, which subtly controls every significant facet of our society is gradually establishing an Orwellian global police state. Much of the ruling class has been duped to think they are building a better world.

Prove it, you say?

"The Naked Capitalist" by W.C. Skousen (available at www.abe.com & www.bookfinder.com) is yet another smoking gun. It is based on the revelations contained in Professor Carroll Quigley's "Tragedy and Hope: A History of the World in Our Time." (1966)

Quigley, a Professor of History at the Foreign Service School at Georgetown University was a trusted insider who had access to their private archives. He felt the plot, which he supported, was too important to be kept hidden. However, shortly after publication, his book was taken off the market.

Cleon Skoussen was an FBI agent for 16 years and the Police Chief of Salt Lake City for four years. His "The Naked Capitalist" distills the most shocking evidence from Quigley's daunting 1300-page book.

At just 122 pages, "The Naked Capitalist" (1970) is a concise, lucid and absolutely convincing account of the international banker conspiracy. Historians have betrayed the public trust by largely ignoring this material.

OUR PREDICAMENT

Quigley confirms that a network of banking dynasties has, in Skousen's words, "acquired a choke-hold on the affairs of practically the entire human race." According to Quigley, they include "Baring, Lazard, Erlanger, Warburg, Schroder, Seligman, the Speyers, Mirabaud, Malet, and above all Rothschild and Morgan." (Citations are from *Tragedy and Hope*, 51-52)

Quigley confirms that, starting with the Bank of England in 1694, these dynasties organized themselves in a system of central banks that charge their respective nations billions of dollars in interest for the privilege of using currency backed by the nations' own credit. In other words, they have carried off a swindle of monstrous proportions.

Quigley quotes William Gladstone who as Chancellor of the Exchequer said in 1852: "The government itself was not to be a substantive power in matters of Finance, but was to leave the Money Power supreme and unquestioned." (325)

Put another way, a private credit monopoly controls the governments' purse strings.

Able to create money out of nothing, they naturally grabbed as much of the world's real wealth as they could. Quigley writes about the formation of their American cartels: "The period 1884-1933 was the period of financial capitalism in which investment bankers moving into commercial banking and insurance on the one side, and into railroading and heavy industry on the other were able to mobilize enormous wealth and wield enormous economic, political and social power." (71)

Indeed their representatives, the "Eastern Establishment" i.e. the Morgans and now the Rockefellers run the United States. (72) The principle mechanism is the Council on Foreign Relations.

According to Quigley, the ultimate goal is "nothing less than to create a world system of financial control in private hands able to dominate the political system of each country and the economy of the world as a whole. This system was to be controlled ...by the central banks...acting in concert." (324)

Quigley confirms that the bankers have usurped mankind's collective instincts by financing the Socialist and Communist movements. Bankers love big government because the ultimate monopoly is the State. Through it, they take over their competition and control debt, resources, market demand and labor.

Speaking of the Communist takeover of the US government in the 1930's and 1940's, Quigley writes, "it must be understood that the power that these energetic left-wingers exercised was never their own power of Communist power but was ultimately the power of the international financial coterie."

In other words, millions of idealists committed to human brotherhood and equality were (and are) duped into advancing a totalitarian scheme to concentrate the world's wealth and power into the hands of the superrich. More opportunistic Leftists, Communists, Feminists and Globalists prosper while piously pretending to serve humanity.

The Money Power controls the debate and encourages gridlock by backing all shades of the political spectrum and marginalizing anyone who shines the spotlight on them. (Ever wonder why the word "Rothschild" has never crossed Noam Chomsky's lips? Or why the John Birch Society debunks the obvious fact that 9-11 was an "inside job?") The media is controlled through direct ownership and advertising.

Quigley writes: "To Morgan all political parties were simply organizations to be used, and the firm always was careful to keep a foot in all camps. Morgan himself, Dwight Morrow and other partners were allied with the Republicans; Russell C. Leffingwell was allied with the Democrats; Grayson Murphy was allied with the extreme Right; and Thomas W. Lamont was allied with the Left." (945)

The Lamont family was "sponsors and financial angels to almost a score of extreme Left organizations including the Communist Party itself." (945)

[GLOBAL] CONCLUSION

A small cabal of people who are not even citizens hold the financial purse strings of every nation. (and spread their influence throughout the freemasonic network.)

This goes a long way to explaining "globalization" and the push to one-world government. It explains the assault on race, religion, nation and family. The bankers want a homogenous deracinated neutered world that offers no basis of resistance.

It explains why in a time of supposed security danger, the southern border of the US is practically porous. The bankers want to undermine America's European character, which it perceives as a threat.

It explains the carte blanche Israel receives, the war on Iraq, and the fact that there is no opposition to the war in the mainstream parties or press. This war desecrates a cradle of civilization and assails Islam. It is also an opportunity to create more debt and enrich the bankers and their corporate allies.

It explains 9-11, the Patriot Repression Act and the phony "War on Terror."

It explains the depraved mass media and stupefying education system. I could go on but you get the picture. We are krill at the mercy of a gigantic whale. At the very least, let's not waste energy thinking we live in a free and open society.

Our democracy is a ruse. Ostensibly it expresses the aspirations of the people. In reality, it masks the insidious anti-human agenda of the central bankers.

The Sunshine Project
News Release 9 October 2003

Lethal Virus from 1918 Genetically Reconstructed
US Army scientists create "Spanish Flu" virus in laboratory - medical
benefit questionable

(Austin and Hamburg, 9 October 2003) - The 'Spanish Flu' influenza virus that killed 20-40 million people in 1918 is currently under reconstruction. Several genes of the extraordinarily lethal 1918 flu virus have been isolated and reproduced into contemporary flu strains. These proved to be lethal for mice, while virus constructs with genes from a current flu virus types had hardly any effect. These experiments may easily be abused for military purposes, but provide little benefit from a medical or public health point of view.

The 1918 Spanish Flu was highly infectious and - in comparison to contemporary flu viruses - killed a very high percentage of those infected, including many younger people. The Spanish Flu alone caused the medium life expectancy in the US in 1918 to drop by 10 years. Hence, flu viruses are perceived today as a serious biological warfare threat. Just two weeks ago, a 15 million dollar research grant was awarded in the US to develop protective measures especially against a bioterrorist attack with flu viruses.

Despite the very dangerous nature of the 1918 virus, efforts to reconstruct it started in the mid 1990s, when Dr Jeffrey Taubenberger from the US Armed Forces Institute of Pathology in Washington DC succeeded in recovering and sequencing fragments of the viral RNA from preserved tissues of 1918 victims. In the current issue of the scientific journal Emerging Infectious Diseases new genetic details of the 1918 flu virus will be published.

But after (partially) unravelling the genetic sequence of the virus, the scientists went a step further and began bringing the Spanish flu back to life. Unnoticed by the public, they succeeded in creating a live virus containing two 1918 genes that proved to be very lethal in animal experiments. This experiment is only one genetic step away from taking the 1918 demon entirely out of the bottle.

A resuscitation of the Spanish flu is neither necessary nor warranted from a public health point of view. Allegedly, the recent experiments sought to test the efficacy of existing antiviral drugs on the 1918 construct. But there is little need for antiviral drugs against the 1918 strain if the 1918 strain had not been recreated in the first place "It simply does not make any scientific sense to create a new threat just to develop new countermeasures against it." says Jan van Aken, biologist with the Sunshine Project, "Genetic characterization of influenza strains has important biomedical applications. But it is not justifiable to recreate this particularly dangerous eradicated strain that could wreak havoc if released, deliberately or accidentally."

Construction of new maximum security (BSL-4) laboratories for biodefense research has been justified in part by citing the potential of the Spanish Flu as a biological weapon. Influenza usually requires a low level of containment; but when scientists begin recombining virulence-related genes, the danger dramatically increases. The University of Texas Medical Branch's BSL-4 plans influenza 'gene reassortment' experiments in maximum containment. "This kind of research is creating a vicious circle, and could prompt a race by biodefense scientists to genetic engineer unthinkable

diseases", says Edward Hammond of the Sunshine Project, "What disease comes after influenza? Biodefense laboratories must not become self-fulfilling prophesy centers. The world does not need biodefense programs to create a 'genetically engineered disease gap'."

From an arms control perspective it appears to be particularly sensitive if a military research institution embarks on a project that aims at constructing more dangerous pathogens. "If Jeffery Taubenberger worked in a Chinese, Russian or Iranian laboratory, his work might well be seen as the 'smoking gun' of an offensive biowarfare program," says van Aken.

The Council on Foreign Relations, in its recent journal report says, if a global flu pandemic ensues: "In short order, the global economy would shut down. Vaccines would have no impact on the course of the virus in the first months and would likely play an extremely limited role worldwide during the following 12 to 18 months of the pandemic. With today's limited production capacity, that means that less than 500 million people – about 14 percent of the world's population – would be vaccinated within a year of the pandemic." [Foreign Affairs, July/August 2005]

This author, predicted this scenario shortly after 9-11. He faxed Alex Jones 4 pages of handwritten text in March 2002 about how N1H1-Influenza-A or a biologically reengineered enhanced virus similar to H1N1 would be released on the populations by the Illuminati - as this is the only technique they can apply to commit mass genocide, biologically, and after that - militarily. Those reports are still hosted on various servers on the internet using key word search "Eric Rainbolt Spanish Flu".

They, our Freemasonic governors working for the upper crests of the Illuminati blood royalty around the world, are behind this. There is no question as to their premeditation. If there is, you may just need to re-read Chapter 4 and notice the dates the UN convened originally on the topic "11"/11/04. "3" months and "11" (to signify an occult freemasonic "33") days later on 2/22/2005 the US CDC fear mongered about the coming flu padnemic to the American people. They are signing their intrigue. The date 2/22/2005 for such an event was accurately predicted on a graphic constructed in December 2004. (included on a previous page)

" Every matter of mass importance is relinquished to a private group or controlled by the government, and the government is controlled like a corporation by people with distastefully dark and corrupted souls, even in Italy - and they also happen to conduct world banking and finance. The American people act toward them like they don't have a clue, like a trained and conditioned orderly set of numbered worker monkeys. Everyone is one somewhere in this/that complete set. Now evil is wishing to seperate from good, yet the good who have their eyes stuck to a tv set or their lips stuck to another nipple of this sytem won't have a clue until they actually realize foreign troops are attempting to start militarized patrols down their own streets after a couple more contrived crises, biological, nuclear, or conventional attacks. Many countries around the world are betraying and plotting against their own people in an attempt to form a world government. No country is currently educating its citizenry about the truth of 9/11, that it was an 'inside job' freemasonically architected mass slaying on the 60th birthday anniversary of the Pentagon, as was 3/11 "33" in Madrid in 2004 that murdered 191 innocents, 7/7 in London, and 7/22 in Egypt which murdered 88, and the most recent civilian bombing in Indonesia which was 11 days short of the 3rd anniversary of their first bombing on Oct 12th, 2002 - which itself was 1 year, 1 month, and 1 day after 9-11."

Will the World be led down this road?

" For if the trumpet give an uncertain sound, who shall prepare himself to the battle? " - 1 Cor. 14:8

" But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand. " - Ezekiel 33:6.

Description : This worldwide-mindshattering book will reveal the truth of the world we live in, the bigger picture, and how *all* governments, 'intelligence' agencies, and corporations are being controlled today; leading exactly into World Government/Biblical Prophecy. The people of the world are being tricked, duped, played like a deck of cards by a hidden (and **Satanic**) communist oligarchy of 'illuminati' international banking magnates. In other words, whole planet is being run under a World Government *already*, they are just using terrorism and lies right now to establish more control as tyrants have done and still do . Astonishingly, it has been recently discovered, in the year 2005, that the biggest events of the world in the last 100 years have been conducted by the **Illuminati** on occult numbered dates especially the World Wars. This book proves the fact that humanity itself has been continuously and massively deceived and manipulated by elite personages who ritually worship the " **angel of the abyss**", **the father of all lies**, and secretly rule the whole world through their privatized corporate banking complex. And the good news (and there is good news despite the bad news) is that Jesus will certainly soon come to chain the beast back into the abyss through the power granted to Him by the Father and bestow his blessing of forgiveness and eternal life onto His followers; those who have believed and trusted in Him. This book contains over 1000 historical facts and proves to those who might be on the fence that God Our Father's word is true and just; for the faithful and righteous Jewish; Christians; Muslims, etc. Israel has been tricked, America has been tricked, the whole world has been duped by the devil. This is a rare and valuable book with a unique set of messages that you will want to show all your skeptical friends, so get your copy of this amazing book today! The idea of this ebook is to show all those you know before the evil power seizes their liberties, wealth, and possibly their souls with the Mark!

Ephesians 5:11 (kjv): " And have nothing to do with the unfruitful works of darkness, but rather expose them. " That is an instruction for the faithful to inform others.
