Reading At Home can make a huge difference!

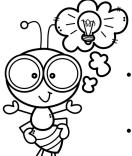

Make Reading A Part Of Your Family Time!

Family time is so important... Why not make reading a part of this valuable time with your kids? Here are some tips for integrating reading into our daily family activities:

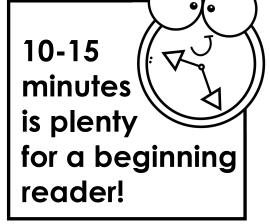

- Read bedtime stories
- Play a board game
- Visit your local library
- Read a recipe and cook something yummy together!
- Create a comfy reading space in your home.
- Put your child in charge of reading the grocery list at the store.

Choose Appropriate Reading Levels For Your Child

- Use the five finger rule. Open the book to any page and ask your child to read. Put up a finger every time your child does not know a word. If you have put up more than five fingers before the end of the page, this book is too hard for your child.
- Choose books that match your child's likes and interests.

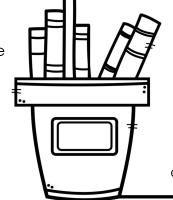

How To Read With A Beginning Reader:

- Encourage your child to use his/her finger to point to each word.
- o Read a sentence and have your child repeat it.
- o Take turns reading a sentence each or a page each.
- o Talk about the story as you read it. What do you think will happen next? What does this story remind you of? How do you think this character feels?
- Don't be afraid to read the same book again! Repeated reading helps build reading fluency!

Check For Understanding

- ✓ Start the book by making predictions. What do you think will happen in this story?
- ✓ Ask questions and make comments during the reading process.
- ✓ After reading a book, have your child tell you the events from the story in the correct order.
- ✓ What was the problem in this story?
- ✓ How did the character feel when...?
- Encourage your child to make connections. Does this story remind you of another book you read, an event in your life, a movie?

Keep plenty of reading materials in your home:

books, magazines, newspapers, and comic books. Children enjoy having a variety of reading materials!
