

Glide Revitalization

Gateway to the North Umpqua

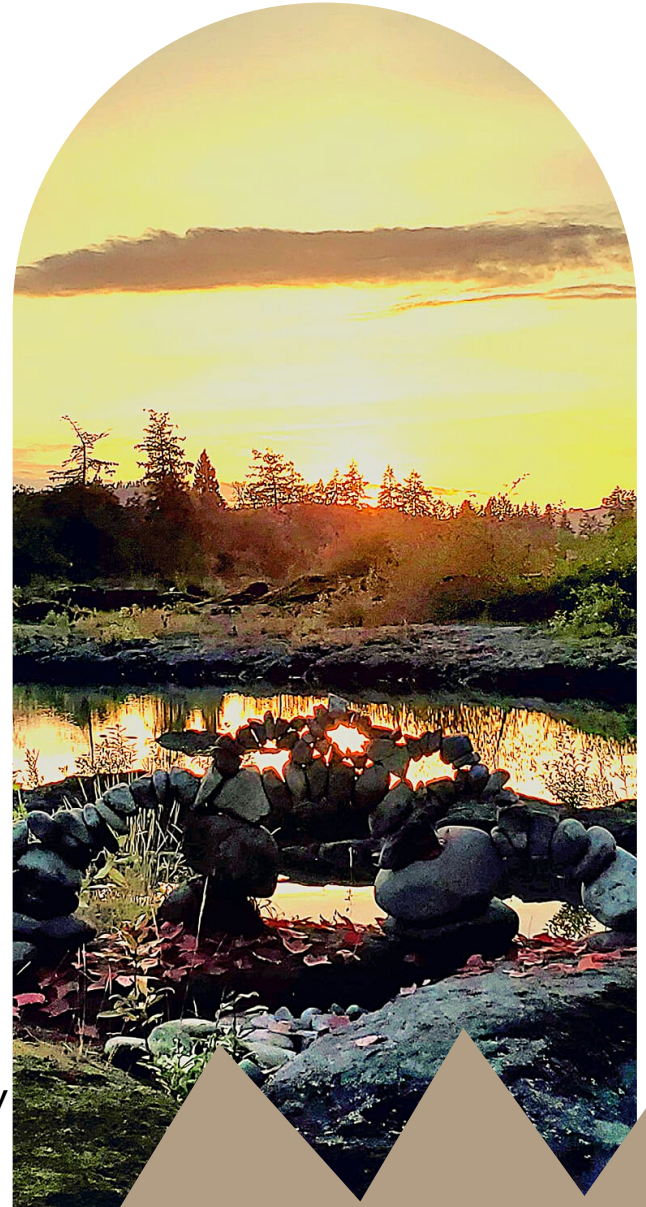

SUPPORT REPORT

November
2022

Winter is on the way

The weather is changing and with that comes new challenges. Rural Glide faces accessibility problems when road conditions are poor, poorly insulated homes face freezing drafts, and senior populations may feel isolated due to shorter daytime travel windows. Glide Revitalizations goal these next few months is to ensure our vulnerable population is properly winterized and that cold weather resources are made available. If you are in need of weatherization, heat/power assistance, road repairs for accessibility, or a link to additional resources WE CAN HELP! Contact information can be found on page 3. As always our local community partner Helping Hands is available for food and clothing assistance! They are open Wednesday's 10am-2pm. We encourage you to check on your neighbors this time of year and we wish each community member a happy holiday season!

FUNDS PROVIDED THIS MONTH

\$14,733

Glide Revitalization is in a unique position. We operate as a non-profit that can obtain grant funding for a wide variety of programs and community based assistance. We also house Douglas County's Long-Term Recovery Group (LTRG). This is a committee of individuals that are governed by a Board of Directors and are fiscally sponsored by a 501(c)(3) organization. All funding that is allocated to this local group of individuals is provided specifically to wildfire impacted community members.

We also partner with many other non-profit organizations to maximize efforts. Often, cases are presented to many community business partners to ensure the client receives the most amount of assistance available to them.

2022 year to date total \$476,002

FUNDERS

**Glide
Revitalization**

**Archie Creek
Long Term
Recovery Group**

**Partner
Organizations**

DETAILS

These funds came directly from grants allocated to the non-profit itself to benefit the community as a whole.

This funding is specific to fire recovery efforts alone.

This funding was facilitated by other organizations we partner with and provided to community members

OUTCOME

\$6,608

\$7,278

\$847

WE COULDN'T HAVE DONE IT WITHOUT YOUR GENEROUS SUPPORT.

State and Federal funding is usually limited to direct support needs like household goods and rebuilding. Thanks to many generous donors and community partners, we have been able to assist in other ways like debris removal, fire mitigation efforts, and general brush clearing to ensure defensible space for our rural residents! Funders for this include but are not limited to Ford Family Foundation, Roseburg Rotary, Lutheran Disaster Services, Greater Douglas United Way, Salvation Army, and general community donations.

**THANK YOU TO ALL OUR
PROJECT PARTNERS
AND VOLUNTEERS.**

CONTRACTOR SPOTLIGHT

Wyatt Jones Excavation

541-733-7707 or jones.wyatt@yahoo.com

Wyatt has gone above and beyond on every property he has committed to work on. He is reliable, fair, and thorough! Thank you Wyatt for all your hard work mitigating fire risk out here in Glide!!
