**Affidavit of Patrick Troup**

Date: June 17, 2024

My name is Patrick Troup. I live at 11158 140<sup>th</sup> St, Davenport, IA 52804 in Scott County, Iowa.

I was the husband of Ruth Troup and we were married for 37 years prior to her death on November 14, 2021.

My wife, Ruth, suffered from chronic Rheumatoid Arthritis for which she was treated with Hydroxychloroquine. Approximately two weeks prior to my wife's death, I went to Walgreens pharmacy at the corner of locust and division Streets in Davenport, IA to refill her prescription of hydroxychloroquine. They refused to fill her prescription and claimed that it was not yet time for her to refill her prescription. We tracked her use of hydroxychloroquine closely and we believed that this was not the case. This refusal was unusual, and we had not experienced this before.

Approximately a week later, my wife contracted COVID-19 and shortly thereafter died.

I, Patrick Troup, swear under penalty of perjury that the foregoing statement is true to the best of my knowledge.
