GROUP BOOKING PROCESS

1

Confirm with your group and email sales@balispiritfestival.com with:

- Type of pass you wish to purchase
- Number of passes required by your group
- Your preferred payment method: PayPal, bank transfer or Credit Card

[Please note: you need to cover any transfer fees; 4.9% for PayPal and usually \$30-\$70 for an international bank transfer as determined by your bank]

2

We will send you an invoice with all payment details

3

You complete the payment and send us a list of attendee names and email addresses
[Please note: Your tickets will NOT be reserved until we receive complete payment. Your group tickets will NOT be issued and your group will NOT be granted access to the festival until you provide the attendee name and email address.]

4

We will issue and send the electronic (PDF) tickets for your group. These are your official festival tickets.

IMPORTANT: You are **NOT** allowed to publish lower ticket rates than are listed on the BaliSpirit Festival website. We recommend that you are re-selling the tickets to your group as a part of a PACKAGE including multiple items.

GROUP BOOKING FAQs

How do I get group rates?

You can purchase festival passes at group rates if you are buying 7 or more passes. If your group is more than 10 people, you will receive 1 free pass!

I have a bigger group, can I get an extra discount?

No, we do not offer any additional discounts to group rates.

What kind of group passes do you have?

We offer group rates for the Abundance Pass, 7-Day Pass, Weekend Pass and 1-Day Pass. See the table above for full details of what is included in each ticket type.

When do I have to book group passes?

We cannot guarantee availability of group rates. Therefore, we recommend that you purchase your group tickets as soon as you can.

Can I book a mix of different pass types?

Yes, as long as you purchase minimum of 7 passes of the same type.
[For example: 7 x Abundance Pass + 3 x 7-Day Pass]

Somebody wants to join my group last-minute. Is that possible?

Yes, as long as that ticket type is still on sale, you can add more people to your group. The process is still the same – you first need to complete the payment for the additional tickets and only then you will receive your electronic tickets.

Somebody from my group dropped out, can I get a refund?

No, all sales are final and we do not offer refunds on purchased passes. However, if you find a replacement for the person who dropped out, we can change the name on the ticket.

I already booked group passes but I want to make a change

We do not offer any downgrades (change from Abundance Pass to 7-Day Pass) but we are happy to **upgrade** to a higher ticket tier. You would only need to pay the difference in price. If you are making a change in the attendee, we can update the attendee name on the ticket at no extra cost.
