From the Scoutbook front page, click on "Login" on the upper right. Enter your User Name and Password to log in. Once in, click on "My Dashboard." On the right, under "My Units," you will see your pack listed. Click on your pack. Here you will be able to update advancement records, print advancement reports, etc. To log out, click on the three parallel lines on the upper left, and click on "Logout" on the menu that appears.

NCAC Summer Camp Risk Factors Certification Form: For Scouts taking the BSA swim test at summer camp, NCAC may also require completion of the Summer Camp Risk Factors Form.

Some resident camps require a supplemental form specifying camp medication information.
