I want you to know that we continue to be encouraged by the good reports we hear from so many of you.

I want you to know that I pray Pastor Andy and I are an encouragement to you and that we live up to the test.

I want you to know that being in Christian Community isn't just a good thing, it's a vital thing.

I want you to know that living a pure life, marked by brotherly love is important.

I want you to know that Jesus is coming again.

I want you to know that, while we wait, we must keep on loving one another, supporting the saints, and being kind.
