

# COMPETITION REMINDERS

Access Path: EMS > [Competition Management](#)

Administrative users at your competition can post reminders that can be viewed on your competition participant page. Reminders can be created for participants (skater, coach, team) or general (those without a role) access.

- 1 After logging in to Members Only ([m.usfigureskating.org](https://m.usfigureskating.org)), click **Competition Management > Entry Info > Registered Skaters/Registered Teams**.
- 2 On the **Reminders** page, there are three tabs:
  - View a list of all reminders currently published in the **Active** tab.
  - View a list of incomplete reminders in the **Drafts** tab.
  - View all past reminders at your competition in the **Inactive** tab.
- 3 Click **Create Notification**. The message window opens.
- 4 In the message window, enter the following information:
  - Title (for admin knowledge only)
  - Roles (who can see the reminder, skaters, coaches, teams, general)
  - Start (when the reminder will be visible to users)
  - Expiration (when the reminder is no longer viewable)

**Note:** check the **Never Expires** box to make the reminder always visible.

- 5 Enter the body of the reminder.
 

**Note:** Keep reminders short. Large images are not recommended.
- 6 Click **Publish**. The reminder appears on the active tab.
- 7 Click **Save Draft** to save the reminder. The reminder appears on the drafts tab.
- 8 Once the reminder start date is reached, the reminder is visible to participants, from their competition portal.
