## Policy and Strategy:

**Kansas Housing Resource Corporation's 2021 Housing Needs Assessment found that "A shortage of quality, affordable housing is an undeniable barrier to economic growth and development in any community, and particularly in rural communities in Kansas." How likely are you to support increasing funding for affordable housing development?**

Very Likely

**Comments:**

Rents have increased, nationwide, by 30% in the past 4 years. This is outrageous and needs to come down.

**Inadequate access to mental health and substance use treatment programs contributes to homelessness in Kansas. How likely are you to vote to expand mental health and substance abuse treatment programs?**

Very Likely

**Comments:**

I majored in Psychology in college and understand the importance good mental health treatment and care plans have on a community, and the vital need for such.

**How likely are you to be in favor of limiting annual rental increases?**

Likely

**Comments:**

I don't really want to put ceilings and caps on the marketplace, but a 30% increase in 4 years, left unchecked, is greedy beyond permission.

**Kansas has no statewide plan that comprehensively addresses homelessness. How likely are you to support the implementation of a statewide affordable housing plan to address homelessness?**

Very Likely

**How likely are you to advocate to allow for more affordable housing developments in urban and suburban areas?**

Likely

**Comments:**

My district is mostly rural, suburban at best, so this probably isn't a top priority for my constituency.

**How likely are you to be in favor of establishing a state-funded rental assistance program to stabilize low-income renters and support property owners?**

Likely

**How likely are you to support legislation or programs to provide legal assistance to tenants facing eviction?**

Likely

**Comments:**

I volunteered for Legal Aid and worked for Wichita Legal Services, as well as being a Public Defender so I think these programs are important and necessary; however, I'm representing mostly rural area and not as many evictions there.

**How likely are you to support increasing funding for domestic violence shelters and services to prevent homelessness?**

Very Likely

**What funding sources will you prioritize or advocate for to support homelessness programs and services? (Check all that apply)**

Federal grants and programs (e.g., HUD Continuum of Care, Emergency Solutions Grants)

State Government funding initiatives

Local government budgets and funding allocations

Corporate partnerships and sponsorships

Community fundraising events and campaigns

## Housing Solutions

**Kansas does not have enough shelter space; nearly two thousand Kansans sleep outside or in their cars in dangerous weather conditions. How important is it to increase funding and capacity for emergency shelters to meet immediate needs?**

Very Important

**Comments:**

Everyone should have shelter.

**How important is it to develop more transitional housing programs to bridge the gap between homelessness and permanent housing?**

Very Important

**Comments:**

Have 90-day transitional housing programs been helpful or should that time period be extended?

**How important is it to expand permanent supportive housing options with integrated services for long-term stability?**

Important

**How important is it to implement a low barrier approach that prioritizes permanent housing with support services?**

Important

**How important is it to collaborate on the local level to ensure a coordinated response that addresses homelessness?**

Very Important

**How important is it to use data-driven strategies to allocate resources based on current demand and long-term outcomes?**

Very Important

**How important is it to create a flexible funding source that allows communities to address local needs?**

Very Important
