	i Dinsurance.mo.gov	Jefferson City	Senior Regulatory Auditor	9/16/2002	The worked at the Department of Commarce & Insurance (DCI) for 22 years and graduated with & Barhelor of Science degree in computer information systems with an emphasis on programming. While my Computer knowledge helped me get the job, I found my true calling at DCI in the form of criminal justice work. It moved positions from an office support assistant to a special investigator and trainer of new personel. It is operoblem solving and enalyzing people as well as the situations they find themselves in. This helps me make decisions so I can do my current job - investigator consumer complicate sagainst insurance producers and making recommendations on whether to grant them a license. Each position Tue held has stught me valuable lessons such as how much I need and want organizational sills and proper grammary/writing as an office support team member, to the stratigic thinking techniques and empathy needed as an investigator.
