20

WHAT MAKES A SONG GOOD TO SING?

Songs should be positive

Should help build up
confidence

Be age appropriate

21

WHAT MAKES A SONG GOOD TO SING?

Patriotic Songs, Hymns,
and Spiritual Songs
should be sung
respectfully and with
unaltered lyrics.

22

WHAT MAKES A SONG GOOD TO SING?

Explore changing
lyrics to other types
of songs to
encourage creativity
and fun.

For example...

23

DOWN BY THE BAY

Down by the bay
Where the watermelons grow
Back to my home
I dare not go
For if I do
My mother will say
Did you ever you ever see a goose
kissing a moose?
Down by the bay

24

DOWN BY THE BAY

It's fun and easy to change the last two lines that rhyme:

Have you ever seen a scout
fishing for trout?
Down by the bay

Or a den chasing a wren
Or a pack eating a snack
Or...

25

ALTERING LYRICS

Just be sure to match the syllables and the meter of the original lyrics.

26

SONGS SHOULD NOT HAVE

Name calling
Violence/physical harm
Body functions
Derogatory references
Put downs
Inside jokes

27

SONGS SHOULD NOT HAVE

Alcohol
Drugs
Guns
Undergarments or nudity
Grossness
Insensitivity
Disgust/gore
Food/water wastage

28

WHEN IN DOUBT

Skip it and don't sing it; modify it; or choose something else.

But I sang it when I was a scout!

Many traditional songs, cheers, and skits are no longer appropriate. Remember, you are serving today's scouts, not your memories.

29

ALTERING LYRICS

Bear in Tennis Shoes

He said to me, why don't you run,
Because you ain't got any gun

Change second line to:
Away from here, we'll have some fun.

30

DIFFERENT VERSIONS OF THE SAME SONG

Depending on where and when you learned a song, the lyrics may be slightly different than other people's versions.

That's okay. Pick one and make that your pack's version.

31

WHAT IF I CAN'T SING

It doesn't matter.
We are signing to have fun.

This is not a competition.

Practice.
Even practice singing with a funny voice.

32

HOW TO LEAD SONGS

Know the song really well.

Have the tune and the lyrics memorized.

Practice at home with your family or your pets.

BE CONFIDENT

33

TEACH IT

Announce name of song

Pass out lyric sheets, or written on a white board or projector

34

TEACH IT

Pack Song Book to use at meetings

Complex lyrics: leaders sing complex verses;
scouts sing simpler chorus

35

SING IT

New song: sing through once for audience

All songs: practice before-hand

36

LEAD IT

Be enthusiastic in leading!

BELIEVE
in the value and fun of singing.
If you don't, no one else will!

37

LEAD IT

Keep a beat with your arm. You set the pace.

If singing in rounds, split the audience into groups before starting.

Point to group when it's their turn to sing.

38

LEAD IT

Walk around as you sing.
Get everyone involved.

Silly is more than okay -
Cubs appreciate when
adults are silly with them.

They will follow you.

39

LEAD IT

Don't overdo it. It's
supposed to be fun.

One or two songs per
meeting is enough.

Sing in a middle key, think of
the ages of your audience.

40

LEAD IT

It will take time to build up
the songs they know.

Bring back favorites.

Don't repeat ones they don't
enjoy (even if they are your
favorites).

TUNE: "O TANNENBAUM"

Softly falls the light of day,

"Have I done my daily task?"

Have I kept my honor bright?
Can I guiltless sleep tonight?

Have I done and have I dared
Everything to be prepared?"

CUB192 **Worthy of Note – Cub Scout Songs and Singing:** Cub Scouts and singing have always gone together! Singing builds pack and den spirit, makes everyone feel welcome, allows Cub Scouts to have fun expressing themselves, and drives home Scouting virtues and camaraderie in a meaningful way. This course will explore both the fun and importance of singing in Cub Scouts, how to select the right song for the occasion, and how to lead a song with confidence even if your singing voice is not exactly pitch-perfect!

The Jellyfish Song

Arms up.

Wrists together.

A jellyfish, a jellyfish, a jellyfish, a jellyfish.

Arms up.

Wrists together.

Elbows together.

A jellyfish, a jellyfish, a jellyfish, a jellyfish.

Arms up.

Wrists together.

Elbows together.

Knees together.

A jellyfish, a jellyfish, a jellyfish, a jellyfish.

Arms up.

Wrists together.
Elbows together.
Knees together.
Feet together.
A jellyfish, a jellyfish, a jellyfish, a jellyfish.

Arms up.
Wrists together.
Elbows together.
Knees together.
Feet together.
Head back.
A jellyfish, a jellyfish, a jellyfish, a jellyfish.

Arms up.
Wrists together.
Elbows together.
Knees together.
Feet together.
Head back.
Tongue out.
A jellyfish, a jellyfish, a jellyfish, a jellyfish.

Bear in Tennis Shoes

The other day, I met a bear
A great big bear, in tennis shoes

He looked at me, I looked at him
He sized me up, I sized up him

He said to me, why don't you run
Away from here, we'll have some fun

And so I ran, away from there
But right behind me was that bear

Ahead of me, I saw a tree
A great big tree, oh golly-gee

The only branch was ten feet up
I'd have to jump and trust my luck

And so I jumped into the air
But I missed that branch oh way up there

Now don't you fret, now don't you frown

Cause I caught that branch on my way down

The moral of the story is
Don't talk to bears in tennis shoes

That's all there is, there is no more
Unless I meet that bear once more

The end, the end, the end, the end
The end, the end, the end, the end

Scout Vesper Song

Tune: "O Tannenbaum"

Softly falls the light of day, While our campfire fades away . Silently each Scout should
ask: "Have I done my daily task?
Have I kept my honor bright? Can I guiltless sleep tonight? Have I done and have I

Taps

Day is done,
Gone the sun,
From the lake,
From the hills,
From the sky;
All is well, safely rest, God is nigh
