

2021 U.S. Figure Skating Championship Series – Norwood, Massachusetts Event Groupings

If more than 24 athletes enter an event (i.e. Novice Ladies) at a competition, skaters will be seeded per [Rule 2460](#) in the U.S. Figure Skating Rulebook. However, a chief referee may request permission from the Chair of Competitions to hold the event as one group. A skater added to an event due to unforeseen circumstances will be added to one of the groups (which group will be at the discretion of the chief referee) up to 24 hours before the start of the first qualifying group in that event. No reseeding or reassignments between groups will be made after posting. If an event is divided into groups based on entries, no qualifying or final rounds will be held for any level – all athletes will compete the appropriate segments in the same groups.
