Subject: CRC - OE ASHRAE Motions
Attachments: Guidelines for CRC Motions - Fall 2019.docx; Format for Motions.docx

OE ASHRAE ,

It's that time of the year again where we as a chapter have the opportunity to prepare motions for the CRC. Please let me know if there is a motion that you would like to present to our chapter and then to Society. Please read below and the two attachments.

"Chapter members have the right and the responsibility to present to the chapter CRC Action Committee motions to enhance regional, chapter or Society activity. These motions will be presented by the delegate during the business session at the CRC where they can be discussed and voted on, following Robert's Rules of Order. Motions and resolutions coming out of the CRC can be most effective if presented in proper form. A fine conceptual resolution can be lost in the legislative process at Society level for want of proper wording, background explanation or research."

Thank You for your time,

David Lawson
