“

Jeremiah has to be my favorite interviewer!

He is thoughtful, asks the best questions, and is right on target.

Thanks, Jeremiah. You've done a great job getting the word out about my books. What a star!

Jeremiah, honestly, was one of the best interviewers I've ever had the pleasure of speaking with.

We had a sincere and honest conversation that I wish I could say was the norm for all interviews.

Thank you, Jeremiah, for having me as a guest.

“ Jeremiah was the best host I have ever been interviewed by in my 40-plus years as a musician, author, and thought leader, working with everyone from David Bowie to Sammy Hagar to Al Jardine of The Beach Boys and countless other creators.

The Jeremiah show was a blast!

We laughed, had goosebumps, and even shed tears. Jeremiah not only skims the surface of his guests' stories but brings out the most entertaining ones.

I want to be on the show again and again

Soon after guesting on The Jeremiah Show, my spy thriller became a USA Today Bestseller. Jeremiah's interview was a delight—like a conversation with an old friend, except he didn't ask me for money.

Jeremiah D. Higgins is a prince when it comes to in-depth interviews. He is knowledgeable, whether discussing my books about the Beatles, murder, or medicine. He is a 2024 podcast version of TV legend Mike Wallace, and I am always excited to talk with Jeremiah.
