October 8th - October 14th is Fire Prevention Week! As we come out of fire season for Glide and local Douglas County, we still want to be aware of possible fire hazards and learn how to handle fire scenarios.

Fire prevention starts with you! Below are some fire prevention and safety tips:

- **Be Aware of Fire Hazards.**
  - *Cooking, heating, electrical outlets, cigarettes, and candles are common fire hazards.*
- **Check Fire Alarms.**
  - *Test smoke alarms every month. Replace the batteries every year.*
- **Know What to Do.**
  - *Create a fire escape plan with exit points for every room in your home.*
- **Conduct a Fire Drill.**
  - *Practice your fire escape plan. Know how to stop, drop, and roll.*
- **Ask for Help.**
  - *Know who to call in case of a fire. Stay calm and give them your address with landmarks.*
