Wolf Trap District **Court of Honor**

On April 10 after Roundtable, the Wolf Trap District will hold its annual District Court of Honor to recognize adult volunteers who help you serve our youth.

Awards are given in recognition for significant service at the unit level. While an adult volunteer may have given service at the district, council, territory or national level, the award is focused on unit service. There are other awards available to recognize service at the district level and above.

Wolf Trap District Delay in Eagle Certificates

The Scouting America National Office has advised that Eagle Scout certificates and cards will be delayed. This should in no way delay any plans for Eagle Scout Courts of Honor. Eagle Scouts and their families should move forward as planned with their Eagle Courts of Honor.

An Eagle Scout kit with the Scout's name on it is made up right after the ESRA is processed. After the unit receives a message from Council confirming that the ESRA was processed, a unit leader, Eagle Scout or parent can go to the Council office in Bethesda and collect the Eagle Scout kit, which contains the medal, patch and pins. Certificates and cards will be shipped later.

Please advise your unit's Eagle Scouts and their families that Council cannot provide an update on certificates, so we ask that they not call the Council office for this information. Thank you.
