Here you are planning one of the most important events in your life, and here I am delighted that I'm being considered to be a part of this beautiful experience. Because of such, being your photographer is more than just pressing a button. will ensue on your wedding day, and creating a story that will be synonymous with the love you

I'm fuelled purely by passion for the arts, and your wedding is a canvas that will be skillfully painted on with utmost artistic dexterity. There is no greater expression than love, and I love capturing love, so let's get started!

I am based in Jamaica but I shoot internationally, primarily in The United States and Canada. I only shoot a limited amount of weddings per year and I'm typically booked out early, so please contact me to ensure your date is available.
