

EMS Mobile: My Skaters

The *My Skaters* page has a list of skaters attending this competition who have listed you as their coach. If a skater is missing from this page, make sure they have added you correctly in their profile.

Step	Actions
1	Tap on a skater to expand and collapse the row. Expand to view information.
2	Review the registered events, as well as Music and PPC status for your skaters. “X” denotes a missing requirement. Note: Only skaters can upload music and provide PPC. Contact your skater to ensure this is completed.
3	Access the Main Menu.
