Capitalisation - bottom-up, upscaling: from projects to policy

Result amplification

General Objective 2: Encourage the **transfer of practices and results to other actors and territories and their integration into local, regional, national and European policies and strategies (mainstream)**

- Encourage adaptation, transfer and integration of results into policies (M4N institutional dialogue; participation in the community, fast lane)
- Consolidating or creating networks for dissemination and participation of actors beyond the partnership via the Thematic Community Projects in collaboration with the Institutional Dialogue Projects

General Objective 3: coordination between **actors acting on the Mediterranean (multi-level, transnational)** based on this knowledge, experience and results
