

GLIDE REVITALIZATION

BACK TO SCHOOL

As summer winds down and the back-to-school season approaches, Glide Revitalization is excited to announce a remarkable opportunity for students and families. We understand the importance of equipping students for success, which is why we have our annual no-income-barriers program providing FREE school supplies to those in need. To participate, simply scan the QR code located at the bottom of this page. It will take you to our easy application process, where you can provide some basic information and select the grade level of the student(s) in need. Our goal is to eliminate any barriers that might prevent students from accessing quality education resources.

LITTLE LOGGERS PLAYSCHOOL

Little Loggers Playschool is excited to introduce Susan, our Director at LLP! Susan is a highly qualified director with over 30 years of experience in childcare. Susan is a huge supporter of LLP's Love, Learn, & Discover creative curriculum. Susan highlights that LLP fosters social skills, emotional well-being, physical activity and cognitive development. LLP is excited to serve Glide. However, in order to open the playschool we need staff. Spread the word, LLP is looking for a qualified Assistant Director, Head Teacher, & Assistant Teacher. Visit the QR code to Apply Today!

VOLUNTEER

Experience the fulfillment that comes from being a part of a community-driven initiative. Whether you have a few hours to spare or want to commit more of your time, Glide Revitalization offers diverse and rewarding volunteering options for everyone. Join us in finding ways to help our community and neighbors. To get involved or learn more, visit our website at gliderev.com, or contact us at gliderevitalization@gliderev.com. Together, let's create a brighter future for Glide!

RENEWING LOCAL HISTORY

Currently, Glide Revitalization is working with the Forest Service to re-open this historical visitor information center by pledging to staff the location every Friday during the open months. The structure was originally built by the Civilian Conservation Corps in 1938. By staffing this structure the goal is to keep this piece of history alive and to provide a location where folks can stop to get to know our community on their way to recreation.

SUPPORT REPORT

Each month our Program Director puts together a snapshot of the previous months accomplishments and community output. Visit the QR Code to stay up to date on community progress!
