WHY YOUR EVENTS MATTER

- National Council survey research discovered that 51% of parents support virtual events to allow youth to connect

BUT -

- 41% are also seeking OUTDOOR options.

SAFETY ALWAYS

- Many folks will say “Safety First” - I don’t agree.
- Safety ALWAYS fits better.

Restart Scouting Checklist

As always, the safety of our Scouts, volunteers, employees and communities is our top priority. This checklist outlines several minimum guiding protocols that adult leaders/volunteers must consider while working with local and state health departments, local councils, chartered organizations and Scouting families on when and how to resume meetings, service projects, camping and all other official Scouting activities.

If it is not practical to meet these minimal protocols, do not restart in-person activities.

BIG CHALLENGES

- Location to Meet
- Virtual Meeting Fatigue
- COVID Restrictions

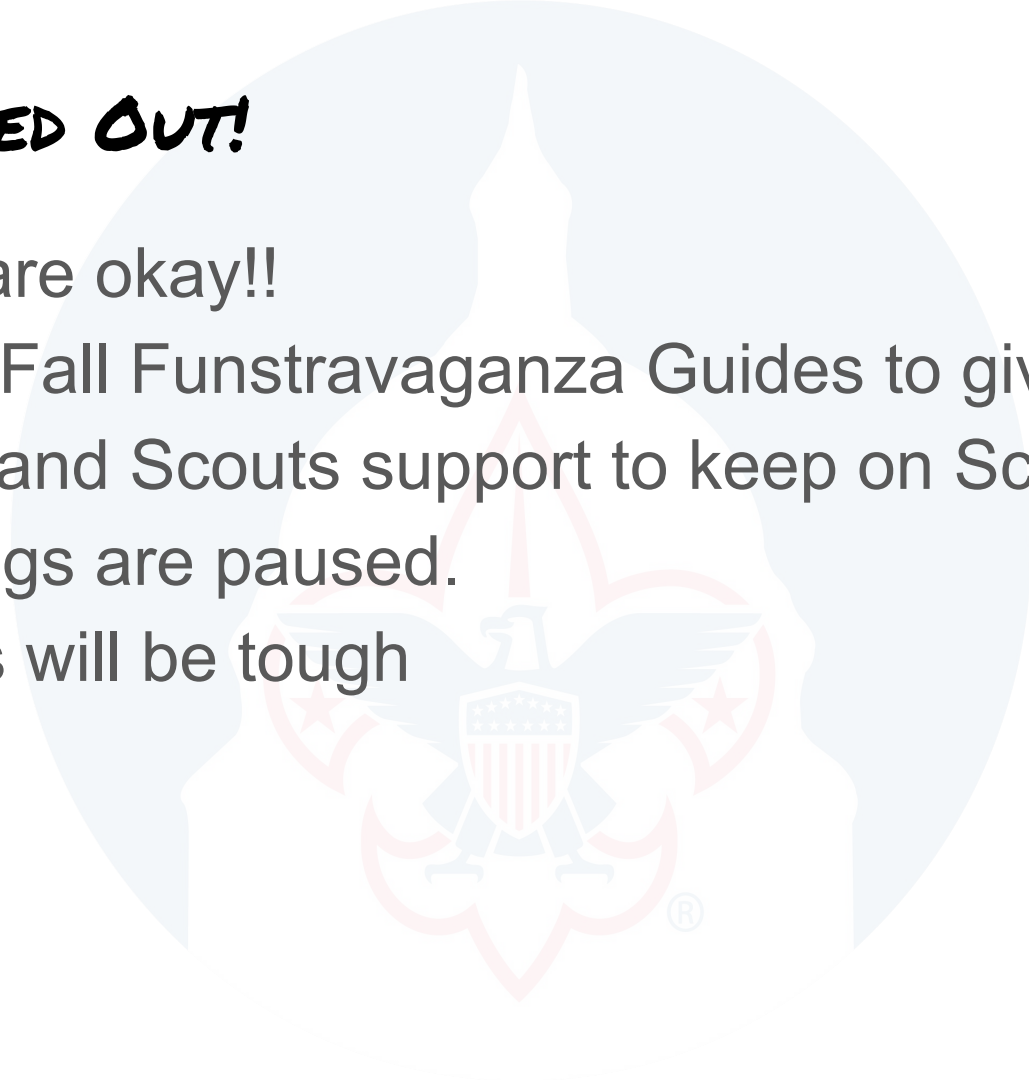

LOCATION, LOCATION, LOCATION

- Group Size is a MAJOR Factor.
- Ask your COR for help but don't limit yourself to ONLY your Charter Org
- Note: Guide to Safe Scouting and BALOO still apply

I'M ZOOMED OUT!

- Breaks are okay!!
- Use the Fall Funstravaganza Guides to give your families and Scouts support to keep on Scouting even if meetings are paused.
- Lectures will be tough

COVID LIMITATIONS

- Conservative is right!
- Constant Communication is VERY important
- Do Your Best (and be flexible while you do it)

Complete Option A or Option B.

Option A:

1. With the help of your den leader or family, plan and participate in a campout.
2. On arrival at the campout, with your den and den leader or family, determine where to set up your tent. Demonstrate knowledge of what makes a good tent site and what makes a bad one. Set up your tent without help from an adult.
3. Once your tents are set up, discuss with your den or family what actions you should take.
