

2023 ORANGE EMPIRE CHAPTER STUDENT SCHOLARSHIPS

ASHRAE's Orange Empire Chapter is calling for applications from Student members for the Orange Empire Chapter Student Scholarships to be awarded this year.

Application Deadline 11:59 pm on Friday, April 3rd, 2023

The scholarships were established to provide financial assistance to local university, college, or technical program students. It is intended to introduce students to the technical, educational, and social benefits that can be derived from the Society and local Chapter.

The amount of the scholarships may vary from depending on the strength of the applications received, up to **\$6000** of scholarships will be given out total to all applicants.

Eligible applicants are required to:

- Be an ASHRAE Orange Empire student member. See <https://www.ashrae.org/membership--conferences/join-now>
- Not be a previous recipient of a Orange Empire ASHRAE Chapter scholarship.
- Attend the Orange Empire ASHRAE Chapter meeting to be presented with your award (May).
- Write a short description of your interest in the industry for the Orange Empire newsletter and include a headshot

To encourage diversity in the awards we try to get applications from different parts of the educational community and encourage all to apply:

- Community Colleges
- Graduate Programs
- Technical Programs
- Undergraduate Programs

The candidates for these scholarships will be selected from students who are enrolled in (or plan to enroll in) a technical or engineering curriculum related to the mechanical, heating ventilation air conditioning & refrigeration (HVAC&R), energy conservation, or systems industry, as it applies to buildings. Candidates must:

- Submit a personal statement (one page maximum) on why you are interested in a career in energy conservation, indoor environment, or HVAC&R. Describe any extracurricular activities, design teams, research, coursework or internship experiences that support that goal. Additionally, describe how this scholarship would help you achieve that goal.
