

CAMPSITES

Camp La-No-Che offers 25 campsites, each accommodating 30 - 50 campers. Choose from sites with tent platforms or modern screened "adirondack" cabins that sleep 8-10 each. All campsites have a screened activity shelter with picnic tables, electric, lights, and leader's quarters (sleeping up to 8.) Each campsite also features a dedicated bathroom/shower building, campfire ring, and parking for up to 2 vehicles and a trailer.

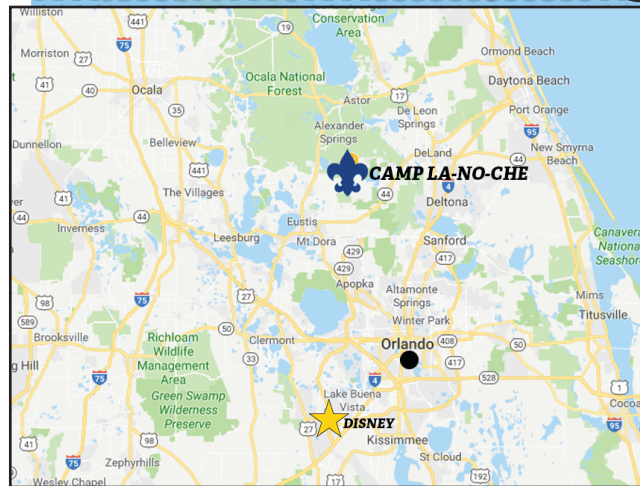

Weekend campers may also have the opportunity to use the bunkhouses & cabins available north of the main parking area. Discuss your group's needs with Camp Administrative Staff before your arrival to get the right site to fit your needs.
