The Georgia Chapter of the Hutchinson Bell SCHOLARSHIP GUIDELINES

One of the primary purposes for organizing the Georgia Chapter of the Hutchinson Bell was to encourage young people from this area to attend Florida College. To help qualified students, the chapter offers scholarships each year. The number of scholarships and the dollar amounts of each will be determined by the availability of funds. The scholarship

committee will select recipients of the scholarships based on the information provided on this application form. Access to the information on the application will be limited to members of the scholarship committee. This information will be held in strict confidence. In selecting scholarship recipients and determining the amounts of the awards, the committee uses the following guidelines:

ELIGIBILITY: The student must be a resident of Georgia, with special consideration given to students from the Greater Atlanta area. Membership of the Georgia Chapter of the Hutchinson Bell before July 1, 2024, is required, and all application requirements must be met.

Contact debbie@TheHutchinsonBell.com to verify your membership. A scholarship may be forfeited if the recipient is suspended from Florida College for disciplinary reasons.

SCHOLASTIC STANDING: Preference will be given to freshmen or students entering Florida College for the first time. Proof of acceptance from Florida College will be considered in the selection process.

ESSAY SUBMISSION: The student must submit a one-page essay (approx. 300 words) explaining why he/she wishes to attend Florida College and what he/she hopes to gain from his/her experience there. If you are a returning student, please include what Florida College means to you and the value of your Florida College experience. This should be attached to your Application.
