

Implementation Challenges

2025 - 2026

Cross-Cutting Tools & Approaches Expert Team

IMPEL Open Day - 05 February 2025

Funded by the
European Union

Goal

To get a good understanding of the pressing issues our members deal with, so that potential solutions can be found that give support to the implementation and Enforcement of Environmental Law.

Why is that important

So we can develop a work programme (2028 - 2030) that provides in the needs of our members

How

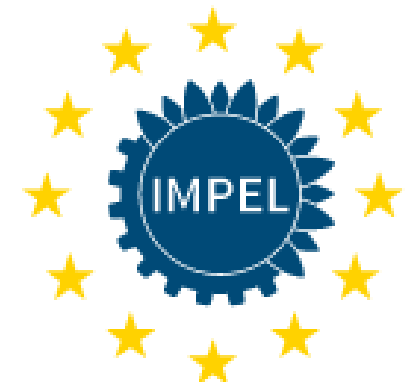

- Development of an online survey with support from all 5 Expert Teams.
- All IMPELs practitioners will be invited to fill in the survey.
- Results will be analysed and collated into a report.
- This report will be shared and discussed within all Expert Teams and with the IMPEL community and used, amongst other purposes, to generate the Multi Annual Strategic Programme.

Timeline

- Develop survey: April – June 2025
- Open survey: September – October 2025
- Analyse results: November – December 2025
- Final report: January – March 2026
- Adoption: Presented at the General Assembly – June 2026

Contact information:

- ✓ **For joining this project:** If you work for an IMPEL member organisation and would like to join the project or receive further information, **please contact the National Coordinator of your country and the Project Manager at rob.kramers@impel.eu**
- ✓ **For becoming a member of IMPEL:** If you are from an Environmental Authority or association of authorities that is based in a member state of the EU, a candidate country or another country applying Community law and would be interested in becoming a member of IMPEL, **please contact IMPEL Secretariat at info@impel.eu** for more information.
- ✓ **For all other interested parties:** please check out our new website for further information!
