

# “Cross-Cutting Tools and Approaches”

## Expert Team - Projects

**Steering group: Francesco Andreotti (leader), Martine Blondeel (deputy leader),  
Nicholas Bond, Kristina Rabe, Claudio Toscano**

**IMPEL Open Day - 05 February 2025**

Funded by the  
European Union

- ◆ Supporting Regulatory Practitioners in **developing systems, processes & new ways of working**
- ◆ **Focusing on cross-sectoral** regulatory frameworks rather than sector-specific ones

### Key Objectives:

- ✓ Enhance **efficiency & effectiveness** of regulators
- ✓ Develop **overarching tools** for regulatory support & **new legislation**
- ✓ Strengthen **capacity building** & ensure a **level playing field** across Europe
- ✓ Identify & contribute to **problem-solving in regulatory challenges**

**OPEN DAY**  
**CROSS CUTTING**

Wednesday 5 February 10:00 – 12:15 CET  
Scan the QR code and discover our projects 2025-27  
[www.impel.eu](http://www.impel.eu)

A square QR code is located in the bottom right corner of the poster, next to the text 'Scan the QR code and discover our projects 2025-27'. The poster itself features a central image of a globe with a grid overlay, set against a sunset background with a satellite and several drones flying around it. The 'CROSS-CUTTING' and 'IMPEL' logos are visible in the top corners of the poster.
