The AAFP has reviewed 'Advancing Comprehensive Primary Care Through Improving Care Delivery Design and Community Health,' and deemed it acceptable for AAFP credit. Term of approval is from 03/18/2022 to 03/18/2023. Physicians should claim only the credit commensurate with the extent of their participation in the activity. NPs and RNs can also receive credit through AAFP's partnership with the American Nurses Credentialing Center (ANCC) and the American Academy of Nurse Practitioners Certification Board (AANPCB).

Objectives

- learn about an innovative primary care- based housing initiative in RI
- discuss how a multi-organization FQHC-based ACO has approached housing challenges with their patients.
- learn about and discuss community-based housing initiatives working in collaboration with clinical systems and state agencies
